### President's Message

Greetings to all VAA members,

As we turn the page into a new year, I want to take a moment to reflect on the incredible journey we shared in 2025. From inspiring exhibitions and workshops to the friendships strengthened within our community, last year was a testament to the creativity, dedication and passion that define the Valley Art Association. Together, we celebrated artistic achievements, welcomed new members, and expanded opportunities for learning and collaboration.

Looking ahead, 2026 promises to be just as vibrant. We are already planning exciting programs, exhibitions and community events that will continue to showcase the diverse talents of our members. This year, we aim to deepen our connections, broaden our reach, and create even more spaces where art can flourish and inspire.

Thank you for being part of this journey. Your energy, ideas and support make the Valley Art Association not just an organization, but a thriving family of artists and art lovers. Let's carry the momentum of 2025 into the New Year and make 2026 a year of growth, creativity, and shared success.

Warm regards,  
Donna B. Crow

## VAA Member News

**Some Announcements from VAA Board members Hal & Donna Mason:** We would like to thank everyone who honored us at the VAA Holiday party on December 14<sup>th</sup> at Café Roma! Your generosity was very much appreciated, and we look forward to another fun and productive year at VAA!

We would also like to announce that we have received notice that VAA will again be receiving funding from the Maryland State Arts Council's Creativity Grant for Fiscal Year 2026! Thanks to everyone for all that they have done to make that possible! This will help VAA continue their mission of promoting the arts and artists for another year, and without raising membership fees for its members!

We would be remiss if we failed to thank the VAA members who worked at the chilly City Park Lighting event on December 5<sup>th</sup>! Also, thanks to VAA members who helped with the planning of VAA's participation that night. Special thanks to the City of Hagerstown Parks & Recreation for providing a heated and well-lit tent for the VAA's children's art activity! The crowds numbering in the hundreds (maybe even thousands) really seemed to enjoy this wondrous night of holiday lights and fun!
