**DESCRIPTION:****February 3: What Children Need to Know to Start School**

What does it mean to be ready for kindergarten? Many parents wonder if their child is ready to start kindergarten on time or if they should wait another year. **What Children Need to Know to Start School** will help parents and caregivers learn what skills kindergarten teachers expect children to have at the beginning of school. This workshop will help participants understand the five essential domains of school readiness, understand the critical importance of social & emotional development in school readiness, and become more familiar with what skills children need to be successful in Kindergarten across all five essential domains.

Extension Extras for Parents are free online parenting workshops that provide guidance for parents of young children as they navigate the joys, challenges and concerns of parenting.

HOW TO REGISTER:

Register in advance for any of the Extension Extras webinar workshops at the following link: https://msu.zoom.us/webinar/register/WN_P0YIHZ2eRWWbHdsyDB25BQ

Choose February 3 to register for What Children Need to Know to Start School

After registering, you will receive a confirmation email containing information about joining the meeting.
