- The Homecoming week has been a huge success so far! The Student Council led by Allen Rosenberger, have done an excellent job of planning the week's events. Everything from hallway decorating, assemblies, parade, football game, and the dance have been full of school spirit! This year's theme was Cities.
- The Freshman, Sophomores, and Juniors will begin taking the PSAT test on Thursday Oct. 30th. The results will help our teachers identify strengths and weaknesses to help plan specific interventions.
- Our first parent/teacher conferences will be on Oct. 24th from 11:30-2:30 and 3:00-6:00pm.
- Attached are PSAT, SAT, and M-STEP scores from last Spring. The spreadsheet compares our results with those schools in our county and to the overall state average. There are mixed results, some areas we are above the state and county, while some are below. We will continue to analyze the data in our PLC groups and see where the gaps are in our identified essential standards.
