

## **Advanced Art**

### **Course Description**

Honors Art 3 is designed for students to create advanced artwork using a variety of Art making processes. Students are expected to create well planned and well executed projects. Traditional Art Making techniques will be built upon and new techniques will be explored.

### **Requirements**

- Create well thought out and well-planned projects
- All projects must be documented and posted to google classroom
- Grading

### **Timeline**

- Students will have ample time to complete all projects in class by due date
- work not completed by due date may be taken home, worked on during flex, or worked on before/after school with no penalty
- Late work must be finish and turned in by the end of the marking period. Points will be deducted for each week the project is late.
