## MI Child Protection Registry

Dear Eagle Families,

Michigan families, especially minors, are becoming inundated with advertisements from alcohol, tobacco, pornography, illegal drugs, and gambling marketers through different internet and cell phone inboxes. Thankfully, the State of Michigan offers a free program to stop adult advertisements from reaching e-mails, text messages, Instagram, Snapchat, and Twitter. The Michigan Child Protection Registry, like the federal Do Not Call List, is a free do-not-contact service for Michigan's families and can be located at [www.ProtectMIChild.com](http://www.ProtectMIChild.com).

As a strong supporter of this registry, I would like to encourage you to sign your family up for it and inform your friends and colleagues about how they can protect your children and families from unwanted adult advertising. To sign up only takes seconds. Click the link above and keep your family safe!

Respectfully,
