- **Old Business**
 - ◆ Santa Shop: We enjoyed using the vendor to assist with this event. It was easy to order every night and get product restocked next morning. We did run out of products on Thursday but were able to pull stuff that we had left over from last year to help. We made approximately \$1100 on the sale. The challenges were having to tear down and count EVERY item left to report to the vendor that night. We will make sure to have more volunteers for that. Set-up was not too bad. Teachers LOVED the bags to gift wrap in, made it easy. Suggestions for next year include: having aides help students and bring them down in small groups of no more than 5 at a time. Only bring students that have money to spend. Would like to see if vendor can provide scanner for us to use to help with inventory and register.

- **New Business**
 - ◆ Ohio Skate Jan 16th 6-8pm: Katie will print and distribute flyer
 - ◆ Pizza Bingo Jan 31st 6-8pm: Need more volunteers specifically for concessions. Will push out to staff and put on

Class Dojo. Crystal will get flyer out for this one too.

- ◆ Valentine's Day Candy Grams Feb 5th-9th Delivery on the 14th
- ◆ Daddy Daughter Dance March 1st: Hope Chinchak is organizing it . Discussed possible themes and plan for snacks vs goody bags. Discussed cost and increasing cost for first time in many years.

→ **Teacher Liaison:** liked the Christmas sweater idea and really enjoyed wearing them. Think that more kids will participate next year as the ones that did really enjoyed it.

→ **Principal Report:** Will provide update on grants at next meeting. She suggests fundraising with a goal or purpose to strive for. She suggests that we offer cash donation option for parents that is clear. Requested to use card from script box to buy new microwave for cafeteria for kids to use at lunch, approved. Will follow up with aides for microwave use especially for 2nd grade.

→ **Audience:** Discussed how to get out information that PTA covers all busing for field trips as well as all the other support that PTA does so parents know what their fundraising and time is being used for. Will use Class DoJo, newsletters, put a statement on field trip forms, include pictures thanking the PTA for awards/recognition of fundraising on Facebook page, and school page.

Discussed Venmo and how to create PTA one for non profit status. Still continuing to discuss.

→ **Gift Card Drawing:** Mrs. Oberski winner and will receive tomorrow from Mrs. McCain

→ **Motion to Adjourn:** 1st: Hope Chinchak 2nd: Katie DeSloover
