The Noce Travertine collection is a wonderful collection to use as flooring to a room. The brownish color of these tiles will be great at hiding dirt and other imperfections that come with daily living.

Our silver travertine collection is a unique looking collection that offers an old classic feel. This collection would look great as a back splash or all over walls. It will add a vintage look to a room! Silver travertine comes in three mosaics and many different tile sizes so there are plenty of looks you can choose from!

TRAVERTINE PHILADELPHIA

The Philadelphia Travertine collection is a unique one! For those of you who want something different or more rustic looking than this is the collection for you! These tumbled tiles are a little rougher around the edges and will give your walls that gorgeous rustic look!

VOLAKAS

Volakas is a marble tile you can't go wrong with. This special tile would look amazing in a bathroom or kitchen. The light color of the tile will open up your space and make it look brighter and bigger!

Color and tone variation is one of the main characteristics of marble. Volakas has high variation. Please request pictures of the current lot before ordering.

CUSTOM ORDERS

Picture of Waterjet Machine creating a custom Mold for special order Basket Weave

- WATERJET CUTTING
- WATERJET FABRICATION
- CUSTOM MOSAIC FABRICATION
- CUT TO SIZE
- CUSTOM FINISHING & HONING
- BULLNOSE AND FINISHING PIECES

Bring your projects to life and create a piece that really speaks for you. Our in house machinery can turn your visions into reality and all within a timely manner! The possibilities are limitless to what you can create! Unleash your inner artist and create something breathtaking!

LOCAL FABRICATION, QUICK TURNAROUND

Mosaic Machines are available for quick fabrication of your Custom Mosaic.

- CHOOSE MATERIAL AND FINISH
- CHOOSE A DESIGN
- SPECIFY SIZE OF SHEET NEEDED
- SPECIFY GROUT JOINT IF NEEDED
- YOUR CUSTOM MOSAIC WILL BE
- FABRICATED TO YOUR SPECIFICATION

Here are a few examples of custom designs available. Reach out to your Sales Rep if you need other options to choose from.

SOME OF OUR IN HOUSE MACHINERY

WATER JET MACHINE

Our water jet machine is capable of cutting a wide variety of different materials and thicknesses. This machine uses high pressure jet of water to cut intricate designs and shapes in very precise manner. Both Tiles, slabs and wide array of materials can be cut with this type of machine.

FINISHING MACHINE

Our finishing machine can create custom finishes such as honed, polished, brushed, striated, etc. Calibrating and fixing thickness issues are easily solved with this machine quickly and efficiently.

SIZING MACHINE

Our tile cutting and sizing machine is able to cut any tile, including thin glass. This machine will be able to cut your tiles to your required size and shape! Call your sales rep whenever you need a tile size that is not available.
