

DISCIPLESHIP / MENTEE APPLICATION

Daughter of God Discipleship

You were never meant to walk with Christ alone.

Biblical discipleship is an intentional relationship in which another woman walks alongside you as you grow in knowing Jesus, understanding His Word, prayer, obedience, and putting your faith into practice. Your discipler is not your savior, therapist, or replacement for your relationship with God. Her role is to encourage you, pray with you, point you back to Scripture, lovingly challenge you when necessary, and walk alongside you as you learn to follow Christ more faithfully.

"As iron sharpens iron, so a man sharpens the countenance of his friend."
— Proverbs 27:17

This application helps Daughter of God Discipleship understand where you are in your walk with Christ, what kind of support you are seeking, and how we may prayerfully match you with a discipler. You do not need to have everything figured out. Please answer honestly and share only what you are comfortable sharing.
