

The People Behind the Par

Take a step inside Extreme Indoor Golf, and you'll discover a story that began with a simple dream back in 2011. That's when Leo and Crissy, two passionate golf enthusiasts, decided to bring year-round golf to London by opening the city's first indoor golf simulator. Little did they know their venture would grow into something extraordinary.

What began as a modest setup with a single simulator has evolved into a premier destination for golf lovers across London. Success was built on a genuine love for the sport and an unwavering dedication to fostering community. The indoor golf league quickly became the talk of the town, drawing players from all skill levels and walks of life.

The facility has evolved dramatically since those early days. In 2019, the space underwent a complete transformation – fresh paint on the walls, cutting-edge technology installations, and a revamped kitchen that elevated the entire experience. When our team took over leadership in Summer 2024, we immediately initiated another wave of exciting changes to take the experience even further.

Today's Extreme Indoor Golf showcases our commitment to honoring the founding vision while bringing fresh energy to the space. You'll find a sophisticated full-service bar serving up creative cocktails and local favorites. Between rounds, unwind in our new games area where friendly competition continues off the green. The newly added lounge space provides the perfect spot to swap stories about that almost-perfect drive or plan your next visit. And of course, our simulator technology remains at the cutting edge, ensuring every swing feels just like you're out on the course.

Under the new management, we've maintained the welcoming atmosphere that made this place special from day one. Our team carries forward Leo and Crissy's legacy of exceptional service while adding our own touch of innovation and excitement. Whether you're a seasoned pro looking to perfect your swing or a curious newcomer ready to try something different, you'll find your place here.

From state-of-art simulators to our popular year-round golf league, from creative cocktails to delicious bites, we've inherited more than just an indoor golf facility – we've become stewards of a community. As the new owners, we're excited to build upon the strong foundation while taking Extreme Indoor Golf to new heights. We're creating a space where golf brings people together, no matter the season or weather outside. Come join us at Extreme Indoor Golf. There's always room for one more in our community, and we're thrilled to write this next chapter together.
