# Trans Allyship Checklist

- Educate yourself: don't rely on trans folx as educators
- Everyone's journey is different: no one story is the same
- Pronouns - include them in your bio, introductions, etc.
- Respect people's validity, stories, and experiences
- Sometimes people's terms change, and that's okay
- Speak up, but not over - lift the voices of those ignored
- Use gender inclusive pronouns and language regularly
