

Athletics Insurance Waiver Form

Parents/Guardians of Erie-Mason Athletes:

By participating in sports, your child is exposing themselves to athletic injury. Mason Consolidated Schools does not provide accident insurance to participants in their sports programs. However, we do require that all participants be covered by some form of insurance.

Please fill out the following information and return it to your child's coach:

☐ We have accident insurance for our child.

Name of company: _____

☐ We are purchasing an insurance plan outside of the school. When this is completed, we will inform the school of the insurance plan.

We realize that Mason Consolidated Schools is not responsible for the cost of injuries or the cost of rehabilitating injuries and that our child cannot participate in the sport program at Erie-Mason without accident insurance for our child.
