

Jamesburg Wrestling Summer Clinic Addendum: Parental Attendance Policy

We at Jamesburg Wrestling are committed to providing a safe and nurturing environment for all participants in our summer clinic. In order to ensure the well-being and optimal learning experience for our young wrestlers aged 4-8, we have implemented a parental attendance policy on Wednesday nights.

Parents or legal guardians must accompany their children aged 4-8 to practice and be present at the summer clinic at all times on Wednesday nights. This policy is designed to ensure the safety, supervision, and appropriate engagement of our young wrestlers during their training sessions.

The parental attendance policy aims to create an environment where parents can actively support and participate in their child's wrestling journey. By being present, parents can observe their child's progress, encourage their efforts, and provide any necessary assistance during the practice sessions.

We understand that certain circumstances may arise which prevent a parent or legal guardian from attending a Wednesday night practice. In such cases, we kindly request that you inform the coaching staff in advance, and make appropriate arrangements for another responsible adult to accompany your child for the duration of the practice.

It is important to note that the parental attendance policy also serves as an opportunity for our coaching staff to evaluate the suitability and readiness of each young wrestler for the workouts. If a child is deemed unfit or unprepared to participate in the training sessions, the coaching staff reserves the right to ask the parent or legal guardian to postpone their child's involvement until the following year. This decision will be made in the best interest of the child's safety and overall progress.

We firmly believe that parental involvement plays a crucial role in fostering a positive and supportive atmosphere for our young wrestlers. By adhering to this policy, we can collectively ensure a successful and enjoyable experience for all participants in the Jamesburg Wrestling Summer Clinic.

Thank you for your understanding and cooperation. Should you have any further questions or concerns regarding this policy, please do not hesitate to contact our staff. We look forward to an exciting and rewarding summer clinic for your child!

Sincerely,

Jamesburg Wrestling
