

Volunteer Background Check Form

Dear Potential Mason Consolidated Volunteer:

First and foremost, Mason Consolidated Schools appreciates your willingness to serve as a volunteer in our district and become a substantial and vital part of our school programs!

To maintain a safe school environment, the State of Michigan requires by law that school districts perform background checks of school employees. The Board of Education also adopted policies specifically for individuals who volunteer in the district. Background checks of volunteers are not required by law but conducted under district policy to ensure the protection of children in the care of Mason Consolidated Schools and the safety of students that may encounter volunteers during school-sponsored activities.

District policy requires any volunteer who works with or has access to students to be screened through the Public Sex Offender Registry (PSOR), the Internet Criminal History Access Tool (ICHAT) criminal history records check, and the Offender Tracking Information System (OTIS) prior to being allowed to participate in any activity or program.

All volunteers must meet the mandates as outlined in the policies as a condition of service. *Any applicant declining to complete a Volunteer Background Check form will not be considered or allowed to serve as a volunteer.*

All records are kept confidential and will not be distributed to anyone not directly involved in the screening process. The District reserves the right to perform additional background checks at any time for the duration of the volunteer's service in the District. This can be performed regardless of self-disclosure or inappropriate behavior following the initial check.

Volunteer Guidelines & Expectations:

- "Volunteer" - a person from the community who contributes their services on a regular basis without charge.
- Volunteers are assigned to help the regular staff provide better service to students.
- Volunteers shall work only under direct supervision of the designated staff member.
- Volunteers must abide by school, team, and program regulations, rules, or decisions. It is also expected that they report any violations of the regulations, rules, or decisions to the building Principal.
- Volunteers are not to make personnel decisions (i.e., disciplinary actions, etc.).
- Volunteers are not to deal directly with parent concerns and should refer all contacts by parents to the regular staff member.
- Volunteers are expected to maintain confidentiality at all times. Disclosing student information will result in the removal of volunteer privileges.
- Volunteers are not to treat injuries (except emergency First Aid) or prescribe rehabilitation programs.
- Volunteers are not to receive any compensation for their services. The experience may be added to their resume, and we will gladly provide references.
- A volunteer is personally responsible for their actions. Inappropriate conduct may result in the individual being asked to discontinue their relationship with the program.

Please complete both sides of the attached form and return it to your building administrator. Background checks will be done on an annual basis. The background check process is time-consuming; therefore, appropriate lead time must be given to ensure background checks are completed prior to volunteer service at the school or for any function conducted by the school.

Again, we thank you for your willingness to volunteer at Mason Consolidated Schools and appreciate your time and efforts in assisting the operation of the schools!

Sincerely,
Kelli Tuller, Superintendent
