

JAMESBURG

WRESTLING

To Our Community,

The Jamesburg Indians Youth Wrestling Club, located in the heart of our community, is a youth wrestling club dedicated to fostering folk-style wrestling skills, teamwork, and community engagement for our residents and neighbors. Founded in 2012, our program includes training and competition for both boys and girls of all abilities, experience levels, and weights starting at age five all the way to those who are in the eighth grade. Our team of coaches are comprised of volunteers dedicated to promoting the sport and giving back to our community. In addition to our hometown youth, we welcome wrestlers from surrounding communities. We are a local youth sports team with big aspirations, we are seeking the support of local businesses to help make our team's journey a continued success!

Jamesburg wrestling provides children the opportunity to train as an athlete while building self-confidence and learning the importance of good sportsmanship. Academics come first, as our coaches and parents require our athletes to keep their grades up. Through team building, hard work, and positive reinforcement, our wrestlers develop pride in their tribe as it gives them a positive outlet to thrive in friendly competition. We have learned that if we set our minds on a goal, with the hard work we put in on the mat four nights a week training and practicing, we can achieve anything!

Our program has helped athletes achieve numerous local, regional, and state accomplishments, making it a renowned program in the state of New Jersey. This past year, our middle school team went undefeated, took second place in the Middlesex County Small School competition, and had nine medalists in the county tournament. As wrestling has grown in our community, so has the need for new equipment and uniforms. Since we are solely self-funded, we rely heavily on fundraising and the generous support of our community to help cover in-season costs. We are reaching out to invite your business to become a sponsor for our team. Your sponsorship would provide us with much-needed supplies, uniforms, and cover registration fees, helping us to ensure that every player can participate regardless of financial background. In return, we offer various sponsorship benefits.
