## A New Year, A New Picture Day

This year we are working hard to make sure that picture day runs safely and smoothly by making some slight changes to the way picture day has gone in the past. Below are the changes we will incorporate to ensure a great Picture Day.

- **Masks On:** Our staff will be wearing masks any time we are inside of your school building or working with students. They will have both hand sanitizer and equipment sanitizer at each site.
- **No Touch photography:** We are encouraging online ordering, getting rid of stools and props, and limiting the number of items a student turns in on Picture Day
- **Social Distancing:** We are changing our equipment set ups and posing to help everyone remain at a safe distance.
- **Following the Rules:** We are training and retraining photographers to adhere to CDC, OSHA, and local health department guidelines. Of course, we will continue to follow all school rules for visitors to the building. These protocols will be updated as the situation changes so that we are always offering the safest environment for you and our employees.

We want to remain your trusted partner in offering photography services to your families. If you have concerns about your picture day, please call Customer Service at (800)482-0321 for assistance. *We can't wait to see your smiling faces!*
