

# Margaret's Prayer Letter

June 2021

Dear Friends,

Hopefully, the pandemic is on its way into the history books and out of our lives. I think we all should have a massive mask-burning ceremony!

My calendar is filling up, and I am excited about seeing old friends and meeting new ones. I am grateful for friends who are traveling with me on longer trips to help drive. Of course, I fly to really long ones. My heart's desire is to please the Lord in ALL things.

I want to tell you about a very exciting time I had a couple of weeks ago visiting two nephews and families in Washington State. I had not seen them in about 7 1/2 years.

Brent & Lola Stringer with Katie, Zoey, and Libby. John and Darcy Stringer with Sadie and Samuel. Son Shawn lives in Texas, so I didn't see him. Daughter Jenna Kaye with husband Kyle, Barrett, and Blaire.

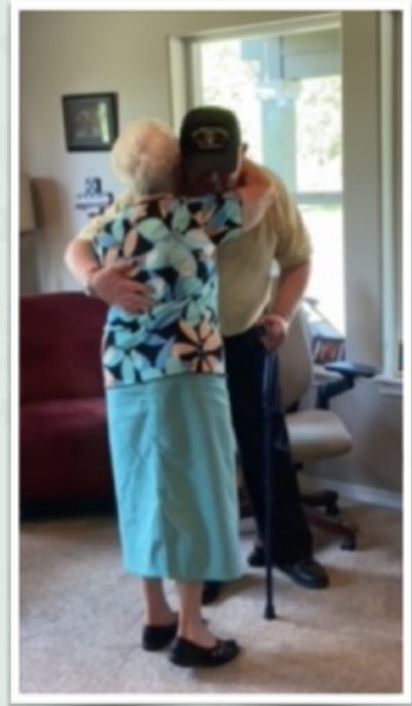

They all blessed me with one exciting evening. Don Better was one of our pilots who married Phyllis just before I went to the field. When I arrived on the field, I took her place in the Mimika tribe. Don died about a year ago. lola is good friends with her daughter, Amy.

At Don's funeral, lola met Jim and Muriel Harris. Jim was the helicopter pilot who flew me into Vakabuis on that very memorable day in 1980. He was the one the people thought was the Creator! They live about 3 hours away from lola.

My sweet family planned one exciting evening with Phyllis, son John (who is also a pilot), wife Amy, and Jim, and Muriel Harris!! I had seen Phyllis and Don when I was there 7 1/2 years ago but had not seen the Harrises for over 35 years. What a blessed reunion! There were 18 people there.

We talked and talked, reminisced, and laughed all evening. It was an exciting time, and I felt so blessed to get to be with all of them and remember the past blessings on the field. A bit of what heaven will be like when we all get together forever. Thank you, lola, and all who made that possible.

## Upcoming Meetings

I have upcoming meetings in Arizona, North Carolina, Illinois, Texas, Georgia, and Tennessee.

A friend and I are volunteering at The Ark for a week in August!

*I love each of you for your loving support and prayers, and I pray that God will call young people into missions through my ministry.*

*Because of Grace,  
Margaret*

But we have this treasure in earthen vessels, that the excellency of the power may be of God, and not of us.
