January 8, 2021

Good Afternoon Eagles:

Happy New Year! I hope this message finds all of you welcoming in 2021 with open arms in hopes of a healthier and happier year.

The staff is excited to welcome our students back into the building Monday, January 11<sup>th</sup>. We will resume our in-person, partial day schedule and continue until at least January 29<sup>th</sup>. Students who chose full remote to start the year will continue with their mentor teacher until at least January 29<sup>th</sup> as well.

We are currently evaluating our next steps in bringing our students back to full in-person learning and need your help. Please complete the following survey found [here](#) to share your thoughts on our school delivery options for marking period 3 (Feb 1 – April 1). The survey will close on January 15<sup>th</sup>. Understandably, not every scenario may be able to be implemented; however, the voice of our community is important to us in the delivery of school options.

A few friendly reminders to parents with students returning to in-person learning on January 11<sup>th</sup>.

- Remember to complete a health questionnaire at home and take your child's temperature every day before school. If your child is ill, please keep them home.
- Report any positive COVID-19 results or need to quarantine to your child's building office.
- Students must wear a clean facial covering every day that covers both nose and mouth.
- Students will continue to have a remote hour at the end of the day, but all other instruction will occur at school.
- Friday, January 15 is a half day for students.
- Monday, January 19 is Martin Luther King Jr. Day (No School).

Information regarding athletic practices will be forwarded directly by coaches to the athletes when practices may resume. If you are concerned that the coach may not have correct contact information, please email Kelly Trainor at [trainor@eriemason.k12.mi.us](mailto:trainor@eriemason.k12.mi.us) and she will forward your information to the coach.

I am looking forward to our students and staff being back together and finding our way closer to resuming a level of normalcy each day. Thank you for your continued support!

If you have questions or concerns, please contact your child's principal.

Respectfully,

Kelli Tuller  
Superintendent
