### IMPORTANT – PLEASE READ CAREFULLY

Please check your classes and entries carefully before leaving registration!

Any shooter who is misclassified or incorrectly entered/not entered in an event and not corrected prior to shooting will forfeit all Medals and Option monies for that event. The class will be corrected, but no further action will be taken.

IT IS THE SOLE RESPONSIBILITY OF THE SHOOTER TO VERIFY ALL ENTRY INFORMATION BEFORE LEAVING THE REGISTRATION AREA.

### Eligibility and Classification

1. All participants must be current members of the NSSA and be a resident within Zone 4.
2. Shooters must present their classification/shoot record card with all scores shot prior to current date properly and legibly recorded.
3. Eligibility for AAA class will be determined on the basis of average at the last classification or reclassification of the appropriate gauge.
4. Teams are not required to shoot shoulder-to-shoulder.
5. A participant's HOA class will not be lower than his or her lowest gun class.

### Registration

1. Participants are highly encouraged to pre-register online at <https://ishoot.zone4.org/isreg>
2. On-site registration hours are as follows: Friday, July 31st, 11 AM–6 PM. All other days, 8 AM.
3. Shooters participating in fewer than the entire 4-gun Program will be scheduled as near to requested times as possible, but must be accommodated at the convenience of the shoot management by necessity.
4. Entry for any HOA event requires registration and payment of entry fees for all involved events prior to firing in the first gauge of the event the shooter wishes to enter.

5. There will be no refunds for withdrawals, except in the case of extreme emergencies. There will be no refunds for withdrawal or cancellation due to adverse weather conditions.
6. Anyone entering an event for which they are not eligible will not be given a refund if the error is not discovered until after they have shot the event.

### Shooting Procedures

1. Current NSSA rules will be used throughout the tournament, unless otherwise stated in the program or posted in the registration area.
2. All events will be shot 100 targets on a field using the flight system. Each flight will have one and a half hours to shoot 100 targets. Each flight will start on time, and in the case of breakdown, slow squad, etc., shoot management reserves the right to move the squad to a practice field. Any squad or shooter not ready when called will be placed on a space available basis. If space is not available, the squad or shooters will not be able to shoot the event. No refunds will be issued in these cases.
3. All changes to a squad line up must be made at registration prior to shooting the event. Any changes made on the field without the permission of shoot management will result in disqualification of those participants for that event.
4. Shooters will provide their own proof shells.

### Shoot-offs and Ties

Shoot-offs will be held as soon as possible after the completion of the last event of the day. It is the responsibility of the shooter to determine the shoot-off in which he or she may be involved on any particular day. The shooter forfeits all rights if absent at the time the shoot-off is called. In the event of impending darkness, ominous weather conditions, breakdowns, or other reasons which would make the conduct of regulation shoot-offs unadvisable, the shoot management reserves the right to substitute any procedure that it may deem desirable, and notice of such changes will be given as soon as possible.
