

A special
vaccination
opportunity is
available to
Monroe County
high school
students ages
16 and older.

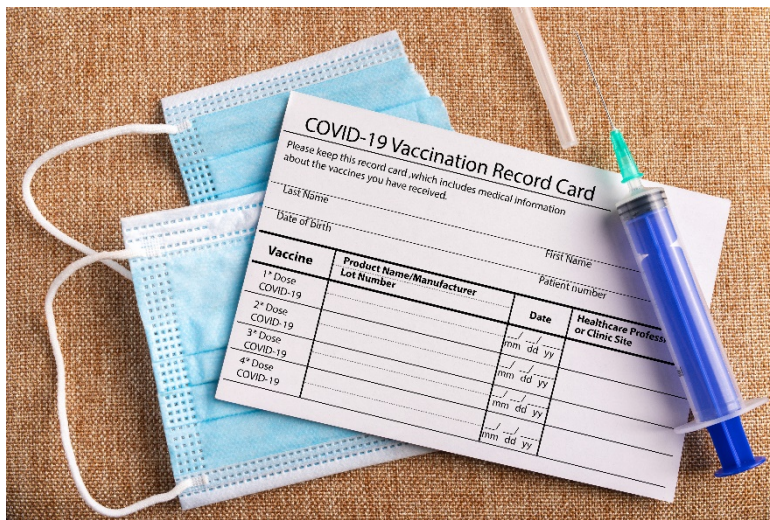

VACCINATION CLINIC

for Monroe County High School Students

SATURDAY, APRIL 17

MONROE MIDDLE SCHOOL (503 Washington St., Monroe)

“SAVE YOUR SPOT” FORM

Families in Monroe County who would like to protect their high school students (ages 16 and over) with a COVID-19 vaccination need to complete a “Save Your Spot” form to register for the Vaccination Clinic.

<https://tinyurl.com/4s9h2xj4>

After your form has been submitted, someone from the Family Medical Center will call you to schedule the appointment. Additional local clinic dates will be scheduled based on demand.

These community partners are working together to keep Monroe County students healthy!
