Florida Skeet Association Newsletter

Greetings Florida Skeet Shooters,

This past month the Mini World and World Skeet Championships were hosted at the National Shooting Complex in San Antonio, Texas. Many of our Florida shooters competed. All the results can be viewed at the following link. [I-Shoot - iShoots](#)

In addition, our own Buc Buchanan was in San Antonio as both a referee and an award recipient. At the 53rd Annual NSSA Hall of Fame Banquet, Buc was inducted to the Referee Honor Role for his outstanding service as a referee at many World Championship events over the years. Buc also accepted an award on the behalf of the Jacksonville Gun Club as one of the 3 "2023 large clubs of the year". Congratulations to both Buc and the Jacksonville Club!

As we enter the Fall we have already had several terrific shoots. The results of these shoots can also be found at the following link. [I-Shoot - iShoots](#)
