RE: State vs. Chad Doerman  
Clermont County, Ohio

*For Immediate Release*

Regarding the horrific murder of three young boys in Clermont County, Ohio last week, we have received countless inquiries from the media. While we understand the public interest in gaining insight as to how such an unspeakable act of savagery could occur, this matter is still under investigation pending presentation to a Grand Jury. As such, there will be no comment from the Clermont County Prosecutor's office at this time. It is anticipated that a press release will be issued by the end of the week.

Please have compassion and respect the privacy of this grieving family. I ask that you keep the family in your thoughts and prayers.
