CHALLENGES FACED

The socio-economic barriers and stigma associated with homelessness and poverty were daunting, but our faith and dedication allowed us to persevere.

FUTURE PLANS

1. **Expand Outreach Programs:** We aim to reach more homeless individuals by broadening our scope and increasing the number of people we can assist.

2. **Facilities for the Homeless:** Our goal is to provide homeless individuals with facilities similar to those enjoyed by others in society. This includes access to sanitation, hygiene products, and regular health check-ups.

3. **Nutritious Food and Quality Clothing:** We plan to enhance our food distribution efforts by offering nutritious meals and ensuring that those in need receive warm, quality clothing suitable for all seasons.

4. **Temporary Shelters:** To protect the homeless from harsh weather conditions, we intend to establish temporary shelters. These shelters will offer a safe and secure place for individuals to stay, protecting them from rain, sun, and winter cold.

5. **Healthcare and Support Services:** We will provide medical care and counseling services to address physical and mental health needs, promoting overall well-being.

6. **Long-Term Solutions:** We aim to offer job readiness workshops and vocational training to help the homeless find sustainable employment. Additionally, we will work towards providing permanent housing solutions.
