

SELAH'S
CENTER
OF HOPE

Hello! Selah's Center of Hope is a professional service that is passionate about serving women and families in need. Our team is honored to serve Monroe County and the surrounding counties. Through our programs and partnerships, our goal is to help individuals overcome their obstacles and reach their fullest potential. We are here to help you make the right choices for you and your family. Our team is compassionate about creating a safe, stable, and nurturing place for you to be educated on how to care for yourself and your growing family. In our program, you will have access to mentors and client advocates who will strive to help lead you to a life of self-sufficiency.

Services

All Services are Free and Confidential
