

DISCIPLER INTEREST & APPLICATION

Daughter of God Discipleship

Discipleship is intentionally walking alongside another believer as she learns to know Christ, understand His Word, obey what He has commanded, grow in prayer, and become equipped to help others follow Him. A discipler does not replace Christ, Scripture, the local church, or professional care. She points another woman toward Jesus while remaining teachable and accountable herself.

Our foundation - Matthew 28:19-20

Jesus commands His followers to make disciples, baptize them in the name of the Father, Son, and Holy Spirit, and teach them to observe all that He commanded. This application focuses especially on that responsibility: helping women become obedient followers of Christ.

Before completing this application, please pray. Serving as a discipler means accepting responsibility for how you handle God's Word and how you influence another woman's walk with Christ. We are not looking for perfect women. We are looking for faithful, teachable women who love Christ, submit to Scripture, and are willing to remain accountable while helping another woman grow.

If you believed something being taught within Daughter of God Discipleship contradicted Scripture, how would you handle it?

BOUNDARIES & CARE

What does confidentiality mean to you? Are there circumstances when someone's safety may require you to seek help or involve appropriate support?

What would you do if a woman disclosed abuse, thoughts of harming herself or someone else, a medical emergency, or another situation beyond your ability to handle?

How would you respond if a woman began depending on you for every decision instead of learning to seek Christ, Scripture, prayer, and wise counsel?

Are you comfortable saying, "I am not qualified to counsel you about this, but I can help you seek appropriate support"? Why is that boundary important?
