- Congratulations to our student council officers: President: Camden Harman, Vice President: Mya King, Treasurer: Savanna Hammond and Secretary: Lila Pierce. The student council will help run and organize the mock election on November 5th!
- Parent teacher conferences held on October 24th went very well. We had an overall 89% turnout. Teachers are still making attempts to contact parents via phone for a conference to hit the 100% mark!
- The first trimester ends on November 27th and report cards will be sent home on December 4th.
- The DTE THINK Energy program will be held on November 18th in fourth grade.
- The PTA is sponsoring the first Scholastic book fair the week of November 18th.
- The teachers will attend a half day grade level training with the Into Reading trainer November 19-20-21. This is our second-year implementation of the Into Reading Program.
- On the grant side of my position.... Mason Consolidated has been selected for an MDE on-site review March 11th. I will be busy preparing for the review the next four months. Our last review was approximately 27 years ago, so it was our turn for the audit of the Title I, Title II and Title IV programs and spending.
