

VFW Post 1956 will be at The 2nd Annual Amber Waves of Grain Craft Beer Festival this Saturday November 4th. Amber Waves of Grain Craft Beer Festival is organized by veterans for veterans and is designed to bring together craft beer lovers with veterans. This year approximately 40 Microbreweries will be supporting this event by donating all beer being poured. A living Veteran history museum will be created where students, families and individuals can interact with a Pearl Harbor Survivor, an Iwo Jima Veteran, WWII Veterans, Korean War and Vietnam War Veterans. Please stop by and visit. For monetary contributions follow this link [www.vfw1956.com](http://www.vfw1956.com) . Your generous monetary contributions will help in providing services for unmet needs to our transitioning local Veterans and their families
