

## Mason Consolidated Schools Media Release Permission Form

Throughout the school year, students may be highlighted on social media and school newsletters in efforts to promote Mason Consolidated Schools (MCS) activities and achievements. Students may be featured in materials to increase public awareness of our school through social media, school website, newspapers, radio & TV, displays, brochures, or other types of media.

MCS will never reproduce any photographs, interviews, or likeness for any commercial value or receive monetary gain for use of any reproduction/broadcast of said photographs, interviews, or likeness.

This form will remain current for the school year, unless a Parent/Guardian contacts the Media Specialist to make changes, in which case a new form will have to be completed.
