

Ben Russow - Mason Middle School
Administrative Report
Date: June 17, 2026

- 58 students attended the Mud Hens game on May 27th. These students were acknowledged for being gold for the entire year for our Eagle Power program.
- The 8th grade class trip was a success. Students visited and toured the Ford Rouge Factory, Detroit Institute of Art, Little Ceasars Arena, and the Museum of Illusion.
- The 6th grade field trip took a field trip to Greenfield Village on May 29.
- On May 26th, the 5th grade students visited their 6th grade teachers and got a quick orientation of the Middle School. Relevant class and school information was shared to help with next year's transition.
- Individual academic awards for this year's 8th grade class:
 - Clifford Sterns
 - Henley Stubbleski and Jacob Tunison
 - Principal's Award
 - Madeline Kolbe
 - VFW Citizenship Awards
 - Kaylin Sachs
 - Asher Rice
- Unfortunately, due to the lack of interest and low enrollment numbers, Mason Middle has cancelled the summer school block for this year.
- Our CTE team began discussions about the layout of the new auxiliary woodshop. We are very excited to begin the development of this space to support the new middle school woodshop program. This new expansion will be supported by the 61V grant.
