

2022 Property Reinspection Notice

SASKATCHEWAN ASSESSMENT MANAGEMENT AGENCY

Town of Alameda July 19th to August 13th, 2021

SAMA appraisers will be in your community beginning on the date listed above.

Over time, property assessments become dated because of changes to the property and gradual wear and tear, that are not identified through an annual maintenance review. The General Reinspection Program undertakes to review each property to re-establish a uniform base of up-to-date property records for the municipality.

During these uncertain times, SAMA is conducting on-site field inspections in such a manner as to protect the health of the community and its staff. Staff will be observing appropriate distancing measures along with the use of masks if interior inspections of commercial properties are required. Residential properties will be inspected from the outside only.

Any assessment changes as a result of the reinspection will be effective for January 1, 2022.

SAMA's goal, starting in 2018, is to reinspect every property in the province on a 12-year cycle.
