DESCRIPTION:

November 3: Setting the Stage: Promoting Social-Emotional Health in Young Children

Social and emotional development, a critical aspect of overall brain development, begins at birth. Social-emotional skills are nurtured through daily routine, language and play. They are the foundations of social competence that affect a child's ability to adapt in school and to form successful relationships throughout life. Learn about social emotional health, activities and resources that promote social emotional health, and explore ways to provide an environment that is responsive to social emotional health.

Extension Extras For Parents is a free online series of parenting workshops that provides guidance for parents of young children as they navigate the joys, challenges and concerns of parenting.

HOW TO REGISTER:

Register in advance for any of the Extension Extras webinar workshops at the following link:

https://msu.zoom.us/webinar/register/WN_IFnjs5SPRiS2knx45I4ePQ

Choose November 3 to register for Setting the Stage

After registering, you will receive a confirmation email containing information about joining the meeting.

*** Accommodations should be requested no later than 2 weeks before class**

Michigan State University Extension programs and materials are open to all without regard to race, color, national origin, gender, gender identity, religion, age, height, weight, disability, political beliefs, sexual orientation, marital status, family status or veteran status. Persons with disabilities have the right to request and receive reasonable accommodations.
