

Telemedicine & RX

Let us help save you time and money! \$0 Copay for telemedicine visits 24-7/365. \$0 Copay for 37 most common Prescriptions written by telemedicine doctors. Instant access to doctors will cut down on time getting to the doctors office related to minor health issues. We also now include access to virtual counseling, psychologist and psychiatrists for low additional fees!

How It Works

-  **Connect**
Patient calls a dedicated toll-free number or logs on to their member portal to schedule a **\$0 cost** consultation with a physician licensed in their state.
-  **Consult**
Member consults with Physician who recommends a treatment plan. If a prescription is necessary, it's sent to the pharmacy of your choice. The 37 most common telemedicine prescriptions are **\$0 copay!**
-  **Care Continuity**
The doctor will update the member's EHR immediately after the consultation. The patient has 24/7 secure access to their member portal.

24/7 access to Physicians:

- **\$0 Consultation Fee**
- U.S. licensed general practice physicians and board-certified specialists
- Doctors providing telephone, video and/or secure email medical consultations

Physicians consultations provide:

- Immediate answers to medical questions
- Discussions of symptoms, treatment recommendations, diagnosis of common conditions, and prescriptions when appropriate
- Medically equivalent care
- The 37 most common telemedicine prescriptions are \$0 copay!
- All other prescriptions will still be discounted!

Behavioral Health

Caring for Mind and Body We're here to help

Choose the mental or behavioral health solution that's right for you.

Virtual Counseling*

Consult with a Master Degreeed Counselor. The amount of counseling sessions will be clinically appropriate based on the issue. This program is for short-term problem resolution, referral, and crisis intervention services.

- Death of a Loved One
- Relationship Issues • Parenting Issues When to use • Substance Abuse • Depression • Stress & Anxiety

Virtual Psychologist Service

Service Speak with a licensed Psychologist for one-to-one session(s) to assess your symptoms and evaluate your medical, psychiatric and family history to determine a productive treatment plan.

- Life Changes • Grief and Loss
- Relationship Issues When to use
 - Depression • Addiction
 - Stress Management

Virtual Psychiatrist Service**

Connect with a U.S. based, board-certified Psychiatrist who can diagnose, treat, conduct psychotherapy and prescribe medications for a range of mental health disorders, as necessary.

- Panic Disorders • Bipolar Disorder • Addictive Behaviors

*Counseling call centers are available 24/7 to assist with in-take information and advise on how to schedule your appointment with the counselor. Number of times you or a family member may call in for a different issue/problem is unlimited. Each issue will be handled separately, and the number of counseling sessions will be determined as clinically appropriate. This program is for short-term problem resolution, referral, and crisis intervention services. If you are experiencing an emergency, call 911, or go to your nearest emergency room. **MyTelemedicine does not guarantee that a prescription will be written. MyTelemedicine does not prescribe DEA controlled substances, lifestyle drugs and certain other drugs which may be harmful because of their potential for abuse.
