Add 1 Color For Underbase

How To Estimate Your Printing Cost

Example: If you have 150 pieces with a one color imprint + base on the front and a two color imprint + base on the back the cost would be $\$2.23 + \$2.47 = \$4.70$ per imprint (Additional fees may apply)

Flash Cure: \$0.16 One flash for one color printing on dark colored garments. Three screens or more on a white shirt will be one flash charge.

Flash Cure: \$0.32 Two flashes for two or more colors printed on dark colored garments.

Additional Charges apply if you have color changes, special inks such as metallics, neons, waterbase, or oversized prints

Color Change: \$12.50 per color

Specialty Inks: 75¢ more per color

Oversized Prints: \$30 per screen for setup and the imprint cost is doubled

Foil: Additional \$5.00 per print

Individual Numbers: 8" \$2.50 per digit, 4" \$1.50 per digit (Add \$0.50 per number for two-color numbers)

Individual Names: \$5.00 per name, \$8.00 per name with extras

Glitter Heat Press: Additional \$7.50 per imprint

Supplied Heat Press: \$2.50

Simple Art (Basic Designs): Start at \$45.00, this includes up to 3 design options and 2 sets of changes.

More involved art pricing should be discussed before any work begins.

Sample Print: \$25.00

Rush: \$50.00 or 20% of total amount due, whichever is greater

3.5% Credit Card Processing Fee

Artwork File Prep: \$50.00

Bagging Fee: \$0.50 per bag.

Production Time: 7-10 Business days from the day the order is approved for print & PO or payment have been received. All orders that have been approved for print will be placed on hold until PO or payment have been received.

Large Format Printing Costs: \$25.00 Minimum, \$12.50 per square foot

Coroplast Yard Signs: \$12.50 ea. (includes printing and aluminum stand)
