

9th Annual Race for the Kids

Throughout the 8 years that our organization has held The Race for the Kids, we have been able to help 19 different families through medical and financial struggles. Because of your support, this race has become a great success. Come join us Saturday, June 4th at St. Joseph's School in Erie for a 5K run/family walk through Erie. All proceeds will be used to help local families with

children who are suffering from severe or life threatening medical issues. The cost is \$25 each or \$75 for a family of up to 5 people. This event will be from 8am-12pm. It will have fun activities for people of all ages (bounce house, face painting, silent auction, raffles, FOOD TRUCKS and snacks). Come join us for a great day that will help benefit a wonderful community cause. More information is available at www.erie5k.net or at our Facebook Page; Race for the Kids.
