

Vision Care

The Exchange Club of Monroe offers assistance to Monroe County students who need eyeglasses but lack insurance or face financial barriers. We're committed to ensuring every child has the tools they need to succeed—starting with the ability to see clearly.

If you encounter a family without optical insurance and/or lacking financial resources, and a student in that family needs eyeglasses, please refer the parents or guardians to complete [this application](#) or scan the QR code provided.

*Once the application is received, The Exchange Club of Monroe Child Services Committee will review the request and notify the parents or guardians regarding potential available assistance.
