

**Ben Russow - Mason Middle School**  
**Administrative Report**  
**Date: June 18, 2025**

- The Clifford Sterns award defines many important characteristics that highlight the student – athlete. Leadership, character, confidence, hard-working, loyalty and resilience are all qualities that both of our recipients display throughout their daily lives. These 2 students have represented their community, their school, and their families in the most honorable way. Based on the votes from our coaches, the recipients of this year's Middle School Clifford Sterns Awards were Cole Cousino and Karlee Frank.
- The winner of this year's "Principal Award in Leadership" has demonstrated many important leadership qualities over her Middle School Years. She shows compassion and support for her classmates and is always willing to lend a helping hand around school. She displays an endless amount of school spirit and is constantly working to better herself, her school, and the people around her. She cares about her classmates, her teachers, and her school, AND she works hard to make this the best place it can be. The winner of this year's award is Alivia Cowdrey.
- Summer School will begin on Monday, July 21st. We will have lab sessions open for our students who failed a core class for the semester. Mr. Simmons will be running the labs and handling accountability measures for our students.
- I am very proud of the work our 1<sup>st</sup> year teachers have accomplished this year. Jenna Hausfeld, Jacob Siebert, and Hannah Sugg have all demonstrated tremendous growth in year 1. We look forward to seeing them excel as they progress year to year.
- A special thank you to our 8<sup>th</sup> grade teachers for hosting and leading a successful 8<sup>th</sup> grade field trip this year. Students represented Mason very well and overall, was considered a tremendous success.
