

Athletics Administrative Report

Date: 9/07/21

Football:

The fall season is off to a great start. The football season started with a game played at Olivet College against Saranac. The team was able to get the first victory of the year and quarterback Vaughn Brown had a recorded breaking performance by throwing eight touchdown passes in the 1st half. This set the school and Monroe County record. It was also good enough to tie the state record.

The week 2 game resulted in a forfeit by our opponent due to a lack of players. The Eagles will try to remain unbeaten by taking on Fremont (IN) on 9/9.

The football stadium is looking great. Our maintenance staff and volunteers from Touchdowners booster worked together to get the facilities cleaned, painted the ticket booths and goal post. The fans at our first home event were pleased to be able to sit in our home bleachers once again.

Volleyball:

Our volleyball teams started the season by hosting a JV and Varsity tournament. 16 total teams participated in this two-day event. The Tri County Conference games start this week as the girls will travel to Britton, Deerfield and Whiteford for matches.

Cross Country:

The Cross-Country team will host the annual Frank Connelly Relay race on the first day of school. Over 15 teams will be participating in this year's event.

The boys Cross Country team will look to defend their Tri County Conference championship. We will be hosting the first league meet on 9/13.

Girls Swim:

Coach Sacha Moore and the girls swim team has overcome the adversity by starting the season by practicing at Green Hills outdoor pool. The team was finally able to use our pool for practice the last week of August. For most of the team this was their first opportunity to use the pool during their high school career. We will host our first swim meet in years on 9/13.
