# ABOUT US

## Our history

Founded in 2015, Spirits Cabinetry built a strong history in the kitchen and bathroom cabinetry business. Our journey began with a passion for great-quality products at a fair price, and a commitment to delivering excellence.

Over the years, we've grown from a small startup into a thriving cabinetry leader. We've overcome challenges, adapted to changing market dynamics, and expanded our offerings to meet the evolving needs of our valued customers.

In 2026, our brand evolved into HomePro, a new name that reflects where we're headed, while keeping the same essence that brought us here. The same team, the same standards, and the same dedication to innovation, quality, and customer satisfaction, now with even more possibilities to support every project.

Today, we stand as a trusted and respected name in the cabinetry landscape, serving a diverse range of clients across Florida. As we look to the future, our commitment to excellence remains unwavering. We're excited to continue this journey as HomePro, Your Partner in Every Project.
