### Services

#### Manuscript Evaluation

Let us evaluate your manuscript. We will consider works of fiction of less than four hundred pages in the following genres:

Literary & Contemporary Fiction

Fiction by Diverse Authors

Young Adult Fiction

Step one: State your genre, target audience (s), approximate word count, and a hook of seventy-five words or less introducing your book.

Step two: Upload the first five chapters of your book. (Go to author page to submit)

#### Light Proofing

First, run your work through the Word Document Editor. It does a pretty good job, but may miss some things, and not be cognizant of your writing style. If you have done this and wish us to also take a look, we'll do so. If you require heavy proofing, go to the author page for a list of resources.

#### Editing

If your book is accepted for development, we will work closely with you to make it ready for publication.
