

ADDENDUM 1

Mason Consolidated Schools

Project: 2025 Filter First Fixture Replacement and Installation

Bid Due Date: 12:00 PM July 30, 2025 (unchanged from original)

Addendum: Additional Information requested from the Non-Mandatory Pre-Proposal Meeting on July 15, 2025

Clarification on Worker Background Check

Criminal background checks for all employees on this project are required for this project. Accepted background checks are accepted from IdentiGO or any other company listed on the following site: www.michigan.gov/msp/services/live-scan-vendors

Upon completion of the background checks, Mason Consolidated Schools is to receive copies of the LiveScan, Michigan waiver, and disclosure forms.

Again, any employee on the Filter First Fixture Replacement and Installation Project that will be working in the schools **must** have a criminal background check at the owner's cost.
