townofalameda@sasktel.net

The Town of Alameda invites applications for a seasonal position in the Public Works Labourer.

The team player we are seeking reports directly to the Public Works Foreman. The position involves duties relating to general maintenance, operation and service of municipal equipment and infrastructure and may include operation and maintenance of the water and wastewater systems.

Qualifications required are;

- Grade 12 education or GED
- Valid class 5 driver's license (accompanied by drivers abstract)
- Operation of equipment to a high degree of quality, including but not limited to a grader and tractor
- A minimum of three years' equipment operation and road maintenance experience would be a definite asset
- Possess good public relation skills and be self-motivated
- Ability to work in an outdoor environment - heat, cold dry, dusty and/or wet

General Duties;

- Mowing
- Perform minor servicing and maintenance of equipment
- Perform labour duties associated with, but not limited to, culvert and sign installations, road patching, grass and yard maintenance, water and sewer line repairs and maintenance.
- Everyday plus weekend work may be required
- Duties to be assigned by foreman
- 30-40 hours a week that includes water testing, hours dependent on as needed basis.

Closing Date: Tuesday, August 3rd, 2021, no later than 4:00 p.m.

This competition is open until a suitable candidate is found.
