

Dear Friends,

My good friend, Mrs. Judie Noyes, and I volunteered for a couple of weeks every year for five years at The Ark Encounter. While there, we would take a day to visit the Creation Museum. My highlight there was the Planetarium.

Several weeks ago I was running errands here at home in S.C. and thinking about God's beautiful creation. My mind went back to the Planetarium. Thinking about all the myriad of galaxies with their millions of stars, and the earth was just a very tiny, almost invisible spot. I am on that tiny spot and it would take a high-powered NASA telescope to find me.

*However, the One who made ALL of that knows my name!
He knows the number of hairs on my head.*

What a God we get to serve!

*“But we have this treasure in earthen vessels,
that the excellency of the power may be of God,
and not of us.”*

2 Corinthians 4:7

Still Serving the King

Since my last letter way back in March (Time flies when one is older!), besides various meetings around home, I have had meetings in N.C., Arizona (visited my brother, Stan, when there), TN, Ga., Ala., Ill., and Manning, SC. I will be traveling to TN, NC, and Maine before the end of the year.

My health is good for an almost 87-year-old. Dying should not be a big deal. I almost did it a couple of years ago, so have had a preview. However, living as one gets older is hard! As aches and pains take over, strength takes flight, but God is more precious as we near the day when we will see Him face to face. I look forward to that day.

*“God is more precious as we near the day
when we will see Him face to face.”*

Thank you for your love, prayers and friendship.

Serving the King,

A PRAYER REQUEST FOR BERNARD

You may remember that in my last letter I introduced Bernard Bagasu, the pastor of the main Citak church. There are seven churches, and Bernard is the overseer of six of them. I have enough funds to send \$200/month to him through January 2027.

Will you pray about helping with this?
