DESCRIPTION:

July 16: The Purpose of Play

Play is a child's work! Children need quality play experiences in early childhood to help them learn and develop. The Purpose of Play will help parents and caregivers discover why play-based education for young children is so critical to their social, emotional, language, cognitive and physical development. This workshop will help participants learn about why play matters, discuss why children today are not having play-based experiences at home, examine the value of outdoor, sensory and pretend play experiences, learn about the skills are learned through play and learn strategies to support play experiences for young children.

Extension Extras for Professionals is a collection of free online series of childcare workshops that provide guidance for early childhood professionals and caregivers of young children. Trainings are eligible for MIRegistry hours.

HOW TO REGISTER:

Register in advance for any of the Extension Extras webinar workshops at the following link:

https://msu.zoom.us/webinar/register/WN_QCXKon3RS_CMbyd6tZZyog

Choose July 16 to register for Purpose of Play

After registering, you will receive a confirmation email containing information about joining the meeting.
