BACKGROUND

My name is Cruz, and I'm in 9th grade. I'm a Maryland native who relocated to Florida last fall to train and race year-round. I threw my leg over a bike for the first time 10 years ago and haven't looked back! When I'm not on the track (which isn't often), you can usually find me hitting the books for school. My goals for 2026 are to race the Amateur Nationals and compete in more Florida race series.

I'm dedicated to my passion for racing and to helping kids who are battling illness—I'm a proud 7-year supporter of St. Jude Children's Research Hospital.
