An Update from
Steve Johnstone
Zone 4 Vice President

2019
ZONE 4 SKEET CHAMPIONSHIP
iShoot

Hello Zone 4 Shooters,

I wanted to give all the Zone 4 shooters an update on the 2019 Zone 4 Championships coming in August. We have been hard at work preparing for the event and focusing on making it an even better experience this year. You know like everything else when you have hundreds of people who participate, you just simply cannot meet everyone's expectations. However, I believe that we continue to make improvements every year as we grow more accustomed to the new iShoot format. I personally believe that going to the iShoot format has been a tremendous success for our zone, and we have grown participation each year. The incredible thing is the number of first-time attendees we have added each year, which is vital to sustaining our sport.

This year we will have a host site in each of our member states and Puerto Rico. I'm very excited that South Carolina will have a site this year and want to Thank Randy King for his work in securing Partridge Creek Gun Club. We also have a new site in Georgia as Pinetucky Gun Club joins the fold. I would like to ask that you all remain patient with us as we continue to learn the best way to manage this new format. We have learned a great deal over the last couple years, and hope we can be more flexible next year with site locations. It is so much better now than it was with a single site, even though we cannot shoot shoulder-to-shoulder and party together. The host sites for this year will be:

(You can register to shoot at one of the following clubs)

Alabama - Fort Rucker
