

Pre-made "Phone Beds".

To make these last longer, print and laminate or have students laminate their own with packing tape.

Pre-made "Phone Beds".

To make these last longer, print and laminate or have students laminate their own with packing tape.

“Phone Bed” Template - for students to decorate a dedicated cellphone placemat for their phones at night. To be placed FAR from where they sleep. These can have images, positive messages, goals, etc..
