Narrative

Inmate Stauch requests photos of wrists.

On Thursday, March 5, 2020, I, Deputy William Roberts #16048, of the El Paso County Sheriff's Office, was assigned duties as Intake and Release (I/R) at the Criminal Justice Center located at 2739 East Las Vegas Street, Colorado Springs, CO 80906.

At approximately 0900 hours, Inmate Stauch, Leticia, A0342156 arrived in I/R. As Inmate Stauch was being removed from restraints in pre-admit, I asked Inmate Stauch if she was ill or injured and she responded she wanted photos of her wrists. I informed Inmate Stauch I would get photos of her wrists once in the booking area of I/R.

At approximately 0945 hours, I took photos of Inmate Stauch's hands and wrist areas after she was interviewed during her booking. I took one photo of the top of her hands and wrist. One photo of her palms and wrist area. One photo of the side of her hands and wrist on thumb side. One photo taken in error after the thumb photo, photo is blurry partially of hands, right foot and floor.

On March 6th at approximately 0800 hours I went to [REDACTED] where Inmate Stauch is housed to take a photo of her hands and wrist area from the pinky side. When speaking to Inmate Stauch about taking the photo she refused. Inmate Stauch stated her attorney already took photos of her wrists, and legs and they would be filing a complaint. I asked Inmate Stauch if she was refusing to have the photo taken of her wrist and hand area by her pinky side. She said she did not want the photo taken and again stated her attorney took photos. Inmate Stauch thanked me for coming down to take the photo and I concluded the conversation. Deputy Parker Wells #18113 was present during this interaction.

I uploaded the photos to Beacon Report 200002161 and immediately deleted these photos from the office issued iPhone that is assigned to I/R.

Inmate Stauch Informational

On April 8, 2020, I, Deputy Marie Munn #18028, was assigned duties at The El Paso County Court house located at 270 South Tejon Street, in the city of Colorado Springs and the County of El Paso, Colorado.

At approximately 1315 hours, Deputy Stacia Schroder #12016 and I escorted Inmate Leticia Stauch (A0342156) to The Division 5 Court Room with Judge Mitchell. Let it be known, Inmate Stauch has the following alerts: Full Restraint/Assaultive Disruptive, Full Restraint Escape, Mental Health, No Law Enforcement Contact, and Segregated from All.

At approximately 1330 hours, we positioned Inmate Stauch in the front row of the jury box on the side furthest away from the public entrance to the court room. During the proceeding, Inmate Stauch was moved to the middle of the first row in the jury box in order to be closer to a microphone. Deputy Schroder positioned herself behind Inmate Stauch in the jury box and I positioned myself in front of Inmate Stauch with a waist-high wall separating us. My positioning allowed me to keep my eyes on Inmate Stauch's hands and face. Inmate Stauch was in full restraints, which placed her hands at the front of her waistband. Inmate Stauch has small wrists so Deputy Schroder utilized wrist restraints with plastic spacers meant to decrease the circumference of the restraint.

I observed Inmate Stauch begin to pull her right wrist back toward her body while pushing her left wrist forward. Her forehead wrinkled and her eyes closed as if she was straining. The skin on her hand bunched up as the restraint moved up from her wrist toward her hand. Inmate Stauch made sudden eye contact with me and I shook my head from side to side and mouthed the word "No." Inmate Stauch's eyes opened wide and she whispered, "I'm sorry." I maintained a constant visual of her hands and face and did not observe her move her hands much after that.

While Inmate Stauch spoke to the Judge she had a big smile on her face and seemed very happy. As the Judge and attorneys were speaking on a conference call, I saw Inmate Stauch glance at my gun several times.

Once the court proceeding was over, Deputy Schroder and I escorted Inmate Stauch back to her assigned holding cell and removed her restraints.

This report is for informational purposes only.

Nothing follows.

Narrative

On August April 8, 2020 I, Deputy Stacia Schroder #12016, was assigned duties at the El Paso County Court house located at 270 South Tejon Street, in the city of Colorado Springs and County of El Paso, Colorado.

At approximately 1315 hours, Deputy Marie Munn #18028 and I were assigned to transported Inmate Leticia Stauch #A0342156 to Division 5 courtroom for her court appearance with Judge Mitchell. This was a Divion X case heard in Division 5. Inmate Stauch has the following assigned alerts: Full Restraints, Full Restraints Assaultive Disruptive, Full Restraint Escape, Mental Health, No Law Enforcement Contact, and Segregated from All. Inmate Stauch has unusually small wrists, therefore I utilized an insert in the wrist restraints that makes the space in the wrist restraints a little smaller. These inserts are available at the courthouse and are usually used for detained juveniles. I applied the Full Restraints in the following order: Wrist restraints behind the back secured and double locked, leg restraints secured and double locked, wrist restraints turned around to the front secured and double locked, black box applied, belly chain secured with a lock. After restraints were applied, I checked Inmate Stauch's wrist restraints again for circulation and to make sure they were double locked.

At approximately 1330 hours, I placed Inmate Stauch in the jury box front row, in the end seat furthest from the courtroom entrance. Deputy Munn stood directly in front of the jury box in front of Inmate Stauch. I stood directly behind Inmate Stauch in the jury box. The hearing was closed to the public due to the health epidemic.

At some point in the middle of the hearing, I instructed Inmate Stauch to move to the chair in the middle of the jury box in front of a microphone so she could be heard. After Inmate Stauch sat down for a bit, I noticed Inmate Stauch was moving her hands in front of her. I could hear the chains rattling just slightly. At that point, Deputy Munn looked at Inmate Stauch, shook her head and pointed at Inmate Stauch's wrist restraints. I could not see any reaction from Inmate Stauch because I was directly behind her. I did not see or hear any further movement of the wrist restraints or any of Inmate Stauch's restraints for the remainder of the hearing.

At approximately 1400 hours, Deputy Munn and I returned Inmate Stauch to her holding cell. I removed the restraints.

I have nothing further at this time.

Inmate Stauch Negative Behavior

On Saturday April 11, 2020, I, Deputy Susanne Zamora #09045, was assigned duties as the Deputy for Medical/Laundry/Kitchen for Shift II, inside the El Paso County Jail, located at 2739 East Las Vegas Street, Colorado Springs, CO 80906.

At approximately 0809 hours, I was asked by Medical Staff Member [REDACTED] to assist her with giving Inmate Letecia Stauch A0342156 her morning medication. Sgt Kenneth Benjamin #01078 was present. I asked him if he could accompany us to conduct the medication pass for Inmate Stauch. Sgt Benjamin, [REDACTED], and I proceeded to [REDACTED]. Sgt Benjamin opened to cell door while Inmate Stauch went to the sink and got her cup. [REDACTED] filled Inmate Stauch cup up with an ensure type drink and then handed her a small plastic cup with a pill in it. Inmate Stauch was going to take the pill and then drink some of the ensure from the cup. I informed Inmate Stauch I was not going to be able to determine if she took the pill if she drank from her cup due to the liquid not being see through. I asked her to pour some of the drink into the plastic cup and drink out of the plastic cup, therefore I could verify if she took the medication. Inmate Stauch got very upset and stated I was the only one to make a big deal out of it and that I needed Jesus. Inmate Stauch also informed me I was in her notes already. Inmate Stauch angrily walk to the sink with the little plastic cup and put water in it and took her medication. Inmate Stauch handed me the little cup and I conducted the mouth check before I exited the cell. Sgt Benjamin secured the door and we all left the area as Inmate Stauch was still making derogatory remarks about me.

Several minutes later, I heard loud noises coming from Inmate Stauch's cell. Inmate Stauch was pushing the door open to make it hit the metal door frame. I walked to her cell and informed Inmate Stauch, if she did not stop her negative behavior, she would lose her hour out for the day.

I had no further issues with her during my shift.

[REDACTED] provided the following information via email:

"To whom it may concern, On April 11, 2020 this nurse went with Deputy Zamora to give patient Stauch, Letecia her morning medications. Upon giving the medications, deputy Zamora asked the inmate to pour water into her cup with the meds in them. Ms. Stauch became upset and kept repeating "this is ridiculous." After the medications were administered and the time following, Ms. Stauch started yelling obscenities towards Deputy Zamora and staff while also pushing up against her door creating loud sounds that were distracting to the entire medical ward. [REDACTED]"
I have nothing further at this time.

Inmate Stauch tried mailing out mail without her return address

On Friday April 24, 2020, I, Deputy Susanne Zamora #09045, was assigned duties as the Alpha Mod Deputy for Shift II, inside the El Paso County Jail, located at 2739 East Las Vegas Street, Colorado Springs, CO 80906.

At approximately 1030 hours, I along with Deputies Terry Marshall #19050 and Jacob Delong #13158 were getting Inmate Letecia Stauch A0342156 ready for transport to [REDACTED] for her hour out. Deputy Delong applied the restraints and I pat searched her and went through her belongings. Inmate Stauch had three envelopes in her hand. When she gave them to me, I asked her if they were ready to be mailed out. Inmate Stauch replied "yes". I look at all three envelopes and noticed she did not put the return address information nor did she have her name and inmate number on it. I informed Inmate Stauch, she would have to put the return information and all the letters before we could mail them out. She replied "I'll just get someone else to take them". I explained to Inmate Stauch that if she got someone else to drop it off in the mail room, the letters would be destroyed since the mail room staff would not know where the letter came from. Inmate Stauch stated "its okay I will get my lawyer to take them and mail them out".

Sgt Cynthia Ayyad #99008 was notified.

A copy of this report was sent via email to the Inmate Classification Department.

I have nothing further at this time.

Hour out/Pro visit

On April 27, 2020 I, Deputy Katherine Draper, (EID #18084) assigned to [REDACTED] at the El Paso County Criminal Justice Center (CJC) located at 2739 East Las Vegas Street, Colorado Springs, El Paso County, Colorado 80906.

At approximately 1509 hour, Inmate Stauch, Letecia A0342156 was in [REDACTED] having her hour out and a professional visit from her attorney. Inmate Stauch was removed from [REDACTED] at 1503 hours, to transfer to [REDACTED]. With Inmate Stauch housed in [REDACTED] and a seg from all, it is common practice for her to come to [REDACTED] for her hour out so she can shower. According to the [REDACTED] Time out rotation schedule each Inmate will have 55 minutes of out time. Inmate Stauch had a professional visit on the screen at the video booths. Inmate Stauch started this visit at 1513 hours and ended her professional visit at 1608 hours.

At 1625 hours, I told Inmate Stauch that she had 30 minutes left and asked her if she will be taking a shower. She spoke up questioning me what I said. I told her that she has until 1655 hours and at that time we will be transferring her back down to her cell in [REDACTED]. Inmate Stauch became upset, stating she is supposed to get a full hour and her time didn't start until after her professional visit. She then started asking for our names. She told whoever she was on the phone with that she had to go and hung up. Inmate Stauch then made another phone call telling whoever was on the phone that we are counting her professional visit as her hour out. She was asking what the name of the Deputy in [REDACTED] name was and what my name was. She did not give us anytime to try and explain anything to her. I then asked her again if she was going to take a shower and she was provided with everything she needed to shower with. Inmate Stauch was returned to [REDACTED] at 1659 hours, as seen on [REDACTED].

Inmate Stauch Transport to ██████████

On Monday, May 4, 2020, I, Deputy Rebecca Schartung, EID 14109, was assigned duties as ██████████ inside of the El Paso County Jail, located at 2739 East Las Vegas Street, Colorado Springs, Colorado 80906.

At approximately 1540 hours I assisted in a two-deputy transport of Inmate Stauch, Leticia A03421, from ██████████ to ██████████

During the transport I observed Inmate Stauch pulling the hair away from her face and she repeatedly looked over her shoulder to the left to see where transporting Deputies were located.

I have nothing further at this time.

Narrative
Conspiracy

On May 18, 2020 I, Deputy Katherine Draper, (EID #18084) assigned to ██████████ at the El Paso County Criminal Justice Center (CJC) located at 2739 East Las Vegas Street, Colorado Springs, El Paso County, Colorado 80906

At approximately 1900 hours, Inmate ██████████ pulled me to the side and said she has received a couple letters from Inmate Stauch, Letecia A0342156 with plans to escape. I asked where these letters were, and she told me they were in her cell. Inmate ██████████ told me that when Inmate Stauch has her hour out she stops by Inmate ██████████ cell and talks with her. She also explained to me that Inmate Stauch will pass notes to her and other inmates by sliding them under their doors. Inmate ██████████ explained to me that she is lower level lower bunk restricted and does not go upstairs which is where Inmate Stauch is housed.

On May 05, 2020 Inmate Stauch was housed in ██████████ is a Special Management ward or Intense Supervision ward. ██████████ is a Level I and Level II restrictive housing ward restricting privileges based on negative behaviors such as disruptive actions or assaultive behaviors. This ward is also for those who need other housing options due to multiple segregation issues. The lock down time in this ward is 23 hours with 1 hour of unlock time a day.

Inmate Stauch is classified as Full Restraint Assaultive/Disruptive (FR-A/D) meaning she will not move around the facility without restraints placed on her wrists and ankles and her wrists will be secured to a belt around her waist. She is classified as Segregation from All (seg all) meaning she will not move around this facility with other inmates, she will not be housed with anyone else and she will not have out time with anyone else. She is also a full restraint Escape meaning she will not transport outside of this facility without full restraints being placed on her wrists and ankles and her wrists will be secured to a belt around her waist. Inmate Stauch is also to have no Law enforcement contact meaning no one is to ask her any questions about anything unless it has to do with her daily care or food.

I went into Inmate ██████████ cell at approximately 1900 hours and interviewed her. The reason for going into the cell is because Inmate ██████████ knew Inmate Stauch could see the bottom tier from the mirror on the wall in the ward. This is where she gave me both of the letters she had received from Inmate Stauch. Inmate ██████████ told me that Inmate Stauch has been talking a lot lately to the other inmates in the ward. Inmate ██████████ said that Inmate Stauch has been making plans to escape and was looking for Inmate ██████████'s help. Inmate ██████████ also told me that one of the letters wrote by Inmate Stauch she had not read yet because she, Inmate ██████████, had been in court all afternoon. Supposedly, Inmate Stauch is planning on breaking out her window and measured herself saying that she will fit right through the window. I asked Inmate ██████████ why she would choose her to help her escape and Inmate ██████████ said it was because she was Italian and kind of the bad boy so Inmate Stauch thought if she offered her money she would do that. I asked Inmate ██████████ if she was going to give her any help and Inmate ██████████ said no way that is why she told me about the letters to begin with. Inmate ██████████ said that she knows about Inmate Stauch's charges and she doesn't want to be involved or have anything to do with her. She said if she did anything it would be to use her for commissary. I asked Inmate ██████████ if she was planning on helping Inmate Stauch to escape and Inmate ██████████ said no that she is looking at her own time now but wouldn't do something stupid like that to make her own situation worse. Inmate ██████████ told me that her and Inmate Stauch had a conversation and that Inmate Stauch spoke about using the broom handle to bust out the window in her cell. She said that Inmate Stauch told her she would fit through the window because she had already measured herself.

I received two letters from Inmate ██████████ that came from Inmate Stauch. The first letter I opened Inmate Stauch writes that her G-pa was putting \$75,000 in an account for a private attorney. Inmate Stauch wrote that the account is opened for her daughter to use as well. Inmate Stauch wrote to Inmate ██████████ saying she would, "much rather use the money to survive if you know what I mean." She goes on writing, "You have my word to make sure we are MIA. I got us covered!" Inmate Stauch writes in the letter

El Paso County Sheriff's Office

Incident Report # 200004028

that they, "Just need to set up some access points." She mentions that once they get access to State bank and funds, they will be good. Inmate Stauch added in the letter that it was written partially in code because her letters get opened. Inmate Stauch also wrote about a visit she was having tonight at 8pm which Inmate Stauch did have one at 2000 hours, with a Social Worker for an hour and a half. This could show that Inmate Stauch is the author of this letter.

In a second letter Inmate Stauch wrote that she had been looking for days and already measured, drawing something that resembled the window in her cell. She then stated that it is perfect. She also wrote for Inmate [REDACTED] to check the broom piece since she gets to use that item. She added in her letter that she was dead serious and asked Inmate [REDACTED] to just think hard. At the bottom of the letter Inmate Stauch wrote for Inmate [REDACTED] to throw the note away in the toilet.

At approximately 2300 hours, myself and responding deputy's went into inmate Stauch's cell. I told Inmate Stauch to slide her shoes on and that she was being moved. I did not ask Inmate Stauch any questions. She was placed in full restraints and escorted to a cell in [REDACTED]. No one had access to her cell once Inmate Stauch was removed from it except the Deputy's in the ward.

A full shake down was done of her cell by me and two other Deputy's. Her property was placed in a bag so it could be taken to her cell in [REDACTED]. During this shake down I found another letter addressed to Sweetie. In this letter Inmate Stauch makes the comment that if something comes up on the news like she is no longer in the jail or is missing to not be afraid. She says for this person to just keep normal and focused underlining these comments. She wrote for this person to trust her on this and underlined it.

At approximately 0010 hours, May 19, 2020 I placed three letters from Letecia Stauch in evidence locker #71 and locked with a Master Pad lock. This was to preserve the evidence.

Photo of the letters have been uploaded to this report

At approximately 2255 hours, Sgt. L. Lipford #10051 asked me to assist her with a transport of Inmate Stauch, Letecia L. #A0342156, from [REDACTED] to [REDACTED]. Inmate Stauch is a 2-Deputy, Full Restraint inmate.

At approximately 2300 hours, we arrived to [REDACTED]. Multiple deputies were placing restraints on Inmate Stauch.

Sgt. Lipford and myself escorted Inmate Stauch to [REDACTED] with no issues.

I then returned the restraints to [REDACTED] A2, and observed an outgoing letter on the deputy desk.

I then retrieved Inmate Stauch's property and took it to her in [REDACTED].

At a later time, Deputy S. Aragon #15038 informed me that [REDACTED] has some items that needed to be brought to Inmate Stauch.

When I returned to [REDACTED], I was given 2 pictures and a paper calendar and returned them to Inmate Stauch in [REDACTED].

When I handed her the items, she asked me where was her letter. I inquired, "What letter?" Inmate Stauch said, "The letter to my daughter that I was writing." I told her that the only letter that I knew about was the outgoing letter on the Deputy Desk and asked her if she needed it. She replied, "No, but the one I was writing to my daughter."

Deputy Aragon told her that she will need to send a kite (Inmate/Staff Communication) to the sergeant.

We then ended our conversation with Inmate Stauch.

I have nothing further at this time.

Deputy S. Cofield, EID #10006 brought Inmate Stauch her belongings in a clear plastic trash bag. Inmate Stauch went through her belongings and then started questioning where a letter was that she was writing to her daughter. Inmate Stauch also requested that I have the deputy working in [REDACTED] check her bunk bed for two pictures; which were found and given to Inmate Stauch.

I was walking a welfare check and Inmate Stauch yelled out of her door that she wanted to speak to a sergeant because she was missing a letter to her daughter and she was missing legal paperwork. Inmate Stauch continued to yell out of her door demanding a sergeant.

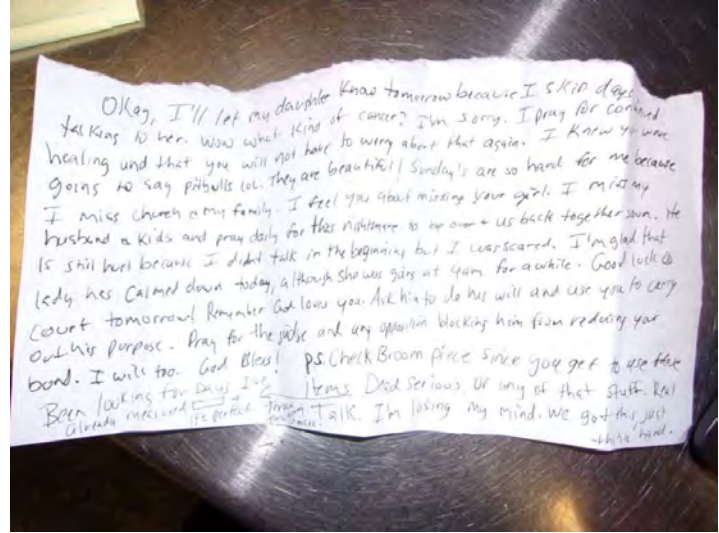

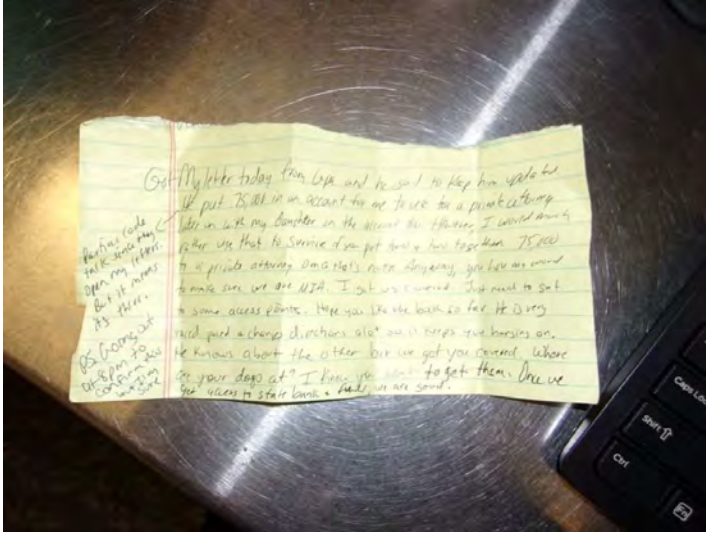

I called Sergeant Lipford and advised her that Inmate Stauch stated that legal mail and a personal letter were missing. Sergeant Lipford advised me to have Inmate Stauch send a kite reference the possible missing items. Inmate Stauch then went to her bunk and sat quietly the rest of the shift.

Behaviors in █

On 05/19/2020 I, Deputy Tracy Strickland #06003 was assigned duties as floor security █, at the El Paso County Jail, Criminal Justice Center (CJC). This facility is located at 2739 E. Las Vegas St, Colorado Springs, CO, 80906 in the county of El Paso.

Inmate █ was heard several times in her cell slamming her desk chair into the wall. Inmate was directed to stop her behavior. Inmate would also press her emergency button for toilet paper and tampons. Inmate was told not to press the emergency button. Inmate then started banging on her cell door. Inmate was told if her behavior continued, she would lose her time out for Wednesday, Inmate continued and was told she would not receive her time out for Wednesday.

Inmate █ was talking loudly out her cell door for most of the afternoon. Occasionally Inmate █ would bang on her door. Inmate █ was calling other inmates in the ward "niggers." Inmate █ was told to stop with the name calling or would lose time tomorrow. Later when Inmate █ wanted to sleep and other inmates were talking, Inmate █ started banging on the cell door again screaming that they were a bunch of niggers and she was going to beat their asses. Inmate █ lost her hour out for Wednesday.

Inmate █ was not cooperating with mouth check during med pass. Inmate █ was told several times to open her mouth. Inmate █ was non-compliant. Inmate was told that if she refuses to comply, she will no longer receive her meds. Inmate eventually complied.

Inmate █ was yelling out her door the same time that Inmate █ was. Inmate █ seemed to want to copy what Inmate █ was doing. Eventually she stopped. Inmate █ asked if she could have time out because she slept through hers. Inmate █ was told no.

Inmate █ appeared to be depressed and teary eyed today. During Med Pass, the nurse asked Inmate █ about a bruise on her left arm. Inmate █ stated that the shower door closed on her arm. Due to the fact that Inmate █ likes to self-harm, I asked her if she would like some additional time out, so I could observe her. Inmate █ stated that she was just ready to go to █. I asked Inmate █ about her arm and she stated she bit it. Inmate █ then stated that her ribs were sore. Inmate █ showed me a bruise that was the size of a thumb print. Email will be sent to MH.

Inmate Stauch, Letecia (A0342156) was standing outside █ talking to Inmate █ Inmate Stauch was told several times to back away from the door. Inmate Stauch was seen bending over picking up an item off the floor. I asked Inmate Stauch what she had. Inmate Stauch said she had a tampon and showed it to me. A short time later Inmate Stauch was then calling Inmate █ a snitch. Inmate Stauch and █ were arguing back and forth. They were both instructed to stop name calling or they would lose time for tomorrow. Inmate Stauch was later seen picking up an item on the floor in front of █ Inmate Stauch said it was a bible verse and brought it downstairs. Inmate Stauch was later giving coloring pages to Inmate █ and Inmate █

Inmate █ stopped me on almost every check I did in the ward complaining that Inmate Stauch had everyone in the ward against her and calling her snitch. Inmate █ stated that she never snitched on anyone. Inmate █ was going from cell to cell during her time out trying to tell everyone she was not a snitch. Other inmates in the ward were getting aggravated at her and telling her to shut the fuck up and leave it alone. Inmate █ kept trying to talk to inmates and was told to stop as she was making it worse.

Inmate Stauch refused professional visit

On Thursday, May 28, 2020 I, Deputy David Divine EID#18089 of the El Paso County Sheriff's Office (EPSO) was assigned duties to █ at the Criminal Justice Center (CJC) located at 2739 E. Las Vegas Street, Colorado Springs, CO, 80906 in the county of El Paso.

At approximately 2200 hours I was notified that Inmate Stauch Leticia (A0342156) had a video professional visit in the ward. Inmate Stauch has the following alert in Beacon: Full Restraint Assaultive Disruptive (FRAD). According to policy, Inmates with an FRAD alert must be accompanied by two deputies and be placed in full restraints prior to leaving their cell.

Another deputy responded to the ward to stand by for the professional visit. I approached Inmate Stauch's cell with restraints and notified her of the visit. Inmate Stauch looked at the restraints and said, "What are you doing?" I informed Inmate Stauch that due to her FRAD alert, she needed to be placed in restraints to attend her visit. Inmate Stauch said something to the effect of, "I'm not going then." I took this as a refusal and terminated the conversation.

Inmate Stauch refuses attorney visit, claims injury to arm

On Friday May 29, 2020, I, Deputy S. Malinski (13111) assigned to floor security as █ Deputy at the El Paso County Criminal Justice Center at 2739 East Las Vegas Street, Colorado Springs, CO 80906.

At approximately 2110 hours, I informed Inmate Stauch I had received a call from video visitation that her attorney would be conducting a video visitation with her at approximately 2200 hours, she said okay.

At approximately 2155 hours, I was at Inmate Stauch's cell door for her to receive her medications from medical staff. At this time I let her know we would hook up her full restraints as soon as Chemical Dependency Monitoring was complete in the ward, she said okay.

At approximately 2200 hours, I was at the deputy station when Inmate Stauch yelled from her cell to me that she did not want to have her attorney visit. She stated that her arm was still bleeding, and she did not want to wear restraints again. I asked her if she showed medical her arm or if she put in a kite to see medical. Inmate Stauch said she was going to have her attorney take pictures of her arm tomorrow.

Medical Staff Member (█) was in the ward conducting his evening Chemical Dependency Monitory. I asked █ if he would look at Inmate Stauch's arm. █, Deputy Vela (18058), and I went to Inmate Stauch's cell, Inmate Stauch was on her bunk under her blankets. I told Inmate Stauch medical was here and asked her if she would show medical her arm. Inmate Stauch said no it's fine, it is just like a rug burn. I asked Inmate Stauch multiple times to show medical her arm, she continued to say no.

Inmate Stauch had her hour out at approximately 1814 hours on this day. During her hour out she was in full restraints as our directive requires for inmates who are Two Deputy Full Restrain Assaultive Disruptive. I was present during the application by Deputy J. Riley (18038) of Inmate Stauch's full restraints and for her entire hour out. Shortly after her hour out started, I adjusted the chain on the restraints with Deputy Riley as it became slightly loose. I removed the restraints after Inmate Stauch completed her hour out. During the times listed above I never had Inmate Stauch tell me she had any discomfort or pain from the restraints.

I informed Sergeant Goodloe (03001) of Inmate Stauch's refusal to go to her attorney visit and her reported injury on her arm.

Deputy Vela and I went to Inmate Stauch's cell to give her hygiene products, I asked her if I could see her arm to make sure she was okay. Inmate Stauch showed me her right arm and said its just a little chaffed and I don't want to wear cuffs. I observed a slight chapped look in a small area of about two inches, and a slight pressure mark about a quarter inch by one and a half inches on the top outer side of her right forearm. This is a common mark to see after wearing wrist restraints. I did not observe any break to the skin or bleeding in any area of Inmate Stauch's arms.

I have nothing further.

Narrative Behavior

On June 03, 2020 I, Deputy Katherine Draper, (EID #18084) assigned to [REDACTED] at the El Paso County Criminal Justice Center (CJC) located at 2739 East Las Vegas Street, Colorado Springs, El Paso County, Colorado 80906

At approximately 1800 hours Inmate [REDACTED] started yelling out of her [REDACTED] door. I went to her cell door to find out why she was yelling and Inmate [REDACTED] appeared to be visibly upset. Inmate [REDACTED] said that Inmate Stauch, Letecia A0342156 was "talking shit" about her and she did not appreciate it. Inmate [REDACTED] said that Inmate [REDACTED], who stays in the cell directly above Inmate [REDACTED] told her, through the vents in the wall, that Inmate Stauch was calling her out on snitching on her. Inmate [REDACTED] said that Inmate Stauch was getting an escape charge and it was all Inmate [REDACTED] fault. Inmate [REDACTED] then yelled out in the ward that Inmate Stauch should tell the truth and stop blaming other inmates for her own behavior.

Inmate [REDACTED] said that Inmate Stauch has some phone numbers of hers and she wanted them back. Inmate [REDACTED] then asked Deputy Herbert and me if we would go get the phone numbers from her. I asked her how Inmate Stauch had her numbers and she said that Inmate Stauch and herself have exchanged notes by passing them under the cell doors. When Inmate Stauch has her hour out Inmate [REDACTED] would pass the note under her door for Inmate Stauch to have. Inmate [REDACTED] is lower level restricted so she is not allowed upstairs where Inmate Stauch is housed.

Deputy Herbert and I went up to Inmate Stauch cell and opened the door. Inmate Stauch is a no law enforcement contact so no one is supposed to be asking her questions or talking to her unless it has to do with her housing, health or meals. I told Inmate Stauch that Inmate [REDACTED] would like her list of phone numbers back. Inmate Stauch told me that she just gave them to the other Deputy with the blond ponytail. I explained to her that the only one in there was Deputy Herbert. I asked Deputy Herbert if she had already got the numbers from Inmate Stauch and she said she has not received anything from her. Inmate Stauch said no I put them in an envelope and gave them to the lady who was just in here.

As I got ready to shut Inmate Stauch's door she started to raise her voice at me telling me something about writing a book. I explained to Inmate Stauch that I will not hold a conversation about anything with her. Inmate Stauch continued to talk. I told her over again three times that I am not going to talk to her about any information. Inmate Stauch told me I was the one up there asking questions and I immediately stopped her and told her I did not ask her anything. Inmate Stauch continued to talk still so I shut the door and walked away.

Within just a couple minutes Inmate [REDACTED] and Inmate Stauch were yelling back and forth at each other. Inmate [REDACTED] was telling Inmate Stauch that she needs to grow up and take accountability for her actions. Inmate [REDACTED] told her that she knew she was wrong wanting to break out of the facility that Inmate Stauch even asked Inmate [REDACTED] for tools and the direction of the river from behind the facility. Inmate Stauch yelled back a few times.

Narrative

Inmate Stauch broken toilet and desk seat – [REDACTED]

On June 4, 2020, I, Deputy J. Tillett, EID #13073, with the El Paso County Sheriff's Office Detention Bureau was assigned duties as [REDACTED] Primary Deputy, located at 2739 E. Las Vegas Street, Colorado Springs, CO. 80906.

After returning from her professional visit, Inmate Letecia Stauch, A0342156, complained that her toilet was not working. Inmate Stauch asked about maintenance fixing the toilet. Deputy K. Arn, EID# 14091, P. Parker, EID # 13018, and I went to her cell. Inmate Stauch is supposed to be restrained anytime she is out of her cell. I told Inmate Stauch to back up to her cell door and place her hands together. I opened the cell door and deputy Parker placed restraints on Inmate Stauch. Deputies Parker and Arn stood by Inmate Stauch outside of her cell while I entered the cell to plunge the toilet.

I manipulated the plunger a few times and went to flush the toilet. The metal piece around the flush button looked odd so I grabbed it and was able to pull it away from the wall. I exited the cell and told Inmate Stauch to go downstairs to [REDACTED]. We placed Inmate Stauch in [REDACTED] unrestrained her and walked back to the original cell. I told Deputies Parker and Arn that the flush button was broken and pulled out of the wall. We began looking in the pipe chase at the flush mechanism. Deputy Parker was in the cell and discovered that the seat top was broken off of the desk. From what we can see, it appears that Inmate Stauch broke the seat off the desk and was using it to pry the metal piece around the flush button. The flush button has a nut just inside the wall and one on the other side of the wall in the pipe chase. It appeared that Inmate Stauch was turning the flush button in attempt to get it out of the wall. The nut inside the pipe chase was barely threaded onto the flush button. The wire came out of the flush button and was twisted up.

I called for any available Sergeant over my radio. Sergeant Lipford responded and I asked her to come to [REDACTED]. Once Sergeant Lipford arrived we showed her what was going on. Sergeant Lipford told us to have Inmate Stauch taken to [REDACTED]. Inmate Stauch was placed in full restraints. Handcuffs, black box, chain and leg irons. She was then transported to [REDACTED]. Pictures were taken of the flush button, pipe chase and desk. The seat was secured in [REDACTED] and the cell closed until maintenance can fix it. Sergeant Lipford told us to have Inmate Stauch taken to intake and run through the body scanner. Inmate Stauch was cleared and returned to the ward. Inmate Stauch was housed in [REDACTED] per Sergeant Lipford.

At this time, I am charging Inmate Stauch in-house with the following:

Class II; Rule 24: Damage to Property An inmate commits this offense when he causes or personally destroys, alters, mutilates, defaces or renders useless the property of others or the county. This will include the writing on walls, doors, mattresses, jumpsuits, sandals, handbooks, library books, or any other items that are county property. If an inmate is found guilty of this offense actual replacement and labor costs will be assessed to the inmate.

A DB45 was completed and sent to the hearing board.

I have nothing further at this time.

Supplement Inmate Stauch's Cell Condition

On Friday, June 5, 2020, I, Deputy Susanne Zamora #09045, was assigned duties as Ward Deputy for [REDACTED] for Shift II, inside the El Paso County Jail, located at 2739 East Las Vegas Street, Colorado Springs, CO 80906.

Upon relieving Deputy Tillet, she informed me Inmate Leticia Stauch (#A0342156) was moved from her cell, [REDACTED] after she complained about her toilet not working. It was discovered the toilet flush button was hanging off the wall and the desk chair seat had been found removed from the desk.

At approximately 0920 hours, I did inspect [REDACTED], the toilet button was hanging off the wall, the desk chair seat was removed from the base and there were deep scratches on the cell window leading to be back of the facility. It appeared there were scrapings from the window on the window sill and the desk.

[REDACTED] was occupied by Inmate Leticia Stauch, from 5/4/2020 to 5/15/2020 and again on 5/19/2020 to 6/4/2020.

When I conducted an inspection of [REDACTED] on 5/30/2020, Inmate Stauch was conducting her hour out in the ward. Inmate Stauch took her hour out from approximately 0800 hours to approximately 0900 hours. I specifically looked at the window and the toilet button along with other areas of the cell to conduct my housing inspection. During that time, the window was not scratched up and the toilet button was attached to the wall as it should have been. I recall the inspection of this cell due to a report written about Inmate Stauch wanting to escape through the cell window (see IR 2000004028).

I have nothing further.

Narrative

I, Deputy Kimberley Farrell/08041, have been employed by the El Paso County Sheriff's Office (EPSO) since March 2008. I am currently assigned as a full-time Detention Bureau Investigator at the Criminal Justice Center (CJC), located at 2739 E. Las Vegas, Colorado Springs, CO, 80906. I have been so assigned since October 2015.

On June 5, 2020 at approximately 0910 hours, Sergeant Benjamin informed me a couple of deputies in [REDACTED] found damage to Inmate Leticia Stauch's (DOB: [REDACTED]) cell to include the button to flush the cell toilet, the desk seat was removed from the desk and there was damage to the cell window. Deputy Tillet found the button that flushes the toilet and [REDACTED]

El Paso County Sheriff's Office

metal piece around it was torn from the window and the toilet no longer flushed. I was informed by Sergeant Benjamin a different deputy found the seat to the desk removed from the desk later in the morning. This deputy was no longer working. Stauch was housed in [REDACTED] prior to the deputy finding the additional damage. She was moved to [REDACTED] and rehoused there. She was currently out of the facility for court purposes.

I responded to [REDACTED] Sergeant Benjamin pointed out the damage found in the cell. The button to flush the toilet was pulled out from the wall approximately one inch from the wall. The metal plate around the button was slightly bent. Deputy Zamora unlocked the pipe chase closet. The wire leading to the toilet button was ripped from the button and lying on the metal grate by the pipe chase closet.

The metal seat to the desk was lying on top of the desk. There were scrapings/marks on the metal side of the seat. There were what appeared to be window shavings on top of the desk. The same shavings were found in the windowsill of the cell. The window was scratched up significantly on the left side which is hidden by the top bunk from view of the cell door. There were more scratches along the window with the majority on the left side of the window.

Deputy Zamora informed me she knew the window was scratched up last weekend when she completed a housing inspection of the cell when Stauch was out of the cell for her hour out. She stated the toilet button was as it should be flush against the wall and not moving. I asked her to complete a supplement detailing this and what day this would have been. I asked Sergeant Benjamin to have the deputies who found the additional damage in the cell to complete a supplement detailing how everything was found.

I took multiple pictures of the cell with and without scale. I secured the seat to the desk and the window shavings from the windowsill and desk. I exited the ward.

I downloaded the pictures onto CD/DVD. I searched Stauch's GTL calls for June 3, 2020 through June 5, 2020 to see if she discussed the damage in her cell to anyone. There weren't any recorded phone calls for this time frame. She had not had her hour out of her cell since the damage was found.

I contacted DDA Michael Allen, DA Investigator S. Courtney and DA Investigator C. Weir for guidance on if they wanted new criminal charges or if they wanted me to supplement her current (new) case (EPSO 20-5785). Per DDA Allen, I was instructed to complete a supplement to EPSO Case #2020-00005785.

I placed into Evidence Locker #80 the following items: CD/DVD containing pictures taken June 5th [REDACTED] (#4), metal seat broken away from desk (#5), window shavings found in the window cell and on top of the desk (#6).

I have nothing further.

DISCIPLINARY HEARING REPORT

On Friday, June 12, 2020, at 0844 hours, I, Deputy Andrew Ravenkamp(EID 13078), held the disciplinary board with Inmate Stauch, Letecia(A0342156). The hearing board convened in Alpha Two. Inmate Stauch attended the hearing board.

Deputy Tillett (EID 13073) charged Inmate Stauch with the following rule violations:

Class II Offense Rule 24. Damage to Property

ADVISEMENT AND PLEA:

Inmate Stauch read the advisement of Board of Rights and stated she Understood those rights as written in the Inmate's

El Paso County Sheriff's Office

Incident Report # 200004439

Handbook. Inmate Stauch was read the Miranda Warning and stated she understood her rights and wished to speak with me. Inmate Stauch heard all of the evidence presented her against her. Inmate Stauch entered the following plea:

Not Guilty Rule 24. Damage to Property

STATEMENT: Inmate Stauch stated she was having trouble flushing her toilet and mentioned the issue to staff in the month of May. Inmate Stauch stated she thought she told Deputy White about the toilet not flushing but wasn't sure. Inmate Stauch stated she did not go into detail with Deputy White about the issue but did mention the toilet not flushing. Inmate Stauch was asked if she notified staff about the damaged toilet flush button when she stated she notified mental health about the problem. Inmate Stauch stated the plate behind the button was "loose," due to inmates in the ward above her cell () making banging and rattling noises. Inmate Stauch stated she noticed the plate was loose and shook it around with an attempt to fix the toilet problem. Inmate Stauch stated she cut her finger trying to fix the toilet when she shook the plate and proceeded to show me an old cut on her finger. Inmate Stauch was asked if she attempted to get behind the metal plate to possibly alter the wires to fix the toilet issue when she stated, "No, I only moved the plate around and banged on it. Kind of like what you would do if your battery wasn't working."

Inmate Stauch was asked if anything else was damaged in her cell that she noticed when she stated her cell seat was almost coming off. Inmate Stauch stated she was sleeping on her bunk and had a "night terror" when she accidentally hit her head on the seat which resulted in it almost falling off the weld. Inmate Stauch was asked to explain why staff found the bench seat not attached to the desk when she stated the "Deputies did it when they searched her cell." After Inmate Stauch stated staff removed her bench seat, she was asked to again explain how much damage she "accidentally" caused to the seat when she hit her head. Inmate Stauch stated she knocked the seat off the bench and lifted it up off the desk attachment. Inmate Stauch stated she tried to attach the seat by its "four attachments" but was not able to because they were "welded on." Inmate Stauch was questioned on her previous statement regarding staff removing the seat after she admitted to "accidentally" removing it when she hit her head and she stated, "that's all I know sir."

WITNESSES REQUESTED: N/A

FINDING:

The Hearing Board Officer has reached the following determination for Inmate Stauch .

Guilty Rule 24. Damage to Property

REASON FOR DECISION:

The Hearing Board Officer came to a decision from the incident report written by Deputy Tillett, photos attached to the report and statements made by Inmate Stauch. Inmate Stauch was found guilty due to damaging the toilet flush plate/button and cell bench seat which resulted in the toilet and cell bench seat becoming no longer usable. Photos attached to the report show the toilet button plate not attached to the wall with a bend on the plate along with a bench seat not attached to the desk. Inmate Stauch admitted to "accidentally" damaging the cell bench seat due to having a "night terror," which resulted in her hitting her head on the seat. Inmate Stauch stated she cut her finger on the toilet flush plate which made it apparent she attempted to pry the plate from the wall which resulted in edge of the plate cutting her finger.

After gathering all facts related to this incident and evaluating the situation as presented to the Board, I have reached a final disposition in this matter. The Hearing Board Officer believes, based on all the evidence, it is more probable than not the inmate is Guilty of Rule(s) 24.

The Hearing Board Officer believes that based on the evidence presented in this hearing, the severity of the offense, and the way it was committed, the circumstances suggest that the following sanctions are appropriate in this case.

DISCIPLINARY ACTION:

Loss of ALL PRIVILEGES through disciplinary segregation for 15 And 0 Days suspended; therefore, total days in lockdown will be 15 Day(s).

Inmate Borchard Fears for Safety A2

On 06/5/2020 I, Deputy Tracy Strickland #06003 was assigned duties as floor security [REDACTED], at the El Paso County Criminal Justice Center (CJC). This facility is located at 2739 E. Las Vegas St, Colorado Springs, CO, 80906 in the county of El Paso.

At approximately 1930 hours, Inmate Stauch, Letecia (A0342156) was on her hour out. Inmate Stauch was standing in front of cell [REDACTED] that houses Inmate [REDACTED]. I could not hear most of the conversation however, I did hear Inmate [REDACTED] say that all her information was on the national news. I heard Inmate [REDACTED] say this several times. I then heard Inmate Stauch call her a snitch. I heard Inmate [REDACTED] say that money appeared on her books from people she does not know. I heard Inmate Stauch say that people she does not know from around the world put money on her books.

I was aware that there was a criminal filing against Inmate Stauch by Deputy K. Draper EID# 18084, for Criminal Solicitation. Inmate Stauch allegedly gave handwritten notes to Inmate [REDACTED] stating that she was going to escape from the window in her cell and asking Inmate [REDACTED] to get the broom since she has access to it, so she could break her window.

At approximately 2130 hours, Inmate [REDACTED] was on the phone crying. A short time later Inmate [REDACTED] said that her friend just told her on the phone that her name and date of birth were leaked on Facebook and news websites calling her a snitch. Inmate [REDACTED] was crying and stated that she was in fear for her safety and the safety of her family now that her name was associated with Inmate Stauch. Inmate [REDACTED] said if she had known her information was going to be released, she would have never turned in the letters to the deputy. Inmate [REDACTED] said her name will now forever be connected to a murderer. Inmate [REDACTED] stated that her mother was going to find this information out on the news. Inmate [REDACTED] was visibly upset. Inmate [REDACTED] stated that she was unable to contact her mom and now her mom was going to hear about this on the news.

I googled Inmate Stauchs name and found an update on Fox 21 where there was a copy of the PC Affidavit in its entirety. Inmate [REDACTED] was listed in the PC Affidavit numerous times by full name and DOB. Inmate Stauchs new charges were on several news sites nationally.

I called Inmate Class (IC) and spoke with Jarle Wood EID# 18059, about the situation. I had also spoken to Sergeant Ward EID# 08039 and Sergeant Smith EID# 07016. Inmate [REDACTED] is classified as a General Population inmate. IC Wood stated he would look into the situation and call back. Jarle did call back a short time later and stated it was possible to do a swap with Inmate [REDACTED]. I stated I was not sure how that would work out because Inmate [REDACTED] is Inmate [REDACTED]'s significant other, and that Inmate [REDACTED] was already aware of the situation as it has been all over the news, and it may cause more issues in the ward between Inmate [REDACTED] and Stauch. IC Wood said he would call me back.

IC Wood called back and stated that he spoke with Liz O'Neal EID# 98007, and she was not willing to move Inmate [REDACTED] out of [REDACTED]. Inmate [REDACTED] has three inmates she has segregations with in [REDACTED]. IC Wood stated that I could move Inmate [REDACTED] a few cells down away from Inmate Stauch. [REDACTED] is the only cell I had available which was stripped of a desk. Inmate [REDACTED] sits at her desk a lot and writes and reads books. It was then suggested by IC Wood that she could be made a Seg All inmate, which means she can have no contact with other inmates and remain in the same ward. Inmate [REDACTED] felt like being a Seg All inmate was punishing her. I spoke with Sergeant Ward and relayed this information to her. She decided to add an alert to her as a court concern so she will be transported by herself and in a cell by herself for her upcoming court date.

Segregations between the two inmates have been placed.

I have nothing further to add at this time.

Narrative

Ward 1A2 Inmate Behaviors

On Saturday June 6, 2020, I, Deputy Susanne Zamora #09045, was assigned duties as [REDACTED] for Shift II, inside the El Paso County Jail, located at 2739 East Las Vegas Street, Colorado Springs, CO 80906.

At approximately 0915 hours, Inmate Leticia Stauch A0342156 was standing at the cell door lightly hitting her head on the glass window. Inmate Stauch appeared tearful. I asked her why she was doing that? Inmate Stauch replied "I am so over this crap. I don't have a bunk I don't have a desk. I am getting punished for reporting my toilet not working. I didn't do anything to it. I told you guys, so you guys can get it fixed. I am in a dirty cell, sleeping on the floor. I haven't eaten since I got moved in here." I offered to get some cleaning supplies for her, so she could clean the cell. Inmate Stauch stated "what for, I am still going to sleep on the floor". At approximately 0930 hours, Deputy Tays Cruz #19075 and I opened Inmate Stauch's cell in order for her to get her morning medication. During this time, I did place several brown paper towels with Oxiver spray cleaner on them in Inmate Stauch's sink for her to use. Inmate Stauch refused her morning medication and continued to appear tearful until about 1230 hours. Inmate Stauch ate her lunch while walking around in her cell. I asked Inmate Stauch if is used the paper towels so I could throw them out and she stated she did use them. Inmate Stauch also complained about ants being in her cell. I only witnessed one ant in her cell the day before. I did contact Front desk staff member Josh Sepelak #04022 and asked him place [REDACTED] down on the "Pest sighting" booklet for Mug-a-Bug company to service it. Be advised I did work [REDACTED] on 6-5-20. Inmate Stauch did eat her lunch and dinner meals. I also gave her paper towels; I sprayed her cell with Oxiver and she wiped some of it down. On 6-4-20, Inmate Stauch did damage her desk chair, cell window, and toilet flush button in [REDACTED] and she was moved to [REDACTED] due to the damage. Inmate Stauch does not have any marks or redness on her forehead as of 6-6-20, 1500 hours.

At approximately 1339 hours, Inmate [REDACTED] began loudly yelling "fucking bitch you guys fucked with my lunch get me a new one now. Fucking bitch, fucking bitch, you hear me get me new food now!" Inmate [REDACTED] continued to yell out even after I attempted to speak to her. Inmate [REDACTED] continued to yell out obscenities and threats which cause other inmates to yell at her. Be advise I did witness Inmate [REDACTED] eating some of the food she claimed we mess with. Inmate [REDACTED] will not receive an hour out today on 6-6-20.

Sgt Cynthia Ayyad #99008 was notified.

I have nothing further at this time.

Narrative

Inmate Stauch's cell door missing a screw

On Saturday June 6, 2020, I, Deputy S. Malinski (13111) assigned to floor security as ██████ Deputy at the El Paso County Criminal Justice Center at 2739 East Las Vegas Street, Colorado Springs, CO 80906.

At approximately 1700 hours, while serving dinner Inmate Laticia Stauch (A0342156) ██████ called Deputy S. Zamora (09045) to her cell. Inmate Stauch showed Deputy Zamora a part of her door was broken; and a screw was missing.

Deputy Zamora said to me, "we need to move Inmate Stauch to another cell". I went to look at the door, the inside of the door has a thin metal piece shape like a half circle approximately 2.5" x 2" which should have two screws securing it to the door. Inmate Stauch's door only had one screw holding the metal piece to the door, the other screw was lose allowing the metal piece to rotate around.

Deputy Zamora conducted a pat search on Inmate Stauch, and we moved her to ██████

Deputy Zamora called Sergeant L Rodriguez (06007), Sergeant Rodriguez instructed us to take pictures of ██████ including the damaged door, and of ██████ the new cell we were moving Inmate Stauch to. Photos were taken of both cells and both doors, photos are attached to this report in Beacon.

Deputy T. Clarke (20010), who was assigned as ██████ Assist, and I searched ██████ with all Inmate Stauch's property to look for the missing screw. We did not find the screw or any other contraband in Inmate Stauch's cell. Inmate Stauch was given all the property she had in ██████

Deputy Clarke and I checked all screw in ██████ no other screws were missing. We also checked all the screws in ██████ two screw which hold the plastic light cover up are currently missing, prior to Inmate Stauch being house in that cell.

While inspecting ██████ Deputy Clarke and I noticed the first pane of glass on the right side of the window in the back of the cell has small sections of glass removed. This missing glass looks as if a round small hard object was used to chip away at the glass. This amount of shipped glass is not a security issue as it is, however, it appears someone may have been trying to chip the glass away enough to remove the window. We also noticed another area on the right bottom section of the glass had an area that was etched out, this area was approximately a quarter to a half inch in diameter. None of the etching penetrated through the glass, this window also has two panes of glass.

I notified Inmate Class Yarley of the damage to the door in ██████ and it being placed out of service, this cell is a Red Sheet cell and is used often. I placed a work for this door and asked if this repair could be a high priority. I also informed inmate Class Yarley about moving Inmate Stauch to ██████

I notified Sergeant P. Goodloe (03001) of the situation.

Inmate Stauch's Cell Condition on 06-12-2020

On Friday, June 12, 2020, I, Deputy Susanne Zamora #09045, was assigned duties as Ward Deputy for [REDACTED] for Shift II, inside the El Paso County Jail, located at 2739 East Las Vegas Street, Colorado Springs, CO 80906.

At approximately 0835 hours, Inmate Leticia Stauch (#A0342156) started her hour out, she is assigned to [REDACTED]. Inmate Stauch was placed in full restraints with the black box in her cell. Deputy Andrew Ravenkamp #13078 and Sgt Kenneth Benjamin #01078 arrived at the same time to conduct a hearing on Inmate Stauch in the ward dayroom.

Deputies Jennifer Tillett #13073 and Natalie Motta #19020 conducted a shakedown of Inmate Stauch's assigned cell.

At approximately 0845 hours, Deputy Tillett asked me to come to [REDACTED] (see Deputy Tillett supplement). Deputy Tillett pointed out that the screw and washer from the right side of the toilet is loose and is able to be removed without any effort. Deputy Tillett also showed me the cell light switch cover had a screw that was not flush with the face plate and it looked as if someone had tampered with it.

[REDACTED] has been occupied by Inmate Letecia Stauch, from 6/6/2020 to present. Deputy Susan Malinski #13111 conducted an inspection and took pictures of the cell before Inmate Stauch was housed in it (report #20004492). I compared the 6-6-20 pictures with the current conditions. These two areas do appear to be tampered with.

At approximately 0850 hours, Inmate Stauch's hearing was concluded. I searched [REDACTED] and temporarily placed Inmate Stauch in the cell with her still in full restraints. I contacted Sgt Cynthia Ayyad #99008 and informed her of the situation. Sgt Ayyad stated she would get maintenance personnel to fix the issues, we would take pictures of the cell again, then place her back into the cell.

At approximately 0910 hours, Mr. Scotty Johnson from the maintenance department and two of his co-workers arrived to fix the issues. They replaced two previously missing screws from the light fixture. They ensured all screws were present and check them all for tightness in the cell, on the door and on the door frame. They used glue on both toilet bolts (left and right) before tightening them.

I conducted another shakedown after they completed the work. Deputy Motta went into the pipe chase area to clean out the air vent sections. I took pictures off all locations that had screws, also to include the air vents, window, and sink. Inmate Stauch's mattress is free from any tears or holes.

Inmate Classification Tiffany Noe #16074 was notified. Ms. Noe stated Inmate Stauch will remain in that cell for now.

At approximately 1450 hours, Deputy Malinski arrived to relieve me. I informed her of the incident with Inmate Stauch. Deputy Malinski stated neither of those items were in that condition the day prior (6-11-20) because she specifically recalls checking both those areas.

I am requesting Inmate Stauch be found guilty for Class II Rule 24: Damage to Property: An inmate commits this offense when he causes or personally destroys, alters, mutilates, defaces or renders useless the property of others or the county. This will include the writing on walls, doors, mattresses, jumpsuits, sandals, handbooks, library books, or any other items that are county property. If an inmate is found guilty of this offense actual replacement and labor costs will be assessed to the inmate.

Inmate Stauch committed this offense by tampering with the screws on the light switch and toilet which has an impact on the safety of the facility.

Db45 was completed and sent to the Hearing Board Officer.

I have nothing further.

Inmate Stauch's Refuses to Attend Scheduled Professional Phone Call

On Friday, June 12, 2020, I, Deputy Susanne Zamora #09045, was assigned duties as Ward Deputy for [REDACTED] for Shift II, inside the El Paso County Jail, located at 2739 East Las Vegas Street, Colorado Springs, CO 80906.

At approximately 1330 hours, I informed Inmate Leticia Stauch (#A0342156) she was scheduled for a professional phone call. Inmate Stauch stated "ok I am ready". At approximately 1345 hours, Deputies Jake Ronk #18056 and Tays Cruz #19075 arrived to escort her to [REDACTED] to use the telephone.

When I arrived at the cell door, I ordered Inmate Stauch to face the back of the cell and get on her knees. Inmate Stauch replied "I am not going to let you guys hurt me". I asked Deputies Ronk and Cruz to come closer to the cell so they could hear her refuse to attend her professional phone call.

Inmate Stauch made several comments after the deputies left. Inmate Stauch stated "I will make sure they hear about this. You guys are keeping me from my attorney. Don't worry I won't do it when you or Mahan are working. I like you two. I am too smart for you guys, Zamora, I am too smart".

Sgt Kelly Davis #100012 and Technician Specialist Joshua Sepelak #04022 were notified.

Sgt Davis stated he would inquire about Inmate Stauch being placed into black box full restraints for her professional phone calls.

I have nothing further at this time.

Narrative

On June 12, 2020, I, Deputy Jacob Ronk EID18056 was assigned to duties as Medical, Laundry, and Kitchen deputy at the El Paso County Jail located at 2739 East Las Vegas Street in Colorado Springs, Colorado, 80906.

At approximately 1045 hours, I was relieved of my duties as MLK deputy and assumed duties as Delta Mod.

I received a phone call at approximately 1230 hours from ward [REDACTED] from the deputy and she stated that she would need assistance transporting Inmate Leticia Stauch #A0342156 from the ward to Intake and Release with another deputy to take new mug shots. She would then need to be transported from Intake to the Delta Contact Room for a professional attorney visit. Inmate Stauch is classified as a FR/AD inmates which means she is full restraint and assaultive and/or disruptive and is therefore required to wear full restraints whenever she leaved her cell.

El Paso County Sheriff's Office

Incident Report # 200004620

I arrived at ward [REDACTED] at approximately 1330 hours to take Inmate Stauch to Intake as scheduled. Two other deputies and myself approached Inmate Stauch's cell with the required restraints needed to transport her safely and securely. Before we could give her instructions for her to be placed in restraints, she immediately said, "If you guys are gonna make wear those and hurt me, I'm gonna tell them you guys refused me of my legal visit." I believe Inmate Stauch's comment was directed towards the restraints she was required to wear. She is required to wear restraints called the Black Box. This is a small, black, plastic device that goes around the chain of standard wrist restraints with a small metal clasp that goes around it. A metal chain is then fed through the clasp and then goes around the torso of the individual wearing it then is secured by a small brass lock. The individuals hands are now secured in the front and leg restraints are then applied.

The ward deputy then asked Inmate Stauch was refusing her professional visit. Inmate Stauch then repeated her statement verbatim. We exited the outside of her cell and then contacted the front desk to notify her attorney of the situation.

This report is only to serve as an information on Inmate Stauch refusal of her professional attorney visit due to her current FR/AD status.

I have nothing further at this time.

Cell and light switch

On June 14, 2020 I, Deputy Katherine Draper, (EID #18084) assigned to ██████ at the El Paso County Criminal Justice Center (CJC) located at 2739 East Las Vegas Street, Colorado Springs, El Paso County, Colorado 80906

At approximately 1630 hours, Deputy Meyer EID # 18112 and myself went into ██████ to take photos of the cell, screws and cell furniture. Inmate Stauch, Letecia A0342156 is housed in ██████ Each day Inmate Stauch has her cell photographed and checked for loose screws and/or missing pieces. This is due to multiple items that have been broken or come up missing such as broken glass, broken toilet flush systems or missing bolts to the door or toilet.

Today during my cell check I found that the light switch was packed full of what appeared to be toilet paper and bar soap. I had to use my hand cuff key to dig out all the items placed in the light switch. The switch has been cleaned out and still functioning.

Narrative

Inmate Stauch acknowledges incident during extradition

On 06/16/20, I Deputy M. Siedler 06082 was assigned duties as [REDACTED] at El Paso County Jail. The facility is located at 2739 E. Las Vegas, Colorado Springs, Co. 80906.

At approximately 0730 hours, Inmate Letecia Stouch (A0342156), was out for her hour out. She is classified as a two Deputy-full restraints when she is out of her cell. Deputy Schmutzler (19014) and I were walking her back to her room after her shower. Once inside her room Deputy Schmutzler was removing the restraints. The conversation was how inconvenient the restraints were to place on remove and then place back on. As the wrist restraints were being removed, she was laughing about "some people" and their training. As she was getting dressed, she made a statement referencing an incident during her extradition back to Colorado. She stated that "I was asleep, and I thought we hit the rumble strips and I threw a monster can. She made it out to be this big deal." No names were mentioned as to who the Deputy was that she threw the can at but having knowledge of the incident due to Deputy James being on my shift I knew who she was referring to.

This informational report is to document her acknowledgment of the incident with Deputy James and admission to having "thrown" the can at her.

Nothing was said to her by Deputy Schmutzler or myself for her to mention the incident. Nor were we discussing anything with her regarding as to why she is in the facility

Nothing further at this time.

Narrative
Trying to talk to me about her case

On June 17, 2020 I, Deputy Katherine Draper, (EID #18084) assigned to ████████ at the El Paso County Criminal Justice Center (CJC) located at 2739 East Las Vegas Street, Colorado Springs, El Paso County, Colorado 80906

Inmate Stauch who is housed in cell # 8, received her hour out at approximately 1745 hours. During this time Inmate Stauch asked to speak to me. I asked her if she needed anything and she said she just had a question. She asked me if she will ever get to a place where she is no longer wearing the metal restraints and chains during her hour out. She said she really need to shave, and she has never been violent. I told her that I do not know about any of that. I told her she was placed on full restraint for a reason. I told her that she could send a kite asking about the situation but that I did not have any answers for her.

Inmate Stauch that started talking about her ride back to Colorado when she was first arrested. She said that she would never of meant to hurt anyone and the driver hit a rumble strip. I stopped Inmate Stauch and told her that I was not having a conversation with her about anything to do with her case. I told Inmate Stauch that I will only talk to her if she needs something about her health and welfare. Inmate Stauch again attempted to talk to me and I looked at Deputy Willis EID #20014 in the ward and explained to him that I refuse to have any conversations with her. I again looked at Inmate Stauch and told her to stop that I will not talk to her about her case at all.

Inmate Stauch then says that she promises she is not a violent person. She said that she does not even say bad words.

Daily photographs of Inmate Stauch's cell

On June 19th, 2020, I, Deputy Sarah Wright EID 18077 was assigned duties as Ward Deputy for ██████████ at the El Paso Criminal Justice Center located at 2739 E. Las Vegas St Colorado Springs, CO 80906.

At approximately 0130 hours, I was viewing the daily list of scheduled events for Ward 1A2. At this time, I noticed that Inmate Stauch, Letecia A0342156 had been scheduled to start her disciplinary time at 0100 hours on June 19th, 2020. This required for Inmate Stauch to be woken up, placed into full restraints as her alert dictates, and then for her cell to be shaken down.

At approximately 0150 hours, Inmate Stauch was woken up, restrained and then removed from her cell and placed into an empty cell while myself and Deputies Tillet and Parker performed a cell search. All of Inmate Stauch's possessions that she is not allowed to have while on disciplinary status were removed from her cell.

I decided that since we had already removed Inmate Stauch from her cell and were performing a search of it; to go ahead and take pictures reflecting the current status and condition of her cell. This documentation of her cell is due to several previous incidents of deputies finding that Inmate Stauch had tampered with her cell.

All pictures were taken by me, and then uploaded to this report.

All property was inventoried by myself with Deputy Tillet witnessing what was removed from her cell. Afterwards I returned all legal paperwork and religious paperwork to Inmate Stauch with the remainder being placed into lockdown property.

This report is for informational purposes only.

I have nothing further to report.

Inmate Stauch (A2)

On 07/02/2020, I Deputy Tracy Strickland (06003) was assigned duties as floor security Ward [REDACTED] at the El Paso County Criminal Justice Center (CJC). This facility is located at 2739 East Las Vegas Street, City of Colorado Springs, El Paso County, Colorado.

At approximately 1810 hours, Inmate Stauch, Letecia (A0342156) returned to the ward from her attorney phone visit. Inmate Stauch took her meal and went to her cell. She said she received "good news" during the phone call.

At approximately 2030 hours, while performing a welfare check in the ward, I approached [REDACTED] and heard Inmate Stauch in bed crying "I know who did it, I know who did it" over and over. [REDACTED] currently houses Inmate Stauch.

At approximately 2100 hours, Medical Staff Member (MSM) [REDACTED], came into the ward to do medication pass. When Inmate Stauch was going downstairs, she was holding her head. MSM asked her if she was okay. Inmate Stauch replied "no." [REDACTED] commented if she was going to throw up she just wanted a heads up. Inmate Stauch said "no, not like that." Inmate Stauch was walking back upstairs and had a strange look on her face. I asked her if she was okay and she replied "no" and kept walking to her cell. Inmate Stauch appeared despondent.

The next three welfare checks I did, she was standing in her cell facing the wall in her cell and just staring at it. On another check she was just sitting on her bed staring at her hands and on another she was leaning back on her bed with her back and head against the wall staring upward.

A copy of this report has been forwarded to Mental Health.

Inmate Stauch Pulls Out Veneer

On Wednesday, July 8, 2020, I, Deputy Holly Meyer (EID# 18112) was assigned as [REDACTED] assist at the El Paso County Jail, located at 2739 East Las Vegas Street, Colorado Springs, CO, 80906.

While walking a 15 minute check in ward [REDACTED], Inmate Letecia Stauch (A0342156) called me over to her cell, and stated her veneer fell out. She showed me the piece of veneer and the spot where it fell out from in her mouth. I asked her how that happened, she stated that she was flossing, the string was caught on her tooth, and it was pulled out on accident.

Inmate Stauch was asked if she would like to send a kite to dental, she said yes, and she was given the time to do so. Inmate Stauch made a statement that she would like to pay to see her own dentist to have it fixed, rather than see the dentist at the jail, and she was going to talk to her family about it.

While she was brushing her teeth I could see her spit blood into the sink. I asked her if it was causing her any pain at this moment, and she said that it did not hurt but she was worried about the root of her tooth being exposed. She stated that she probably wasn't going to eat breakfast because of it.

I placed the veneer in a plastic baggy, labeled it and sent it to property.

I have nothing further at this time.

On Friday, July 17, 2020, I, Deputy Susanne Zamora #09045, was assigned duties as Ward Deputy for █ for Shift II, inside the El Paso County Jail, located at 2739 East Las Vegas Street, Colorado Springs, CO 80906.

At approximately 0615 hours, I informed Inmate Letecia Stauch A0342156, she would be picked up at approximately 0645 for metro court. Inmate Stauch stated, she had a lawyer visit on 7-16-2020, and her lawyer was filing a continuation and that she did not have to be present for court on 7-17-2020. I asked Inmate Stauch if she was refusing to attend court for 7-17-2020. Inmate Stauch stated "yes, they don't need me".

At approximately 0640 hours, Deputy Brad Hart #10007 from the Court and Transport section talked to Inmate Stauch. Inmate Stauch told Deputy Hart the same information, she told me.

I have nothing further at this time.

Letter found in Inmate Stauchs cell

On July 20, 2020, I Deputy Jennifer Poist, EID #18081, was assigned as floor security as ██████████ at the El Paso County Jail located at 2739 E. Las Vegas, Colorado Springs, CO 80906.

At approximately 0530 hours, I began searching through Inmate Stauch, Letcia's #A0342156 personal items to inventory and send to property. Inmate Stauch was removed from ██████████ at approximately 0430 hours to be placed Temporarily Out of Custody (TOC). What appeared to be an indigent envelope was removed from Inmate Stauch's cell; it was addressed to a ██████████ with the return address from Inmate ██████████.

I started skimming the letter and immediately came across statements referring to Inmate Stauch's high-profile case. Throughout the letter, Inmate Stauch claims to maintain her innocence; she mentions timelines and dates before and after the disappearance of her step-son, several pieces of evidence she wishes to share with ██████████ and speaks of suffering from abuse and post-traumatic stress disorder (PTSD). At this time, I notified Sgt Bryant, Mary #12056 of the matter in which the letter seemed to contain. Sgt Bryant advised to continue reading the entirety of the letter, which was approximately 5 pages long, until a Detentions Investigations Team member arrived at the facility.

At approximately 0830 hours, Lieutenant Hanenberg, Lari #96016 and Deputy Sypher, Kevin #12019 were notified of the letter. At this time, Deputy Sypher took possession of the envelope and all its contents.

I have nothing further to report at this time.

Inmate Stauch Moved and Complained She Fell

On 08/06/2020, I, Deputy Tracy Strickland EID: 06003 was assigned duties as floor security ██████████, at the El Paso County Criminal Justice Center (CJC). This facility is located at 2739 East Las Vegas St, in the City of Colorado Springs, County of El Paso, State of Colorado.

At approximately 1805 hours, I was passing dinner trays in the ward. Inmate Letecia Stauch (A0342156) returned from the State Hospital on 08/05/2020, on my shift. At that time, I only had ██████████ available. Inmate Stauch is a Full Restraint Assaultive Disruptive Segregated from All (FRAD) inmate. Inmate Stauch is constantly calling inmates to her door, sliding items under her door, and trying to get inmates to do things for her, as she did previously before going to the State Hospital. Earlier today she was able to talk Inmate ██████████ into making a phone call for her. I told the Inmate ██████████ not to make the call as Inmate Stauch can make her own calls during her hour out. I decided after ██████████ was cleared to put her in that cell, as no one would have any reason to walk past her cell unless they were showering. This move was cleared by Inmate Classification Counselor Heather Stamper (EID03063).

When Deputy M. Munn (EID18028) and I were moving Inmate Stauch to ██████████ she seemed off balance. I asked Inmate Stauch if she was okay. Inmate Stauch said "I was sleepwalking and I fell and hit my head on the concrete." I asked Inmate Stauch if she was okay and she said she was fine. Inmate Stauch then said that medical was supposed to be giving her new meds for sleep walking. Inmate Stauch told me yesterday that she was not on any new meds upon return from the State Hospital. I asked Inmate Stauch if she wanted medical attention. Inmate Stauch said "no." Inmate Stauch was asked if we could see the back of her head and she refused.

At approximately 1840 hours, I called medical and spoke with Medical Staff Member ██████████. I explained Inmate Stauch's behavior and she said to have the medical staff passing medications take a look at her when they came through.

At approximately 2110 hours, ██████████ came into the ward. Deputy K. Byrd EID: 04041 and I took her to Inmate Stauch's cell. Inmate Stauch was non-compliant. Inmate Stauch said "You can't force me to have medical care." Inmate Stauch was adamant that she was not having anyone look at her head. After several minutes, ██████████ departed.

I have nothing further to add at this time.

Stauch, Letecia find note in lunch

On Tuesday, August 11, 2020 I, Deputy Billie Mahan #01050, was assigned duties in Ward One █ at the El Paso County Jail, located at 2739 East Las Vegas Street, Colorado Springs, El Paso County, Colorado 80906.

At approximately 1315 hours, Inmate Stauch, Letecia #A0342156 pressed her emergency button. I went to █ Inmate Stauch's cell, and Inmate Stauch handed me a note and stated it was in her lunch. Inmate Stauch appeared to be shook up about the note. She stated she needed to keep the note for her attorneys.

I took the note from Inmate Stauch and informed her I would look into the matter for her. The note appeared to have peanut butter on part of it. I showed the note to Deputy Melanie Seidler #06082 and asked if she could take a picture of the note and attach it to this report.

On my next fifteen check Inmate Stauch stopped me to ask if I could get her a new lunch. Inmate Stauch appeared to be physically upset about the note. Inmate Stauch was given a different lunch. Sgt. Lipford was notified by Deputy Seidler. I spoke to Deputy Kevin Sypher # 12019. He asked that I fill out the information report form. Deputy Sypher stated he would pick up the original report today.

A copy of the note is attached to this report.

Nothing follows.

Inmate Stauch reviewing of video footage

On August 11, 2020, I, Deputy Jason Gappelberg #06084, was assigned duties as [REDACTED] at the El Paso County Criminal Justice Center, located at 2739 E. Las Vegas in Colorado Springs, Colorado 80906.

At approximately 1350 hours, I got a call over my H/T radio from Sgt. Lipford. Sgt. Lipford requested a land line call. I then called Sgt. Lipford and she advised me that a note was found in Inmate Stauch, Letecia #A0342156 Styrofoam diet tray. After receiving more information, it was found that Inmate Stauch reported this note to the ward deputy.

At approximately 1400 hours, I started reviewing the Avigilon camera system. I reviewed camera #162 small freezer N. During the review at 12:22:36 they began the setup of the tray line. At 12:30:18 one inmate and one trinity staff member began to make the Styrofoam trays. At 12:57 the trays were completed.

At approximately 1430 hours, I concluded the review of the video. I did not witness any tampering or any foul play while the diet trays were being made.

I have nothing further.

Narrative

On 08/11/20, I Deputy M. Siedler 06082 was assigned duties as [REDACTED] at El Paso County Jail. The facility is located at 2739 E. Las Vegas, Colorado Springs, Co. 80906.

I was assisting Deputy Mahan with the lunch meals and after all were handed out, Inmate Leticia Stauch (A0342156) pushed her emergency button. When Deputy Mahan came back down the stairs, she said that Inmate Stauch had found a note placed inside her meal tray. The note was covered in peanut butter. She is on a special diet and part of that diet is no meat. Before I gave her her tray, I opened it to make sure there was no meat on it. I did not see anything alarming on her tray nor did I see a note in the peanut butter as the note being covered in it would suggest. As I did not look at it more than just briefly, I cannot confirm or deny if it was indeed there or the location she found it on her tray.

I retrieved her a new lunch that I watched being made in the kitchen.

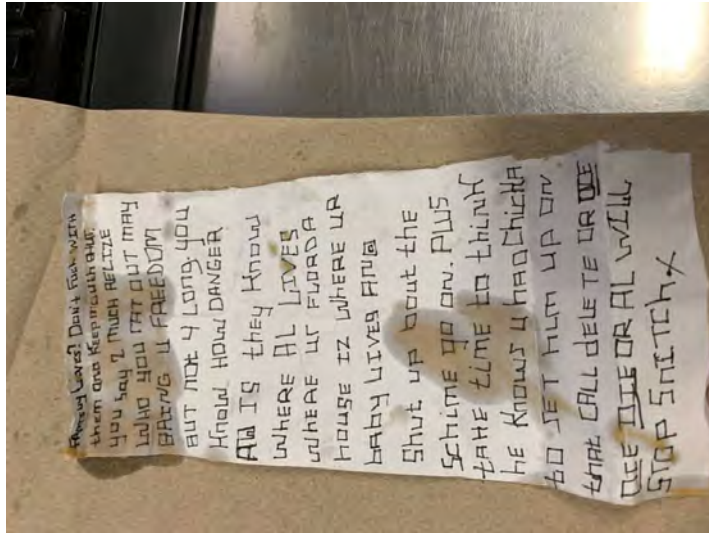

A picture of the note was attached to the report.

Nothing further at this time.

 Stauch – Bruised Hand

On August 15, 2020, I, Deputy Jennifer Jago #19048, was assigned to Floor Security as ██████ Assist on Shift 4 in the El Paso County Criminal Justice Center, located at 2739 East Las Vegas Street, Colorado Springs, CO 80906.

At approximately 1445 hours, I was assisting the ward deputy with completing a Formal Hands and Face check. I opened Inmate Stauch, Letecia (A0342156) cell door and asked to see her hands and face. Reviewing her hands, I noticed slight bruising and swelling on Inmate Stauch's right hand. The bruising was on her middle knuckle to her last (pinky) knuckle.

I asked Inmate Stauch what happened to her hand. She stated that medical staff placed her on new medication and it causes her to jerk at night when she sleeps, and she believes she hit it on her metal bed frame. I asked her if she had received medical attention or needed medical attention. Inmate Stauch stated the med pass nurse looked at her hand that morning and said she would bring her Tylenol, but never came back with Tylenol.

While seg rounds were being completed in the ward at approximately 2225 hours, the nurse looked at Inmate Stauch's hand. Inmate Stauch said she was not in need of medical attention at this time. The nurse told her if her hand feels worse, she can send a Kite to medical. Inmate Stauch acknowledged.

Photos of the Inmates right hand have been attached.

Inmate [REDACTED] wants to murder Inmate Stauch over the boy in the toilet

On Monday, August 17, 2020, I, Deputy Holly Meyer (EID# 18112) was assigned to ward [REDACTED] at the El Paso County jail, located at 2739 East Las Vegas Street, Colorado Springs, CO, 80906.

While Inmate Letecia Stauch (A0342156) was in the day room on her hour out, she and Inmate [REDACTED] had a verbal altercation that was supposedly over toilet talking. From what I understood, one of the male inmates who [REDACTED] was speaking to on the toilet in the ward above [REDACTED] had also talked to Inmate Stauch. Inmate [REDACTED] was complaining loudly to another inmate in the ward. Inmate Stauch could hear her and told something to the effect of "Grow up" and "Quit talking shit, I can hear everything you're saying" Inmate [REDACTED] was angry about this and screamed out her cell that she was going to murder Inmate Stauch. Inmate [REDACTED] told her to mind her own business and screamed out she wasn't even talking to her. Inmate Stauch replied by saying something along the lines of "I ain't no punk, you're acting like a child, those people don't actually care about us". She also stated she knew self-defense and would fight back. Inmate [REDACTED] began pounding violently on her door, and I thought that she might be able to break it open if she continued to hit it. I and an assisting deputy went up stairs to speak with Inmate [REDACTED]

While deputies attempted to speak to Inmate [REDACTED] to calm her down, she stated "I'll kill that bitch for Gannon" and "When I get this door open I wont stop until I kill her." She hit her door several times extremely hard. She seemed to calm down while talking to the deputies in the ward and stopped hitting her door. She then stopped talking to Inmate Stauch for the rest of the night.

Segregations have been placed between the two inmates.

I have nothing further at this time.

Behaviors – 1A2

On August 30, 2020 I, Deputy Katherine Draper, (EID #18084) assigned to █ at the El Paso County Criminal Justice Center (CJC) located at 2739 East Las Vegas Street, Colorado Springs, El Paso County, Colorado 80906

Stauch, Leticia A0342156 – Was doing kicks and punches in her cell and said that she was a black belt in karate, and she was sharpening her skills, refused her meds and refused to talk to mental health when they came into the ward to talk to her.

█ – Continued speaking sexual to me saying she wants to preform sexual acts to me. Inmate █ stated Deputy Gordon isn't on her mind anymore it was me. I told Inmate █ that this behavior was inappropriate and that I will take her hour out for tomorrow if I need to. Inmate █ then went back to her bunk and appeared to be sleeping for a few hours. Inmate █ woke up at approximately 2315 hours and started her comments all over again. Inmate █ is telling me that I need to divorce my husband and marry her.

█ - Took her hour out. Inmate █ started to yell out in the ward thinking people were after her and would cry because she didn't know where she was. At one point she sat at the video screen where the visits are held and held one of the phones as if to talk to someone. When Inmate █ hour out was over, I tried working with Inmate █ to get her back into her cell. I had to help her with hanging up the phone. Once this was done, I assisted Inmate █ walk back to her cell. Inmate █ appeared to be scared and hesitant but was not resistive.

█ – Inmate █ spoke about hearing a voice again. Inmate █ has had a couple assaults on other inmates and deputies. Inmate █ is a little worried that she may be having a manic or mental health episode. Last time she felt like this she assaulted a deputy. She does not feel like she will, but she does know she is feeling off. I did let mental health know and they are passing the information over to █ from mental health. Inmate █ does not want to hurt anyone and spoke very clear about this. She said she has been doing great and wants to progress not be held back.

Medicine in her cell

On September 02, 2020 I, Deputy Katherine Draper, (EID #18084) assigned to █ at the El Paso County Criminal Justice Center (CJC) located at 2739 East Las Vegas Street, Colorado Springs, El Paso County, Colorado 80906

At approximately 1652 hours, Inmate Stauch, Letecia A0342156 was escorted to █ for a pro-visit. While Inmate Stauch was gone I did housing and threw away a milk container, orange peels on a paper towel, and a paper towel from maybe her lunch. Inmate Stauch showed me what was garbage before she left, and she asked if she could have her orange peels and I told her no. I explained to her that those are to be thrown away after her lunch has been eaten. All inmates are aware that they are given 20 minutes for meals.

When Inmate Stauch returned from her pro-visit and placed back at her cell she started yelling from her cell. I could not understand her at first, so I asked her to repeat what she was saying. Inmate Stauch then told me that I threw away her medicine. I asked her where her medicine was because she was not supposed to have medicine in her cell. Inmate Stauch then started screaming at me telling me it was in her milk carton.

I explained to her that I did throw away the milk carton. I said there was a half a carton of water and part of an orange peel. I said I dumped the water in the sink, and I threw away the carton. Inmate Stauch told me I can't throw away her medicine and that I need to go get it. I explained that I was not going to go get it that she was not supposed to have it in her cell to begin with.

Inmate Stauch started getting louder, telling me that it was bull crap that those were her meds and I cannot take them. I then called medical and spoke with Charge Nurse Athena who told me that Inmate Stauch gets those meds in the daytime and she is never to take them back to her cell. Charge Nurse Athena told me that Inmate Stauch is to drink the meds at the med cart.

I then, along with Deputy Meyer 18112, spoke to Inmate Stauch letting her know that I spoke with medical and that she was not to be taking her meds from the cart. Inmate Stauch started getting mad at me and said she was not going to listen to me anymore. Inmate Stauch said that I was going to do whatever I wanted anyways. Inmate Stauch said her medicine is in a powder form and she cannot drink powder. I told Inmate Stauch that I have been with her before when she takes her medicine. Inmate Stauch knows that she is to bring her cup of water to the med cart and that we do mouth checks after taking her medicine. Inmate Stauch started yelling at me that she was not going to listen to me. Inmate Stauch told me that I was a horrible person and that I was pure evil.

At approximately 2000 hours, medicine pass came into the ward. I asked Inmate Stauch with Deputy Meyer present if she wanted her nighttime medicines and she said no. Inmate Stauch said I made it clear about her meds. I am not sure what she meant by this, but she has been refusing her meds at night.

I am charging Inmate Stauch and respectfully request her be found guilty with a Class II #29 Abuse of Medication – An inmate commits this offense when he in any way stores, saves, gives away, or removes any prescription medication without authorization or continues to possess any prescribed medications after a sufficient amount of time has elapsed to swallow or otherwise self-administer the medication given to the inmate by the medical staff.

Inmate Stauch did not consume her medication at the cart as she is supposed to and yelled out in the ward over that fact that I took the milk carton her medication was in.

A DB-45 was emailed to the hearing board

Narrative
Stauch keeps stomach medicine in cell

On Wednesday, September 2, 2020, I, Deputy Holly Meyer (EID#18112), was assigned as [REDACTED] assist at the El Paso County Jail, located at 2739 East Las Vegas Street. Colorado Springs, CO, 80906.

After returning from a professional visit Inmate Letecia Stauch (A0342156) was in her cell when she suddenly yelled out, "You threw out my stomach medicine!" Inmate Stauch was informed that a housing inspection was completed while she was at her professional visit and trash had been removed from her cell. This included a milk carton with orange peelings in it.

Inmate Stauch was asked where she kept the medicine and she stated that it was in her milk carton that had been thrown out. She was informed that she could not keep her medicine in her cell and that she could not keep it in her milk carton.

Deputy Draper informed Inmate Stauch that she needs to take her medicine at the medicine cart and not keep it in her cell. Deputy Draper also informed Inmate Stauch that she talked to a Sergeant and to the Charge Nurse and both confirmed that Inmate Stauch is to take all her medicine at the medicine cart. Inmate Stauch asked "How am I supposed to drink powder?" She was told to bring a cup of water with her to the medicine cart and drink it there. She stated something along the lines of "I can't drink powder!"

As Deputy Draper and I closed Inmate Stauch's door she stated "You're [Deputy Draper] the only one who does this to me, evil bitch!"

I have nothing further at this time.

DISCIPLINARY HEARING REPORT

On Friday, September 11, 2020, at 0732 hours, I, Deputy Andrew Ravenkamp(EID 13078), held the disciplinary board with Inmate Stauch, Letecia(A0342156). The hearing board convened in [REDACTED]. Inmate Stauch attended the hearing board.

Deputy Draper (EID 18084) charged Inmate Stauch with the following rule violations:

El Paso County Sheriff's Office

Incident Report # 200007083

Class II Offense Rule 29. Abuse of Medication

ADVISEMENT AND PLEA:

Inmate Stauch read the advisement of Board of Rights and stated she Understood those rights as written in the Inmate Handbook. Inmate Stauch heard all of the evidence presented against her. Inmate Stauch entered the following plea:

Not Guilty Rule 29. Abuse of Medication

STATEMENT: Inmate Stauch stated she was yelling out of her cell door because she was upset Deputy Draper took her "Medicine." Inmate Stauch stated she uses orange peels as stomach medicine because it helps with digestion. Inmate Stauch stated she never had "prescribed" medication in her cell, and she was only referring to her "orange peels" as her medication. Inmate Stauch stated she was sorry for yelling and apologized to Deputy Draper for her behavior.

WITNESSES REQUESTED: N/A

FINDING:

The Hearing Board Officer has reached the following determination for Inmate Stauch .

Not Guilty Rule 29. Abuse of Medication

REASON FOR DECISION:

The Hearing Board Officer came to a decision from the incident report written by Draper, Meyer and statements made by Inmate Stauch. Inmate Stauch was found not guilty due to insufficient evidence to support this offense. The incident report does not document a specific medication being found by staff nor does it provide evidence of saved or stored medications (Photos, pill details, etc). Inmate Stauch stated "orange peels" were her "Medicine," which was documented in the report as being thrown away by the ward deputy.

After gathering all facts related to this incident and evaluating the situation as presented to the Board, I have reached a final disposition in this matter. The Hearing Board Officer believes, based on all the evidence, it is more probable than not the inmate is Not Guilty of Rule(s) 29.

The Hearing Board Officer believes that based on the evidence presented in this hearing, the severity of the offense, and the way it was committed, the circumstances suggest that the following sanctions are appropriate in this case.

DISCIPLINARY ACTION:

Loss of ALL PRIVILEGES through disciplinary segregation for 0 And 0 Days suspended; therefore, total days in lockdown will be 0 Day(s).

EVIDENCE:

Incident report written by Deputy Draper, Deputy Meyer and statements made by Inmate Stauch.

Behaviors

On September 07, 2020 I, Deputy Katherine Draper, (EID #18084) assigned to █ at the El Paso County Criminal Justice Center (CJC) located at 2739 East Las Vegas Street, Colorado Springs, El Paso County, Colorado 80906

At approximately 1500 hours, while walking a 15-minute ward check Inmate Letecia Stauch A0342156 was standing at her cell door saying she should have got someone's autograph. Inmate Stauch then asks me if I see him. I ask who and she responded with the guy who was just in the ward. Knowing that the only male in the ward was Deputy White, I just shook my head and told her to stop. Inmate Stauch then asks to stop what, that there was a celebrity in the ward. I again told Inmate Stauch to stop and I walked away from her. Inmate Stauch then tells me she wishes she could choke me.

Over the next couple 15-minute ward checks I walked, Inmate Stauch would then call me a monster as I walked by. This could possibly be from when I caught Inmate Stauch with medication in her cell last week and charged her with it. On that day she was telling me I was pure evil.

It appears as if this is all behavioral. When she talks with other inmates in the ward, she does not act like this. When I walked by her cell this afternoon, she had her hair tied in knots on her head and her jumpsuit pants were tied around her waist as if it were a skirt. Another time she would be standing in her cell in her under garments with a rolled-up piece of paper swinging it as if playing baseball. Then she looks at me telling me she is manic. I told Inmate Stauch to stop again and walked away. Inmate Stauch then yells at me telling me I am an uneducated monster and she was smarter more educated then I was. I just continued to walk away.

[REDACTED] refuses to get off exercise equipment

On Wednesday, September 9, 2020, I, Deputy Billie Mahan #01050, was assigned to Ward [REDACTED] at the El Paso County jail. This facility is located at 2739 East Las Vegas Street, Colorado Springs, Colorado, 80906.

At approximately 1305 hours, Inmate [REDACTED] was offered her hour out for the day and to eat her lunch in the dayroom. Inmate [REDACTED] has a Full Restraint Assaultive Disruptive (FRAD) alert. This alert requires two deputies to be present when Inmate [REDACTED] is out of her cell. Deputy Fodera, Andrew #07068, was assisting with Inmate [REDACTED] hour out.

Inmate [REDACTED] accepted her hour out and her lunch then sat down at a table in the dayroom and began eating. Inmate [REDACTED] would approach the deputy desk and make odd statements, ask strange questions or make offensive comments to Deputy Fodera and myself. After a few minutes Inmate [REDACTED] started throwing the rolls from her lunch up in the air attempting to catch the roll unsuccessfully. She did this for several minutes. Inmate [REDACTED] climbed on the exercising equipment, moved around on it without actually exercising while yelling at others. Inmate [REDACTED] stood up on the top of the exercise equipment and Inmate [REDACTED] started taunting Inmate [REDACTED]

Inmate [REDACTED], was standing at her cell door, yelling loudly to Inmate [REDACTED] Inmate [REDACTED] was telling Inmate [REDACTED] to grab the camera and chanting ' [REDACTED] [REDACTED] repeatedly. Inmate [REDACTED] looked at the camera several times but did not attempt to grab the camera. I went to [REDACTED] which houses Inmate [REDACTED] to inform her she had lost her hour out for today and she needed to stop yelling.

I ordered Inmate [REDACTED] off the exercise equipment and to go to her cell. Inmate [REDACTED] refused to move. Deputy Fedora asked Inmate [REDACTED] to come off the exercise equipment, she refused. I called Deputy McCormick, Cody #19018 from [REDACTED] and Deputy Reike, Jannette #18123, from [REDACTED] to respond to [REDACTED]. Both deputies talked to Inmate [REDACTED] to try to get her to come down without success. We discussed attempting to pull Inmate [REDACTED] from the equipment but were concerned she would hit her head causing injury.

During this time Inmate [REDACTED] continued the chant loudly from her cell which incited other Inmates in the ward to yell from their cell as well. Deputies Fodera and Reike also ordered Inmate [REDACTED] to stop yelling from her cell, she refused. Inmate [REDACTED] was yelling so loudly when I called for a sergeant to respond to the ward on my radio, I could not hear a response.

Sergeant Erhardt entered the ward and was informed of the situation. Sgt. Erhardt attempted to talk to Inmate [REDACTED] to get off the exercise equipment, but she refused. Sgt. Erhardt stated he would return in a few minutes.

When Sgt. Erhardt returned, he had several deputies with him. Each deputy took control of different parts of Inmate [REDACTED] body to remove her from the exercise equipment without causing injury. Inmate [REDACTED] was carried to her cell. Her hour out terminated.

I informed Sgt. Erhardt I wanted to send Inmate [REDACTED] to [REDACTED] due to her negative behavior. I went to [REDACTED], Inmate [REDACTED] cell, ordered Inmate [REDACTED] to turn around and place her hands behind her back, she did not. I opened the cell door, secured Inmate [REDACTED]' hands behind her back. Deputy Syreeta Barrow EID#05080, placed handcuffs on Inmate [REDACTED] and she was escorted out of the ward by Deputy Barrow, Deputy Michael Krablean EID#11032 and Deputy Fodera and taken to [REDACTED]

Inmate Stauch, Leticia #A0342156; [REDACTED] and [REDACTED] were all yelling from their cells to Inmate [REDACTED]. Due to their negative behavior these inmates will lose their hour out either today or tomorrow based on whether or not they had their hour out today.

In am asking that Inmate [REDACTED] be found guilty of the following:

Disobeying a Lawful Order, Class II Offenses, Rule 20

El Paso County Sheriff's Office

Incident Report # 200007297

██████████, housed in ██████████ was asked if she would like her hour out; she accepted. Deputy Mahan opened the cell door, Inmate ██████████ was given her lunch tray in the dayroom. Inmate ██████████ asking Deputy Mahan and myself questions that made no sense and began throwing a roll from the lunch tray up in the air and tried to catch it several times unsuccessfully. Inmate ██████████ continued this behavior for approximately ten (10) minutes while yelling and insulting Deputy Mahan and me.

Inmate ██████████ began climbing on the exercise equipment and yelling at the other inmates in ██████████. Inmate ██████████ climbed to the top of the apparatus. Deputy Mahan and I asked Inmate ██████████ to come down from equipment. Inmate ██████████ refused to comply. Inmate ██████████, housed in ██████████ began yelling out of her door, chanting Inmate ██████████ name, and telling her to pull down the CCTV camera that was above Inmate ██████████ head, Inmate ██████████ said she would not damage the camera. Other inmates began yelling out of their doors; Inmate Stauch, Letecia #A0342156, Inmate ██████████ ██████████, and Inmate ██████████ were among the loudest. The more Inmate ██████████ antagonized the ward; the more resistant Inmate ██████████ became in not obeying orders to come down, and the louder other inmates yelled.

Deputy Mahan called in other deputies from the adjoining wards. Deputy Jannette Rieke EID#18123, from ██████████ and Deputy Cody McCormick EID#19018, from ██████████ entered ██████████. Both Deputy McCormick and Deputy Rieke attempted to convince Inmate ██████████ to come down to no avail. Sergeant Brian Erhardt EID#04032, entered ██████████. We discussed our options in getting Inmate ██████████ down from the equipment and back into her cell without hurting her. Sgt Erhardt decided to get more deputies before forcing Inmate ██████████ down. Sgt Erhardt exited ██████████.

At approximately 1320 hours, Sgt Erhardt returned to ██████████ with Deputy Syreeta Barrow EID#05080, Deputy Michael Krablean EID#11032, among others. All the inmates in ██████████ were screaming out of their doors. I took position on Inmate ██████████ left side. Deputy McCormick held Inmate ██████████ legs and pulled her down from the apparatus. I took control of Inmate ██████████ left arm. Deputy Barrow, Deputy McCormick, Deputy Krablean, and I carried Inmate ██████████ to her cell and closed the cell door without further incident.

Deputy Mahan called for an ██████████ trip. Several deputies went to ██████████ where Inmate ██████████ was still yelling out the cell door. Deputy Mahan opened the cell door and Deputy Barrow entered the cell and placed wrist restraints on Inmate ██████████. Deputy Barrow, Deputy Krablean and I escorted Inmate ██████████ to an ██████████. Upon entering ██████████ Inmate ██████████ went to her knees without being told. I removed the hand cuffs from Inmate ██████████ wrists and all the deputies exited the cell.

I have nothing further to report.

At approximately 1230 hours I was in █ when Deputy Billie Mahan #01050 asked if I could assist with a 2-deputy med pass. The nurse was already in the ward when I stepped into ward. The 2-deputy med pass was for Inmate Letecia Stauch (A0342156). She is housed in █ which is on the █ and all they way to the left. When we opened Inmate Stauch's cell door, she was doing a handstand against the wall. The nurse made a statement that she was impressed. Inmate Stauch said that she can walk on her hands. Stauch, Letecia professional visits

On Friday, September 18, 2020, I, Deputy Billie Mahan #01050, was assigned to █ at the El Paso County jail. This facility is located at 2739 East Las Vegas Street, Colorado Springs, Colorado, 80906.

At approximately 0515 hours, I noticed Inmate Stauch, Leticia A0342156 was scheduled for an 1100 hours professional visit in the ward. According to a memo sent out by Commander Gillespie on May 18, 2020 addressing Professional Visitor Operations:

“Professional remote visit video visits cannot be scheduled during standard duty hours (8:00 am – 5:00 pm). Remote video for these wards █ can be scheduled after all the normal “unlock times” to the rest of the inmates in those wards have been offered (typically after 8:30 pm but visitors must coordinate with the front desk staff at the jail for specific times).”

I contacted Sgt. Cynthia Ayyad #99008 to inform her of the attorney not following protocol for professional visits, I mentioned the memo from Commander Gillespie and that earlier in the week Inmate Stauch had a professional visit at 1000 hours. Sgt. Ayyad informed me she would look into the matter.

Sgt. Ayyad advised me of the following information:

Inmate Stauch’s professional visit would be part of Inmate Stauch’s hour out and she would need to plan accordingly if she needed to shower, make phone calls, etc. Inmate Stauch needed to inform her professional visitor if they needed more time, they would have to follow the established protocol. Sgt. Ayyad advised me this issue was addressed through the chain of command up the Chief Shannon.

I informed Inmate Stauch the above information about twenty minutes before her visitor arrived. Inmate Stauch asked why she was being punished. I informed Inmate Stauch she was not being punished; we had an established protocol that her attorneys were not following. I informed Inmate Stauch when her professional visits where during normal scheduled hour outs it caused hour outs to continue until midnight or later. Inmate Stauch stated, “That’s just stupid! Your sergeants don’t know what their doing! How can I prepare, go through papers and take notes when I’m all chained up? I can’t!” I have names of other inmates, male inmates, given to me by the guys upstairs, and they aren’t all chained up!” I have to call my daughter, that’s more important to me.

At approximately 1100 hours, Inmate Stauch’s attorney arrived for her professional video visit. Inmate Stauch asked to talk to her attorney for a minute to inform her of the situation. I said she yes.

Inmate Stauch went to the visiting booth, picked up the receiver and stated loudly enough for me to hear, ‘the jail isn’t going to let me have an hour if I have a professional visit.’ “It’s just stupid!” Inmate Stauch was talking so loudly I could hear parts of her conversation with her attorney. Inmate Stauch stated, “How can I prepare, go through papers and take notes when I’m all chained up? I can’t!” “It’s stupid!” Inmate Stauch hung up the phone and walked to her cell talking about how stupid all of this is.

Nothing follows.

Inmate Stauch Refusing to Eat

On Wednesday, September 23, 2020, I Deputy Holly Meyer (EID#18112), was assigned to █ at the El Paso County Jail, located at 2739 East Las Vegas Street, Colorado Springs, CO, 80906.

While conducting meal pass at approximately 1800 hours, I took Inmate Letecia Stauch her meal. Inmate Stauch said she did not want it. I asked her if she wanted to just look at it and see, she said, "No, take it out please." I asked if she was sure and she said, "I'm not eating anymore."

Later in my shift Inmate Stauch asked "They won't move me to medical, will they?" I told her, "If it becomes a serious issue you might." She replied "Okay... I don't want to move there." I asked her why she decided not to eat she said, "I just don't want to."

During med pass at approximately 1940 hours Inmate Stauch told Deputy Malinski (EID#13111) that she was, "Not eating breakfast, lunch, or dinner."

It was passed onto me that Inmate Stauch refused her lunch. I am documenting this for the future. If she skips a third meal, she will need to go on a food roster.

I have nothing further at this time.

Inmate Stauch Refuses Pro-Visit

On Tuesday, September 29, 2020, I, Deputy Holly Meyer (EID# 18112) was assigned as ██████████ at the El Paso County Jail Located at 2739 East Las Vegas Street, Colorado Springs, CO, 80906.

Inmate Letecia Stauch (A0342156) refused her professional visit scheduled at 2030 hours. When I asked her why she was refusing she stated she did not want to deal with being fully restrained and hurt again. I knew of the incident she was speaking of and had informed Sergeant Bonk of the issue the day it happened. I told Inmate Stauch the deputy she was worried about would not be escorting her and she still refused her visit.

Inmate Stauch also stated that she is upset because she still has to be fully restrained when there are other inmates that act out of line constantly and are free to walk around. So she is also refusing to be fully restrained because she feels she is not being treated fairly.

I have nothing further at this time.

Inmate Stauch Odd Behavior in Medical

On Friday, October 2nd, 2020, I, Deputy Corriea, Benjamin (EID16115), was assigned to MLK 3 at the Criminal Justice Center located at 2739 E Las Vegas street Colorado Springs, CO 80906.

At approximately 1130 hours, Inmate Stauch, Letecia (A0312156) was transferred to [REDACTED]. I was informed that Inmate Stauch was not eating and was flushing her food down the toilet, therefore she would be housed in medical. Inmate Stauch was placed on a food roster per medical.

When Inmate Stauch first arrived in medical, she asked why she was being housed in medical. I told her that is was because she was not eating and she stated, "Its against my religion, I need to fast like it says in the bible". From her arrival to approximately 1600 hours Inmate Stauch was standing at the cell door or appeared to be sleeping.

At approximately 1615 hours, Inmate Stauch started acting strange while in her cell, Inmate Stauch initially started performing hand stands in her cell. Inmate Stauch then started jumping up against the wall and punching and kicking the air like she was fighting.

I started to walk a check when Inmate Stauch asked to speak with me. Inmate Stauch said that she would accept a dinner tray so she, "could get this over with and start my fast". Inmate Stauch refused lunch and initially refused dinner. I called Sergeant Bonk #10024 and asked if he could stand by as I handed Inmate Stauch her dinner tray. Before I gave her the dinner tray, I turned off the water to her cell per Inmate Class. Inmate Class wanted the water to her cell turned off so she could not flush her dinner down the toilet.

I handed Inmate Stauch her tray and closed the door. I then briefed Sergeant Bonk on the odd behavior Inmate Stauch was portraying. Sergeant Bonk told me to write an informational report regarding her strange behavior. Sergeant Bonk stated that he would pull the video footage starting at the approximate time the odd behavior started.

After Sergeant Bonk left medical, I continued to keep a close eye and ear on what Inmate Stauch was saying and doing while in her cell. Inmate Stauch started eating her food and then placed a strip on toilet paper on the floor and stared jumping over it. Inmate Stauch also made the following occasional spontaneous statements: "this place is a concentration camp", "Edward done this", "I need to find my brother because this in a concentration camp", "Where is my brother?", "I need to go to G1 because this ward is the concentration camp", "I chopped his foot off", "Tell me where my brother is at", "Do you think I'm going to plea guilty?", "I need to talk to Edward".

Inmate Stauch continued to act strange while making these statements. Inmate Stauch would dance around her cell and throw tampons at the wall and put them in her hair. I made sure to brief the oncoming shift of the odd behavior and told them to document if the behavior continued. This behavior started at approximately 1615 hours and continued until I left medical at approximately 1930 hours.

Nothing Further.

Inmate Stauch moved to SD1.

On October 2, 2020, I, Deputy R. Kennedy, EID 19091, was working my assigned post as the [REDACTED] at the EPCJ (El Paso County Jail). EPCJ is located at 2739 East Las Vegas, Colorado Springs, Colorado.

At approximately 2345 hours, I walked into the medical ward and witnessed water coming out from under cell where Inmate Stauch, Letecia (A0342156) was housed. The decision was made to move Inmate Stauch to [REDACTED]. Deputy B. Apticar EID 20011 opened the cell and had Inmate Stauch walk backwards out of the wet cell. Inmate Stauch is identified as a Full Restraint/Assaultive and Disruptive inmate. I held Inmate Stauch's right arm while leg restraints were put on; she was turned around and I held her left arm while the waist/wrist restraints were put on. Inmate Stauch complied with all commands and provided no resistance or trouble during the restraint installation.

I held Inmate Stauch's left arm during transport. When leaving the medical ward, Inmate Stauch yelled at the medical team, "I have no issues with the deputies, this is all your fault!" Inmate Stauch said nothing else during the remaining time of the escort.

In the [REDACTED], restraints were removed with no resistance and Inmate Stauch complied with all commands. She looked at Deputy Brisson, who was holding her right arm, and stated, "I have no issue with you."

INMATE STAUCH TO SPECIAL DETENTIONS

On October 3, 2020, I, Deputy B. Apticar, EID #20011, of the El Paso County Sheriff's Office (EPSO), was assigned as the MLK Assist, at the El Paso County Jail (Criminal Justice Center). The El Paso County Jail is located at 2739 East Las Vegas Street, Colorado Springs, CO 80906 in the County of El Paso.

At approximately 2226 hours Inmate Stauch, Leticia, A0342156, yelled out, "What do I got to do to get to SD? Beat on the door?" Ms. Stauch is assigned to [REDACTED] in medical for monitoring due to her missing three meals in a row. She also has the following alerts: Competency Raised, Full Restraints Assaultive/Disruptive. Full Restraints Escape, Mental Health Alert, No Law Enforcement Contact, and Segregated from All.

Ms. Stauch began hitting the door. She also made statements while laughing asking when would we bust her head open. From the camera view I could see her facing the door and kicking it with the bottom of her foot, sandal on. Ms. Stauch continued to do this for a couple of minutes. She then began throwing water under the door. I observed her on camera walk to the sink, fill up her cup, and then bend over and throw the water under the door.

I turned the water off to the cell. The toilet would no longer flush, but water continued to be available from the sink. I notified Sergeant S. Henning, EID #06013. He attempted to turn off the water. Water was still available from the sink. The water Ms. Stauch was throwing began to cover half the hallway despite towels and blankets being placed up against the bottom of her door.

Deputy J. Wray, EID #17044, was dropping off an inmate from Intake and Release. He attempted to de-escalate Ms. Stauch by talking to her. He asked, "Why are you flooding your cell?" Ms. Stauch said, "I lost it." She also made statements about the freedom of religion and said, "I can fast if I want." Deputy Wray agreed with her and said yes, but when you miss three meals in a row, we have to monitor your health by taking your vitals and weighing you. It is a protocol to keep you safe.

Ms. Stauch continued to throw water from under her cell door. Deputy R. Kennedy also checked the pipes to see if there were a way to stop the water from getting to the sink in Ms. Stauch's cell. Sergeant Henning recommended we take Ms. Stauch to [REDACTED]. I let him know that is what she had previously expressed her desire to go to [REDACTED]. I asked Ms. Stauch if she wanted to go [REDACTED]. She said she did.

While preparations were being made to take her to [REDACTED], at approximately 2330 she began kicking her door. Ms. Stauch has been known to slip out of handcuffs. There are special attachments to make the handcuffs smaller. I attached those to the handcuffs in preparation for transport. The water in the [REDACTED] was turned off. The water surrounding her cell in medical and all items used to soak the water up were removed.

At approximately 2345 hours, I directed Ms. Stauch to the back of the cell and face the back wall. She complied. There was a puddle of water in her cell. I directed her to step back to me by following the sound of my voice. I was standing just outside the threshold of her door. Ms. Stauch did as directed. I applied full restraints (handcuffs, leather belt, and leg restraints) to Ms. Stauch, double locking the handcuffs and leg restraints. Ms. Stauch said the handcuffs were on her bone. I slipped them down a small portion to keep them off her bone as much as possible and still be effective. Ms. Stauch was compliant during the application of restraints. No injuries were apparent on Ms. Stauch or any deputy.

Ms. Stauch was transported to [REDACTED] by Deputy Kennedy, Sergeant Henning, and Deputy M. Brisson, EID #13159. The restraints were removed when she got to [REDACTED]. A DB 222 was started by Deputy J. Vela, EID #18058.

I have nothing further at this time.

On October 3, 2020, Inmate Stauch, Letecia A0342156 was in [REDACTED]. Inmate Stauch was transported to [REDACTED] due to her kicking the door and flooding [REDACTED]. Inmate Stauch stated she did not want to sleep on a mattress on the floor.

At approximately 0330 hours, I spoke with Inmate Stauch and she stated she did not want to return to her cell in medical. I asked what would happen if I returned her to medical. She stated she would, "keep those folks awake all night!" Again she stated her desire to be moved to another cell that would allow her to get off the floor. She stated she would stay in [REDACTED] for 6 months if necessary.

At approximately 0505 hours, I asked Inmate Stauch if she wanted to return to her cell so she could eat breakfast and she shook her head no. I asked a second time and she again indicated no with a nod.

Narrative

Stauch attempts to manipulate housing and mental health.

On Saturday, October 10, 2020 I, Deputy J. Lambert, EID 20053 of the El Paso County Sheriff's Office, was assigned to Security Division shift 2 in [REDACTED] at the El Paso County Jail. This facility is located at 2739 E. Las Vegas Street, Colorado Springs, County of El Paso, CO, 80906.

At approximately 1100 hours, Inmate Stauch, Letecia (A0342156) asked about being moved back to [REDACTED]. Stauch said she had been cleared by medical. I asked the charge nurse, Medical Staff Member [REDACTED] to speak with Stauch. [REDACTED] said Stauch was cleared by medical staff, but would continue to be housed in medical for the time being.

Stauch became visibly upset and started rocking her body at the door, making light contact with her head against the cell door window. I asked Stauch if she needed anything. Stauch said she wanted to talk to mental health.

At approximately 1130 hours, Mental Health (MH) staff member [REDACTED], spoke with Stauch. I did not hear exactly what was said, but Stauch replied, "If something happens, it's on you," leading me to believe this conversation did not end in Stauch's favor. [REDACTED] told me Stauch said, "I'm not stupid enough to hurt myself." Stauch appeared to go back to sleep following the conversation with MH.

At approximately 1500 hours, I asked Stauch if she would like her hour out today. Stauch said she just wanted to make a phone call. Stauch is on a 2-deputy precaution, meaning there needs to be 2 deputies present whenever Stauch is out of her cell or whenever her cell door is open. Because of this, I told Stauch she would have to take her hour out in [REDACTED] if she wanted to use the phone. Stauch began to cry and said, "I can't go up there. It's too depressing, because I know I have to come back down here after my hour. I'm going to lose my mind in this cell. They put handcuffs on me too tight and give me bruises." I told Stauch, "I'm just giving you your options, ma'am. If you want time out of your cell and make a phone call, you have to do it in [REDACTED]"

At approximately 1530 hours, Stauch asked what time she would come out of her cell. I told Stauch the earliest she would be able to come out is 2100 hours, per the [REDACTED] deputy. Stauch said, "I just want to make a last phone call to my daughter." I asked Stauch what she meant by that. Stauch said, "This is my last night of being a human. Every night, a vampire comes into my cell and takes my liver and my organs, and I have to fight it to get them back. I'm not going to fight anymore. I'm going to let the vampire take my organs and turn me into a vampire." I asked Stauch if she was thinking of hurting herself. Stauch replied, "No. I'm not going to do anything like that."

At approximately 1615 hours, Stauch began talking to herself and making barking sounds. Stauch also spoke about weapons of mass destruction, asked God to release her, and asked different staff members if they were high. Stauch's conversations with herself were fragmented and non-sensical. Based on Stauch's comments earlier about losing her mind if doesn't get transferred back to [REDACTED], and on the outcome of her conversation with MH, I believe this is an attempt by Stauch to manipulate mental health and housing.

This report is for informational purposes only.

I have nothing further to add at this time.

M1 – Stauch has blood on her face during formal welfare check at breakfast

On Sunday October 11, 2020, I, Sergeant Mary Bryant #12056, was assigned supervisor duties at the El Paso County Jail Criminal Justice Center of the El Paso County Sheriff's Office. This facility is located at 2739 East Las Vegas Street, Colorado Springs, Colorado, 80906.

At approximately 0420 hours, I was in the medical section assisting Deputy Gesina Herbert #19024 with breakfast. While conducting the formal welfare check in [REDACTED] occupied solely by Inmate Stauch, Letecia #A0342156, I saw a significant amount of blood smeared all over her face but none on her neck, her jumpsuit, the cell or on the mattress. I asked Inmate Stauch what happened and she said, "nothing." I told her I needed to take a picture and get medical to evaluate her and Inmate Stauch replied, "No you don't, you don't have permission to do so!" I tried to reiterate to her that it was to ensure she was okay and not hurt. Inmate Stauch pulled the blanket over her face and stopped responding.

I called responding deputies to medical, including Lieutenant Otis Habert #96020, and informed them of Inmate Stauch's non-compliance and the need to be seen by a nurse. With four deputies standing by, I reopened the door to have Inmate Stauch be evaluated by medical. Inmate Stauch was at the sink washing her face. Inmate Stauch said something to the effect of, "the blood on my face must have been from my nose bleed." I told Inmate Stauch that was fine, but we still needed to see her face and head to make sure there were no cuts due to the amount of blood. Inmate Stauch continued to argue about being evaluated by medical but eventually complied with orders to let [REDACTED] look at her head and face. Inmate Stauch complained of tenderness in her head on the right side and told [REDACTED] it was because she sleep walks. [REDACTED] could not locate any cuts on Inmate Stauch. Inmate Stauch would not comply with taking a photograph of her face, but one from the top of her head is attached to this report.

This report is to document Inmate Stauch's behavior.

I have nothing further at this time.

Narrative Behavior

On October 26, 2020 I, Deputy Katherine Draper, (EID #18084) assigned to █████ at the El Paso County Criminal Justice Center (CJC) located at 2739 East Las Vegas Street, Colorado Springs, El Paso County, Colorado 80906

At approximately 1945 hours, Inmate Stauch, Letecia A0342156 was on her hour out and pacing the ward. Inmate Stauch would try and make a phone call and then pace the ward. Inmate Stauch said she got a hold of her daughter but her daughter was crying and saying something about her car breaking down.

Inmate Stauch had got a hold of her daughter just a couple minutes before lock down. When Inmate Stauch was told to lock down at 2000 hours, Inmate Stauch was yelling up to Inmate █████, that Inmate Stauch's daughter was found by E. She didn't use a name only the letter E. Inmate Stauch went to lock down and told me that she wanted to apologize ahead of time, but she was going to start to act out. Inmate Stauch then told Inmate █████ at her cell door that Inmate Stauch daughter is in the witness protection program and that E found her.

At approximately 2100 hours medical was in the ward passing medications. Inmate Stauch refused all her medication. We informed Inmate Stauch that she needed to come down and sign her refusal slip. Inmate Stauch refused to leave her cell and refused to sign the slip from medical.

 Loss of time out/ Behavior

On October 26, 2020 I, Deputy Katherine Draper, (EID #18084) assigned to [REDACTED] at the El Paso County Criminal Justice Center (CJC) located at 2739 East Las Vegas Street, Colorado Springs, El Paso County, Colorado 80906

Through out the entire shift Inmate [REDACTED] made sexually inappropriate comments towards me or about me. Inmate [REDACTED] would tell me what she would like to do to me sexually and making comments about my body when I would walk by her cell while conducting a 15-minute ward safety check.

I informed Inmate [REDACTED] on many occasions that she was being inappropriate and that if the behavior was to continue, I was going to take her time for tomorrow. Inmate [REDACTED] did not seem to care as she would just continue yelling from her cell. This behavior did continue for most of the shift and I did take Inmate [REDACTED] time away for October 27, 2020.

At approximately 1930 hours, while Inmate Letecia Stauch A0342156 was having her time out Inmate [REDACTED] asked her a favor. Inmate [REDACTED] said that Inmate Stauch needed to ask her people to find Deputy Gordons Facebook page and to print off Deputy Gordons profile photos and any photos of Deputy Gordons children. Inmate [REDACTED] asked Inmate Stauch to tell her people and have them send them to her so Inmate [REDACTED] could have them.

Inmate [REDACTED] is in the facility currently for Stalking Deputy Gordon.

Inmate Stauch toilet talking – A2

On November 18, 2020, I, Deputy J. Tillett, EID #13073, with the El Paso County Sheriff's Office Detention Bureau was assigned duties as [REDACTED] Primary Deputy, located at 2739 E. Las Vegas Street, Colorado Springs, CO. 80906.

While taking over the ward, I walked a welfare check and was taking the inmates temperatures. I went to [REDACTED] and opened the door as I asked Inmate Letecia Stauch, A0342156, if I could take her temperature. When I opened the door, the room smelled like it had a sewage back up. Inmate Stauch told me I could not take her temperature. I entered the cell and saw Inmate Stauch has removed all the water from her toilet. This is consistent with toilet talking and it is not allowed. I informed Inmate Stauch that she would not receive her time out on 11/19/20 due to her behavior. I flushed the toilet and exited the cell.

This report is to document behavior only.

I have nothing further at this time.

Inmate Stauch- Odd Behavior

On November 23, 2020, I, Deputy Brandi Kvelums EID #18120, was assigned to Detentions Floor Security in [REDACTED] at the Criminal Justice Center located at 2739 East Las Vegas Street, Colorado Springs, CO, 80906.

At approximately 0800 hours, I assumed duties in [REDACTED]. While walking a health and welfare check, I noticed Inmate Stauch, Letecia (A0342156) laying n her bed with her head hanging off the side and her feet up over her head and resting on the light that is fixed to her ceiling, and talking like a baby. I asked Inmate Stauch if she was doing alright and she stated "Yeah, I am fine. I am super flexible and just talking to the Victorian." Inmate Stauch then told me she did not eat the day prior and did not sleep so she was hallucinating. I told Inmate Stauch to let me know if she needed anything and continued walking my check.

Throughout the day, Inmate Stauch would talk through her vent to Inmate [REDACTED]. At one point, Inmate Stauch stated "Vegetarians eat veggies, so what do humanitarians eat? People. I am a humanitarian and I don't want to bite you, but the Victorian told me I need to eat."

While walking another health and welfare check, Inmate Stauch stopped me and asked if I liked the painting on her wall (Photos attached). I told her I could not really see it. Inmate Stauch informed me she made the paining with blood. I asked Inmate Stauch where the blood came from. Inmate Stauch stated "The Victorian brought it to me. The Victorian brings me everything I need. I am a humanitarian and I eat people because I need to have the blood." I asked Inmate Stauch to show me her hands and arms to make sure she was not wounding herself. Inmate Stauch had no markings on her. Inmate Stauch showed me her legs as well and did not have any visible marks. Inmate Stauch again stated, "I told you, the Victorian sent the blood to me so I could drink."

While Inmate Stauch was on her hour out for the day, she walked around the ward slowly reading the newspaper and would only talk in a whisper. Inmate Stauch talked on the phone but did not have a shower. After Inmate Stauch locked down for the day and another group of Inmates came out, Inmate Stauch talked through her door to them in a normal voice and had a regular conversation about court appearances and her daughter. Inmate Stauch ate the peanut butter and the bread from her lunch. She also ate the cake and Inmate [REDACTED] dinner tray.

Inmate Stauch did not talk about the Victorian for the rest of the day and did not talk about drink blood again after she locked down.

This is for informational purposes only.

Inmate Stauch Toilet Talking

On November 27, 2020, I, Deputy Jessica Riley #18038 of the El Paso County Sheriff's Office, was assigned to Security Division duties in [REDACTED] in the El Paso County Jail located at 2739 E. Las Vegas St. Colorado Springs, County of El Paso, CO, 80906

At approximately 1510 hours, I approached [REDACTED] during a security check. I noticed Inmate Letecia Stauch (A0342156) was leaned over her toilet in [REDACTED]. She stood up quickly. Earlier on in the day I caught Inmate Stauch talking in her toilet to male inmates in [REDACTED] and told her if I caught her toilet talking again, she would lose her out time for tomorrow. Since this was the second time I caught Inmate Stauch toilet talking, I informed her that her hour out would be taken for 11/28/2020. Inmate Stauch told me she does not care if I take her hour out. She also said she will continue to talk in the toilet and there is nothing I can do about it because I can't move her to a different ward. I turned to walk away and Inmate Stauch looked me directly in the eyes while smirking and said, "I have a 180 IQ. You can't one up me Riley."

If Inmate Stauch continues to toilet talk, I will request In-House charges.

I have nothing further at this time.

Inmate Stauch Conceals Something in her Pants [REDACTED]

On Monday, December 14, 2020, I, Deputy R. Schartung, EID 14109, was assigned duties as [REDACTED] inside of the El Paso County Jail, located at 2739 East Las Vegas Street, Colorado Springs, Colorado 80906.

At approximately 1850 hours, before transporting Inmate Stauch, Leticia A0342156, I conducted a thorough pat search and no contraband was found.

While transporting Inmate Stauch in the main hallway from [REDACTED], I observed a bulge in the back of her jumpsuit pants approximately a couple inches wide.

I asked Inmate Stauch, "What do you have in your pants?"

Inmate Stauch did not reply.

I again asked Inmate Stauch, "What do you have in your pants?"

Inmate Stauch then turned towards me and spoke in a low tone. I could not understand what she was saying.

I escorted Inmate Stauch back to [REDACTED]

Inmate Stauch was escorted back to [REDACTED] where she is housed.

The black box and chain were removed from Inmate Stauch. She remained in handcuffs and leg irons.

I asked Inmate Stauch again what she had in her pants. Inmate Stauch became irate. Inmate Stauch yelled, "You are not going to put your hands in my pants!"

I told Inmate Stauch that I would not put my hands in her pants, and that I needed her to remove the item.

Inmate Stauch refused and told me I needed to remove her handcuffs. I told Inmate Stauch I would not remove the handcuffs.

Inmate Stauch then put her hands down her pants, pulled out a wad of toilet paper. Inmate Stauch put the wad of toilet paper within approximately a foot of my face, and then threw it in the air shaking it and yelling, "See! See! It's always you giving me a hard time!"

Inmate Stauch then threw the toilet paper in the toilet. She then turned her back and put her hands in her pants again to straighten per pants.

Deputy M. Siedler EID 06082, and Deputy A. Brokaw EID 14108, were standing by and witnessed the interaction.

Deputy Siedler conducted a thorough pat search on Inmate Stauch and no contraband was found.

The full restraints were put back on Inmate Stauch and I assisted in escorting her to her professional phone call in [REDACTED]. Before she entered the contact room, Inmate Stauch walked past me and said, "You stupid bitch!"

When the professional phone call was completed, I assisted in escorting Inmate Stauch back to her ward.

I have nothing further at this time.

1A2-Inmate Jones

On December 11, 2020, I, Deputy Andrea Heredia, # 16028, was assigned to [REDACTED] at the El Paso County Criminal Justice Center (CJC) located at 2739 E. Las Vegas Street, Colorado Springs, Co 80906.

At approximately 0900-1100 hours, unknown exact time, while walking a welfare check, Inmate [REDACTED] in [REDACTED], told me she had written a letter to Judge Jill Brady. Inmate [REDACTED] said the letter she sent out to Judge Brady was like the one she wrote to Chief Clif Northam, # 94007.

See Jail Management System (J.M.S.) report # 190007320 and the attachment for a copy of the letter.

At approximately 1251-1351 hours, Inmate Letecia Leann Stauch (A0342156) was out of her cell for her hour out. Inmate Stauch is currently housed in [REDACTED]. Inmate Stauch told me, the letter Inmate [REDACTED] wrote to Judge Brandy was in sexual content about Inmate [REDACTED] and Judge Brady. In the letter, Inmate [REDACTED] was also letting Judge Brandy know she was not "messaging around with Deputy Gordon anymore."

At approximately 1420 hours, I was walking a welfare check on the top tier. As I passed [REDACTED], I had seen Inmate [REDACTED] talking in the vent with [REDACTED], Inmate Stauch. As I walked towards [REDACTED] I heard Inmate [REDACTED] yell, HEREDIA! HEREDIA! I had seen Inmate Stauch talking in the vent with Inmate [REDACTED].

Inmate [REDACTED] said, "Heredia, come here!" As I passed by her door again. I stopped to see what Inmate [REDACTED] needed. Inmate [REDACTED] said, "This bitch says I'm crazy." As she was pointing towards Inmate Stauch's cell. Inmate [REDACTED] stopped to laugh and said "Taylor said she was going to do the same thing, I did..." Inmate [REDACTED] continued to laugh and said "About writing a letter to the judge like I did to Judge Brady."

Inmate [REDACTED] continued to laugh. As she pointed again toward [REDACTED], Inmate [REDACTED] said "who's the crazy one?"

Inmate [REDACTED] refers to Inmate Stauch as "Taylor" or "Taylor Swift." Inmate Stauch always responds to Inmate [REDACTED] when she calls her "Taylor" or "Taylor Swift."

Inmate Stauch feels Sexually Harrassed

On 12/17/2020 I, Deputy Kimberly Byrd #04041 was assigned duties as floor security [REDACTED] at the El Paso County Criminal Justice Center (CJC). This facility is located at 2739 East Las Vegas St, in the city of Colorado Springs, county of El Paso, state of Colorado.

At approximately 0650 I let Inmate Stauch, Leticia # A0342156 out of her cell to get her morning medications. As we walked to the stairway inmate Stauch asked me if the number on wall above the phones was the number to call for "a PREA". I told her yes, she could call that number to report it.

After she took her meds and came back up the stairs I asked her if she had anything she wanted to tell me. She shook her head yes and went on to say that she feels she and "the others" are being sexually harassed by inmate [REDACTED]. She stated that inmate [REDACTED] is "always showing us her boobs and playing with herself". Inmate Stauch said she does not think it is fair that she has to put up with all the "things [REDACTED] says" but she stated that if anyone says anything to [REDACTED] then she becomes very aggressive and belligerent. She went on to say that she did not want to be moved, but that it is unfair that inmate [REDACTED] is allowed to stay where no one can get anywhere without having to pass her cell. She lastly stated that she was going to report it.

When I walked the next check inmate Stauch came to the door with letters for the outgoing mail and a handwritten letter that she asked me to give to Inmate Classification. The letter was handwritten front and back and details why she feels sexually harassed by inmate [REDACTED].

I took the letter given from inmate Stauch and as I was getting off shift I took it to the Inmate Classifications Office and gave it to Liz O'Neal.

I have nothing further to add at this time.

Incident Photos

On December 15th, I expressed my concerns and disagreements with inmate Jones for making sexual comments to me in the vent for showing her boobs to me when I walk by and for making sexual comments that turned into sexual harassment. Every person that walks by to the shower on the top tier has to see her naked, see her play with herself, or hear someone explicit comments in the shower. Due to my expression of not being interested in her or her derogatory comments, she retaliated to retaliation and racial slurs. I admit, I did respond to her ignorance originally with slurs back which is out of character. However, this does not excuse sexual misconduct. It's not just towards me, it's towards some inmates whom have severe mental disturbances. I understand this is a mental health ward but she's clearly in control of her sexual actions. She is a sexual predator and because she can't ^{physically} touch someone, she harasses others sexually (verbally) and if the person doesn't accept or engage she will retaliate on them. I know people will make stupid comments in here but we shouldn't be subjected to unwanted sexual comments or harassment. Everyone that showers shouldn't have to see her naked at her door or playing with herself. If doesn't stop there, we have to hear how she plays with her dick, how she will put her dick in someone's mouth, and explicit comment to deputies. My it's not part of my "course" for inmates or deputies to hear how she is going to ^{fuck} them over, "lick private parts" etc. I antispeak for the staff but I can deal with a lot but not sexual harassment and retaliation because you don't someone ask them to stop speaking to you this way and they refuse to retaliate as retaliation.

I had to hear her tell Cabella to "lick her pussy" and when Deputy Morris retorted her she told her that she was going to kill her kid and watch the kid die. Maybe you have a process to help deputies with the harassment but inmate shouldn't fear going to the shower because she will ask them for unwanted favors or show them her body. NO, it was not me who said they fear the shower going by her (I'm on the opposite side). Instead it was another female inmate who said it made her feel uncomfortable. Point is, women do like women but for heterosexual people, we should not be emotionally abusing and verbally attacked because we do not want to engage in dirty comments getting asked for her to walk by, etc. I did not do this, I'm not on lockdown and they won't have me in A1... I'm in A2 (which is okay) and shouldn't have to move cells (I don't harass people in the shower sexually) but she needs to move cells because I do not accept her sexual harassment as retaliation. I do not smile, but this is unprecedented because this is violation based on sexual acts. Not just for me but for the others who can't even walk to the shower to wash their female herself or hearing comments. She is on lockdown until Feb because of this and she's about to go to C.M.H.I. Can you please move her? I'm sorry to bother you, I have extreme PTSD when it comes to sexual harassment. I was molested by my step father and I don't think anyone should have to suffer consequences due to a sexual predator like inmate Jones.

Thank you,

P.S. NO, this is not some "break up" situation that you guys probably get from inmates. Nothing against it, I have gay friends... I've never had a relationship with her. Just wanted to clarify that because I'm sure you hear this from people who have. I know you can't stop what people say (free speech) but I got chased over at Kingsland a while so I can't involve sexual misconduct in this speech. I'm not asking for changes in that this should remain private, instead I'm asking that she be moved.

Thanks

Narrative

Inmate Stauch goes to SD

On December 25, 2020, I, Deputy Conor Dornan (18110) was assigned duties as [REDACTED] at the El Paso County Jail located at 2739 E. Las Vegas St. Colorado Springs, County of El Paso, CO, 80906

At approximately 1305 hours, I went to [REDACTED] to escort Inmate Letecia Stauch (A0342156) back to [REDACTED] from her professional visit. Inmate Stauch is a full restraint inmate meaning she is wearing wrist restraints, leg restraints, black box, and waist chains any time she is being transported. I explained to Inmate Stauch that i would be taking control of one of her arms to help prevent her from falling. It is part of policy to keep physical control of any inmate who is in leg restraints to help prevent the inmate from falling and hurting themselves. I then took control of Inmate Stauch's left arm. Deputy Riley who was assisting me with transport took control of Inmate Stauch's right arm. Inmate Stauch then stopped walking and attempted to pull away from Deputy Riley. She said she doesn't want to be touched and didn't want her arm being held. I explained to Inmate Stauch that we were there to escort her back to [REDACTED] where we could remove all of the restraints and give her lunch. Inmate Stauch said, "I have PTSD. I don't want any females touching me, i don't want some dike touching my arm. I asked Inmate Stauch if she was going to continue walking to [REDACTED] Inmate Stauch said, "Your going to have to carry me because I'm not moving."

It was at this time Deputy Riley called a [REDACTED] trip out of [REDACTED]. I then placed Inmate Stauch's left arm into a Mechanical Advantage Control Hold (MACH). As soon as i did this Inmate Stauch dropped her body weight and picked her feet up off the floor. Deputy Riley and I began carrying Inmate Stauch to [REDACTED]. We moved Inmate Stauch into the Charlie Elevator where we were instructed by Sgt. Erhardt to place her on the floor. We picked up Inmate Stauch, who continued to keep her feet lifted off the floor, and began walking toward [REDACTED]. A wheelchair was brought into charlie mod area and we lifted Inmate Stauch into it. Inmate Stauch was escorted to [REDACTED]. While in [REDACTED] Inmate Stauch was asked multiple times by Sgt. Erhardt if she wanted her restraints removed and she kept yelling "no don't touch me." Restraints were left on.

Medical staff responded to [REDACTED] and checked the restraints on Inmate Stauch for proper tightness and circulation to her hands and feet.

Photographs of restraints were taken and attached to this report in Beacon.

I returned to my duties as [REDACTED].

I have nothing further at this time.

At approximately 1300 hours, I heard an [REDACTED] trip called out of [REDACTED]. Deputies escorted Inmate Leticia Stauch to [REDACTED]. Once she was in the cell, I asked her if we could remove the restraints off her. Inmate Stauch stated, "No I don't want my restraints removed." She re-stated the same statement after being asked multiple times.

Approximately 30 minutes passed by and I asked her if she was ready to return to the ward and have the restraints removed. She stated that she would compliantly go back to the ward and would like to have the restraints removed.

Deputy Justin Torres and I escorted her back to [REDACTED] without further issue.

I exited the ward and re-assumed my ward duties in [REDACTED].

Narrative
Inmate Stauch to [REDACTED]

On December 27, 2020, I, Deputy Jessica Riley #18038 of the El Paso County Sheriff's Office, was assigned to Security Division duties as [REDACTED] Assist in the El Paso County Jail located at 2739 E. Las Vegas St. Colorado Springs, County of El Paso, CO, 80906

At approximately 1300 hours, Deputy S. Malinski #13111 requested that I assist Deputy C. Dornan #18110 with escorting Inmate Letecia Stauch (A0342156) back to [REDACTED] from her professional visit in [REDACTED]. Inmate Stauch has alerts in Beacon for Full Restraints Assault/Disruptive Full Restraint Escape and Seg from All. For this reason, Inmate Stauch was in full restraints including wrist restraints, leg restraints, black box, and waist chain. I responded to the [REDACTED] area. Deputy Dornan took control of Inmate Stauch's left arm. I gained control of Inmate Stauch's right arm. It is common practice to keep physical control of any inmate who is in leg restraints to help prevent the inmate from falling and injuring their self. Inmate Stauch took a step and then stopped walking. She said she does not like to be touched. Deputy Dornan and I explained to Inmate Stauch that we were there to escort her back to [REDACTED] where we could remove the restraints. Inmate Stauch said, "I have PTSD. I don't want any females touching me, especially a dyke. I asked Inmate Stauch if she was going to continue walking to [REDACTED]. Inmate Stauch said, "Your going to have to carry me."

I called for a [REDACTED] trip out of [REDACTED]. I told Deputy Dornan to get into a reverse Mechanical Advantage Control Hold (MACH). I was unable to get into a reverse MACH myself due to Inmate Stauch dropping her weight and picking her feet up off the floor as I was trying to adjust my hold. I was able to hold Inmate Stauch's weight by crossing my arms under her right arm. We began carrying Inmate Stauch to [REDACTED]. Multiple deputies responded to our location in [REDACTED]. Once in the Alpha Charlie elevator, we lightly set Inmate Stauch down so her knees were touching the elevator floor. I asked [REDACTED] to [REDACTED].

if she was going to walk the rest of the way. Inmate Stauch said, "Nope." We picked up Inmate Stauch, who continued to keep her feet lifted off the floor, and began walking toward [REDACTED]. A wheelchair was brought to our location and we lifted Inmate Stauch into it. Inmate Stauch was escorted to [REDACTED]. Once at the door. I asked Inmate Stauch if she would stand up and enter the cell. Inmate Stauch did stand up and walked into [REDACTED] where she took a seat on the cement bench. I asked Inmate Stauch if she would allow us to take the restraints off without causing any issues. Inmate Stauch said, "I'll sit in here all day with them on." A nurse was called for on the radio to check restraints. Inmate Stauch was asked again if she would like us to remove the restraints. Inmate Stauch gave a similar answer as before and appeared not to care if the restraints were left on.

Medical staff member [REDACTED] responded to [REDACTED] and checked the restraints on Inmate Stauch for proper tightness and circulation to her hands and feet.

Photographs of restraints were taken and attached to this report in Beacon.

No further assistance was needed. I returned to my duties as [REDACTED].

I have nothing further at this time.

Narrative
Inmate Stauch to SD

On Thursday December 25, 2020, I, Deputy S. Malinski (13111) assigned to floor security as [REDACTED] Deputy at the El Paso County Criminal Justice Center at 2739 East Las Vegas Street, Colorado Springs, CO 80906.

At approximately 1200 hours, Inmate Stauch (A0342156), had a visit in visiting [REDACTED].

I conducted a pat search on Inmate Stauch. Deputy J. Riley (18038), came to the ward and assisted while I applied full restraints on Inmate Stauch. Inmate Stauch was compliant through this process. Deputy C. Dornan (18110) came to the ward to assist Deputy Riley with the escort as Inmate Stauch is a two-deputy inmate.

Deputy Riley took light control of Inmate Stauch's right to begin the escort. Inmate Stauch pulled her right arm and took a step away and stepped away from Deputy Riley. I recall her saying don't touch me.

I said to Inmate Stauch what's going on? Do you want me to escort you as I approach her to control her right arm? Inmate Stauch said yes.

I took light control of Inmate Stauch's right arm. I did this as to be able to catch her if she were to trip or fell while wearing full restraints. I escorted Inmate Stauch to [REDACTED] with Deputy Dornan. Inmate Stauch was compliant. During the escort I asked Inmate Stauch if her leg irons were ok, she said yes. I asked Inmate Stauch this question as she has said on multiple occasions while in the ward that her ankles get cut up from the leg restraints.

Inmate Stauch started her visit and I returned to the ward.

Inmate Stauch returned to the ward approximately 1530 hours.

At approximately 1540 hours, while conducting a 15-minute welfare check Inmate Stauch said to me I want to do a PREA, she said I'm serious I want to do a PREA. I said okay, and that I would be back to talk to her.

I spoke to Sergeant B. Erhardt (04032,) this that time I spoke to Sergeant Erhardt I thought Inmate Stauch was talking about an inmate housed next to her. When I asked Inmate Stauch the first time who it was she wanted to report the PREA on I pointed her the next cell and said next door, she shook her head yes. Inmate Stauch must have misunderstood me.

I spoke again to Inmate Stauch about her comment of wanting to report a PREA. I asked her again who it was for. Inmate Stauch replied it was Deputy Riley. Inmate Stauch said it has happened three times with Deputy Riley. Inmate Stauch said she has PTSD from sexual assaults from a man and from a gay girl. She continues to say she does not have a problem with men touching her or pat searching her because she likes men. She said but I don't like gay girls like Riley. I asked her how she knows Riley is gay, she said oh I know. Then she said other deputies don't touch me like Deputy Riley did. I asked her how the other deputies touch her that was different than Riley. She showed me that she touched her upper arm instead of her elbow.

Incident Report # 200010634

said to Inmate Stauch that deputies control the upper arm and not the elbow, so it doesn't cause injury to the joint.

I had controlled the same area of her arm as deputy Riley did when Deputy Riley took control of Inmate Stauch's arm prior to her visit.

As we continued to talk Inmate Stauch said deputy Schroder has taken her to court many times and always tells her before she touches her. She said I told deputy Schroder that I have PTSD. I explained to Inmate Stauch if she is going to be escorted out of the ward, she can talk to the ward deputy and or the escorting deputies. I said to her if you ask respectfully and are cooperative and you choose to let the deputies you have issues with PTSD. This could help to prevent you from having issues. I explained the deputies are not looking to cause an incident but there are certain things we must do.

When we summed up our conversation Inmate Stauch said she understood and did not want to report a PREA incident.

I have nothing further.

A2- Jones to SD

On December 27, 2020, I, Deputy Ashley Pierce, EID #19077 was assigned as Ward Deputy for █ at the El Paso County Jail located at 2739 E. Las Vegas Street, Colorado Springs, Colorado, 80906.

At approximately 2000 Hours, while assuming duties of the ward, Inmate █ was standing at her cell door yelling about multiple things. Deputy Morris, Stephanie EID# 18114 informed me Inmate █ had been yelling for most of the day because she (Inmate █ hates her (Deputy Morris). Inmate █ was yelling multiple statements of "you're a dyke bitch that needs to just try this big black dick", "fuck you baby killer" and "fuck this place". After about 10 minutes Inmate █ stopped yelling and appeared to sleep.

A couple of hours later, Inmate █ woke up and started yelling again. She stated, "Taylor you're a cunt and if you would just try this dick you would love it." Taylor is a known nickname for Inmate Stauch, Letecia A#0342156. Inmate Stauch yelled back stating, "you're just mad cause I like Morris fuck you" and "you don't have a dick, you're delusional." Inmates Stauch and █ yelled back for a few minutes about how much they hated each other. Both Inmates were informed they needed to stop with the yelling because they were disrupting the ward. After several minutes passed, Inmate █ began yelling about how she believed it was not right for Inmate Stauch to still be alive. Inmate █ made several sexual comments about how she wanted Inmate Stauch to "be raped and made to feel helpless and to suffer", "you're lucky I don't shove my fist up your fat Indian pussy", "you are going to wish you were dead when I'm through with you", "just let me shove my black dick deep in your pussy so we can be happy." I told Inmate █ she needed to stop disrupting the ward and to stop with the lewd comments. Inmate █ yelled "fuck you bitch" and continued describing sexual acts she wanted to partake in.

I then called for █" over my issued radio. █ meaning █. Once responding deputies arrived, I keyed open Inmate █ cell door and told her to put her jumpsuit top on and get off her bunk. Inmate █ stated she was not going to comply. Responding deputies and I then entered the cell and told Inmate █ to get off her bunk so she could be escorted to █. Inmate █ stated she was not going to comply, and we were not going to touch her. At this time, Deputy Barr, Derek EID#18048 told Inmate █ to get off her bunk and she replied, "ok for you nigga ill go." Inmate █ then jumped off her bunk and Deputy Chavarria, Desiree EID#18040 then maintained control of Inmate █ left side while another Deputy maintained control of Inmate █ right side as I placed standard metal wrist restraints. I checked the restraints for appropriate tightness and double locked them for safety. Deputy Heavener, Amanda EID# 13143 then handed me Inmate █ jumpsuit top so I could put the shirt on Inmate █ as to keep her from being exposed during escort to █.

Inmate █ was then escorted out of the ward while she was yelling "I am going to come down here with 2 pistols and unload on all of you", "one clip will be just for you Chavvy" and "fuck law enforcement." Once in █ was called to do a restraint check and Inmate █ remained in step 1 wrist restraints until 2354 Hours. During her time in █ Inmate █ yelled and banged on the cell door and removed her jumpsuit top and put it in the toilet.

Inmate █ spent the remainder of my shift in █. Multiple attempts were made to try to get Inmate █ returned to the ward. Each attempt ended with Inmate █ being belligerent causing us to leave her in █ longer.

I respectfully request Inmate █ be charged with the following:

Narrative

Inmate [REDACTED]

On Sunday, December 27, 2020, I, Deputy Desiree Chavarria EID 18040 was assigned to [REDACTED] at the El Paso County Jail located at 2739 East Las Vegas Street, Colorado Springs, Colorado 80906.

At approximately 2215 hours, I heard a radio transmission from the [REDACTED] deputy asking for another deputy to give her a call. I went into the ward along with another deputy to see what was going on. Deputy A. Pierce EID 19077 informed us Inmate [REDACTED] would be going to [REDACTED]. I had been informed when I came on shift Inmate [REDACTED] and Inmate Stauch, Letecia A0342156 had been yelling and screaming at each other all day long.

Once more responding deputies arrived the cell door was keyed open, and I was the second deputy to enter the cell. Inmate [REDACTED] was lying on the top bunk and continued saying "I ain't cooperating for you." Inmate [REDACTED] was yelling out statements about Inmate Stauch calling her a baby killer and stating Inmate Stauch deserved a bullet in her head.

Inmate [REDACTED] continued to push her body flat up against the cell wall so we could not grab her and assist her off the top bunk. Deputy D. Barr EID 18048 ordered Inmate [REDACTED] off the bed. Inmate [REDACTED] stated she would cooperate for him. Inmate [REDACTED] began swinging her legs of the bunk erratically almost striking me and another deputy. I blocked Inmate [REDACTED] leg from striking me with my left forearm.

I then gained control of Inmate [REDACTED] left arm and placed Inmate [REDACTED] against the wall so we could get handcuffs on her. Once handcuffs were placed, we placed Inmate [REDACTED] jumpsuit top on to cover her breast because they were currently exposed. I escorted Inmate [REDACTED] from the ward along with Deputy Barr. Inmate [REDACTED] continued to yell out things like: A child was murdered put in a suitcase and thrown off a bridge, Do you even care?

Upon arriving in [REDACTED] Inmate [REDACTED] went down to her knees at the back of the cell. Inmate [REDACTED] was asked if she would fight us if the handcuffs were removed Inmate [REDACTED] stated No. As the handcuffs were being removed Inmate [REDACTED] made statements about coming down to the jail and killing all the deputies. Inmate [REDACTED] became very agitated, only one cuff had been removed at this time. I attempted to talk to Inmate [REDACTED] and let her know she had to calm down in order for the cuffs to come off.

Inmate [REDACTED] continued turning her head side to side and threatening to kill everyone. Because she would not stop and give another clear affirmation of cooperation the one cuff that had been removed was again placed on her wrist. Medical Charge Nurse was requested over the radio. As we were waiting for medical Inmate [REDACTED] continued to make threats. Inmate [REDACTED] looked in my direction as I maintained control of her left arm. Inmate [REDACTED] stated something like I will kill each one of you especially you Chavy for lying. Inmate [REDACTED] was referring to charges that I brought upon her a few weeks ago.

The handcuffs were checked for tightness and comfort by the Charge Nurse. When asked to wiggle her fingers Inmate [REDACTED] stated something like What the fuck for, you stupid bitch. Pictures were taken of the handcuff placement and of Inmate [REDACTED] face. Inmate [REDACTED] was ordered to stay on her knees and facing the cell wall until she heard the cell door close behind her. All deputies exited the cell without further incident.

I have nothing further at this time.

Incident Report # 200010736

STAUCH [REDACTED]

On December 28, 2020, I, Deputy B. Miller 13077, was assigned to [REDACTED] at the El Paso County Criminal Justice Center (CJC) located at 2739 East Las Vegas Street, Colorado Springs, Colorado 80906.

At approximately 0920 hours, I was notified by Inmate Classification Brie Anderson #20061 that Inmate Stauch, Leticia #A0342156 needed to be moved to [REDACTED] and Inmate [REDACTED] would be moved to [REDACTED]. I informed Inmate Stauch that I needed here to pack up her belongings because she was moving cells. Inmate Stauch became belligerent and began pacing in her cell, stating we were "messaging with" and "harassing" her. Inmate Stauch then stated she would not eat because she knew if she did not eat for an entire day, she would be housed in medical. That way she could have her radio and sheets. I attempted to de-escalate Inmate Stauch by telling her we were separating her and Inmate [REDACTED]. Inmate Stauch and Inmate [REDACTED] had been exchanging racial slurs (calling Inmate [REDACTED] a "Nigger" and "Sexual predator" and Inmate [REDACTED] calling Inmate Stauch a "Murderer" and "baby killer") and threats ("I'll beat your ass!" and "Come out here, I'll kill you", by both inmates) for some time.

I attempted to explain to Inmate Stauch this move was best for both of them but she stated she didn't want to move because she like to look into the day room and could see from her cell window. Then she said, "You all are gonna see a psychotic bitch for the next 3 months", as she continued to pace in her cell. She then said, "I am the victim here, it's not fair that I have to move." Inmate Stauch then said, "If you are going to play games with me, then I am going to play games with you!" Inmate Stauch then began to pack up her belongings and bring them to the door. I asked if she was willing to move cells. She stated she was not and that she would rather wear a safety smock and be moved to the lower tier. I asked if she meant she was stating she was suicidal. She said yes. I asked if she had a plan and she said she was refusing to answer any further questions. At this point, it was evident that Inmate Stauch was attempting to manipulate her housing assignment.

Mental Health [REDACTED] was already in the ward, conducting evaluations on a few inmates on the lower tier. I asked [REDACTED] to speak to Inmate Stauch. Inmate Stauch refused to speak to [REDACTED].

Inmate Stauch continued to yell at and exchange racial slurs with Inmate [REDACTED]. Deputy Alicia Brokaw #14108 and Deputy Kayla Rodriguez #16096 arrived in the ward to place restraints on Inmate Stauch and escort her to a [REDACTED] in the [REDACTED].

Initially, Inmate Stauch was verbally uncooperative. After a few minutes, Inmate Stauch allowed herself to be restrained and escorted to [REDACTED].

I am requesting Inmate Stauch and Inmate [REDACTED] be found guilty of the following rule violation:

15.Threats An inmate commits this offense when he communicates a desire or intent to injure or harass another person or K9 (verbally, physically, or in writing), or to commit a crime of violence or an unlawful act dangerous to life, whether or not such consequences, in fact, occurs. A threat does not have to be specifically directed at a particular individual or individuals or K9

22.Deviant or Delinquent Behavior An inmate commits this offense when he presents any rude, intimidating, harassing or immoral behavior or activity, by verbal or physical means that is intended to elicit a reaction from another which is contrary to the safety and security of the facility. This includes making, displaying or creating any offensive, intimidating, vulgar, or harassing behavior, or any pornographic material, designs, activity, noise or correspondence.

36.Verbal Abuse An inmate commits this offense when he/she repeatedly insults, taunts, challenges or makes communications in offensively coarse language to, another in a manner likely to provoke a violent or disorderly response.

38.Disruptive Noise or Activity An inmate commits this offense when he whistles, makes banging noises, stomps his feet, or yells at any time in any facility or vehicle

A DB045 was completed for each inmate and sent to the Hearing Board.

I have nothing further at this time.

Stauch Yellow Sheet [REDACTED] Supplement

On Monday, December 28th, 2020, I, Deputy Alicia Brokaw, #14108, was assigned duties as the ward Deputy for [REDACTED], Shift II, inside the El Paso County Jail, located at 2739 East Las Vegas Street, Colorado Springs, CO 80906.

At approximately 0930, Deputy B. Miller #13077 called me on the phone and asked me to assist in moving Inmate Stauch, Leticia #A0342156 to a different cell within [REDACTED] where she was currently housed. Inmate Stauch is listed as a 2 Deputy, FRAD/Seg-All.

When I arrived in the ward, Deputy Miller stated that Inmate Stauch was refusing to move and stated that she was going to kill herself. Deputy Miller was able to get Inmate Stauch to hand her all her belongings through the food trap as she was going to be dressed out to a yellow sheet.

I attempted to go speak with Inmate Stauch with Mental Health at her cell door and she refused to speak with Mental Health. Inmate Stauch stated that she was not going to move out of her cell without a fight.

I called Sergeant L. Lipford #10051 and informed her of the situation. Sergeant Lipford instructed me to call Charlie Mod Deputy K. Rodriguez #16096 to come to [REDACTED] and assist me in getting Inmate Stauch out of her cell. I also called Intake and Release and asked them for female deputies to assist.

Once responding deputies entered the ward, I instructed Inmate Stauch to go to her knees and place her hands out of the food trap so restraints could be placed on her. Inmate Stauch refused at first and backed away from the door and stated we were going to have to fight her. I informed Inmate Stauch that she could willingly be placed in restraints or we would be coming into her cell. Inmate Stauch stated "OK! OK! I will do it."

Inmate Stauch came to the door and placed her hands out of the food trap. Inmate Stauch was restrained with the black box and leg restraints. I assisted responding deputies in transporting Inmate Stauch to [REDACTED].

Once in [REDACTED] restraints were taken off and Inmate Stauch dressed herself into a safety smock. Inmate Stauch was [REDACTED]

At approximately 1100 hours, Inmate Letecia Stauch (A0342156) was on hour out when Inmate [REDACTED] started to look out the window covering that was partially up on her door, yelling at Inmate Stauch. Inmate Stauch began telling me that she reported a claim of PREA on Inmate [REDACTED] through the kiosk, and feels like she is being retaliated and harassed for reporting this incident by Inmate [REDACTED]

I told her I could look into the matter but was not aware of the incident that occurred. Inmate Stauch said "Okay" and did not address Inmate [REDACTED] after the conversation.

Inmate [REDACTED] stopped yelling out of her door approximately five minutes after I completely covered her window from the view of Inmate Stauch.

On January 5, 2021, I, Deputy J. Tillett, EID #13073, with the El Paso County Sheriff's Office Detention Bureau was assigned duties as [REDACTED] Primary Deputy, located at 2739 E. Las Vegas Street, Colorado Springs, CO. 80906.

Inmate [REDACTED], returned from [REDACTED] at approximately 2103 hours. I was briefed Inmate [REDACTED] was in [REDACTED] due to yelling at other inmates. Inmate [REDACTED] began yelling at approximately 2122 hours.

Inmate [REDACTED] was yelling at Inmate Letecia Stauch, A0342156, about being a "fucking murderer". Inmate Stauch appeared to be asleep and did not respond.

Inmate [REDACTED] was told to stop yelling and being disruptive or she would be returning to [REDACTED]. Inmate [REDACTED] said, "I don't give a fuck". Inmate [REDACTED] said, "every time I am out of my cell, I'm getting paid".

Inmate [REDACTED] pushed her emergency alarm and demanded I bring her a pen because I took hers and I am preventing her from writing to her judge. I told Inmate [REDACTED] I didn't touch her pen and was not in her cell while she was in [REDACTED]. Inmate [REDACTED] yelled about not giving a fuck about the cops and how she was going to spit in a deputy's mouth, and we were not able to do anything about it. Inmate [REDACTED] said when she gets out, she's going to "come back with a real gun, not a Glock 22, a Glock 19 and shoot cops". Inmate [REDACTED] said she would not be going to prison for it.

Inmate [REDACTED] was yelling at Inmate [REDACTED], talking about her pussy, how she needs to smell her hair because it smells like pussy, called her a wetback and other things.

Inmate [REDACTED] began yelling about Deputy S. Gordon, EID # 14098, and said since Deputy Gordon isn't here anymore, the charges should be dropped. Inmate [REDACTED] went on to say she "didn't fuck Deputy Gordon, Deputy Gordon fucked her". Inmate [REDACTED] said, "I don't fuck skanks and I can go either way, I got a baby daddy".

Due to Inmate [REDACTED] being awake and now yelling back at Inmate [REDACTED] I called [REDACTED] over the radio and asked if they had a cell available. I requested transport to [REDACTED] for Inmate [REDACTED] advising she was behind a door. At approximately 2147 hours, responding deputies arrived and I requested a spit hood due to Inmate [REDACTED] threats of spitting in a deputy's mouth. I uncovered Inmate [REDACTED] cell door window and saw she only had pants and shoes on. I told Inmate [REDACTED] to put her shirt on and she refused. I told her to turn around and she refused. I entered the cell when she was back by her desk and told her to turn around as I approached. Inmate [REDACTED] turned around and I grabbed both of her arms and secured them behind her back. Deputy J. Poist, EID# 18081, placed wrist restraints on, checked them for tightness and double locked them. I told Deputy Poist to put the spit hood on Inmate [REDACTED] while I held her arms. Deputy Poist placed the spit hood on and grabbed Inmate [REDACTED] jumpsuit top and placed it on her. Inmate [REDACTED] was escorted to the ward door by Deputy Poist and I. Responding deputies took over transport at that point.

In [REDACTED] the restraints were removed with out incident.

Inmate [REDACTED] returned from [REDACTED] at approximately 0225 hours and immediately began yelling again. Inmate [REDACTED] pushed her emergency button and continued to yell and berate female deputies. Inmate [REDACTED] then began yelling about Inmate Stauch's charges. Calling Inmate Stauch Satan and a murderer, saying she should have a shot herself. Inmate [REDACTED] said she is going to "get in that bitch's ass every day, 7 days a week" and she doesn't "give a dam about [REDACTED] because you deputies will take me there and bring me back".

Inmate [REDACTED] began yelling at Inmate [REDACTED], telling her, her baby is in DHS custody and someone will probably drop her on her head. Inmate [REDACTED] told Inmate [REDACTED] that her baby was safe with her Dad. Inmate [REDACTED] responded that the baby's Dad was "playing with her pussy". Inmate [REDACTED] told Inmate [REDACTED] to stop yelling at people before someone tries to commit suicide. I spoke to Inmate [REDACTED] and got her to stop responding to Inmate [REDACTED]. Inmate [REDACTED] expressed concern for her family because of Inmate [REDACTED] behavior. She said Inmate [REDACTED] has people on the outside. I asked Inmate [REDACTED]

El Paso County Sheriff's Office

Incident Report # 210000174

[REDACTED] if she has given any of her personal information and Inmate [REDACTED] said nothing other than her name. I told Inmate not to give Inmate [REDACTED] any information and not to talk to her.

Inmate [REDACTED] is basically harassing anyone in the ward that responds to her.

This report is to document behavior only.

I have nothing further at this time.

Inmate [REDACTED] lost hour out – [REDACTED]

On January 13, 2021, I, Deputy J. Tillett, EID #13073, with the El Paso County Sheriff's Office Detention Bureau was assigned duties as [REDACTED] Primary Deputy, located at 2739 E. Las Vegas Street, Colorado Springs, CO. 80906.

At approximately 0330 hours, Inmate [REDACTED], began yelling out of her cell. At first it was just directed at me about the cell window being partially covered. Inmate [REDACTED] then began yelling at Inmate Leticia Stauch, A0342156, about her charges. I believe Inmate Stauch was asleep at first and didn't respond.

Inmate [REDACTED] then moved on to Inmate [REDACTED]. Inmate [REDACTED] was yelling about Inmate [REDACTED] daughter. Inmate [REDACTED] responded and Inmate [REDACTED] escalated the yelling and taunts until I got Inmate [REDACTED] to stop acknowledging Inmate [REDACTED]. Inmate [REDACTED] began yelling at me again.

Inmate Stauch appeared to wake up and began yelling at Inmate [REDACTED]. Then Inmate [REDACTED] and Stauch continued to yell at each other. I attempted to get Inmate Stauch to stop responding to Inmate [REDACTED] but she wouldn't listen to me. I finally got Inmate Stauch to stop responding and Inmate [REDACTED] began yelling at me.

Inmate [REDACTED], began yelling and it wasn't directed at anyone. Inmate [REDACTED] yelled at Inmate [REDACTED] too.

Inmate [REDACTED] does not care about going to [REDACTED] nor does Inmate [REDACTED] care about having time out of the cell. Inmate [REDACTED] just verbally attacks anyone in the ward who responds to the yelling and taunts. Inmate [REDACTED] yells about other inmate's personal information, families/children and charges. Anything that will get a response from anyone in the ward.

I left the window covering over Inmate [REDACTED] cell window and revoked Inmate [REDACTED] hour out today.

This report is to document behavior only.

I have nothing further at this time.

Inmate Stauch yellow sheet

On January 13, 2021, I, Deputy Jennifer Poist, EID #18081, was assigned as floor security as [REDACTED] at the El Paso County Jail located at 2739 E. Las Vegas, Colorado Springs, CO 80906.

From approximately 1630 hours to 1715 hours, Inmates [REDACTED] and [REDACTED] were screaming at each other and being extremely disruptive. Several inmates, to include Inmate Stauch, Letecia #A0342156 were at their cell doors, complaining about the noise level and stating these interactions happen nearly every day.

At approximately 1700 hours, Inmate Stauch stopped me during a routine welfare check; she was leaning up against the cell door, lightly tapping her head on the cell window and stated she thought she might end up downstairs soon. Suicide precaution inmates are housed on the lower tier of the ward so, I asked Inmate Stauch if she was feeling okay and she shrugged her shoulders. I asked Inmate Stauch if she felt like hurting herself; she replied, no. Inmate Stauch then asked if Deputy Tadlock, Tamara #17029 would be in the ward again soon because she liked talking with her.

During the next routine welfare check, Deputy Tadlock stopped at Inmate Stauch's cell and spoke with her. It is my understanding Inmate Stauch stated she was hearing voices and continued to tap her forehead on the cell window. Deputy Tadlock contacted Mental Health staff member [REDACTED]; he was advised of the situation but stated he would see Inmate Stauch in the next few days since her actions did not require immediate attention.

At approximately 1740 hours, Inmate Stauch made a general statement to Deputy Tadlock about the feeling to want to hurt herself. Inmate Stauch did not have a plan and was kept in constant visual while a second deputy responded to the ward. Inmate Stauch was placed in full restraints and escorted to Intake and Release to be changed into a safety smock.

The following people were notified: Sgt Erhardt, Brian #04032, Mental Health staff member [REDACTED] Medical staff member [REDACTED] and Inmate Classification Counselor Wood, Jarle #18059.

Inmate Stauch was re-housed in [REDACTED] as a Yellow Sheet suicide alert inmate. The cell was sanitized and Inmate Stauch was given new hygiene items. A DB004 form was completed and Inmate Stauch's personal belongings were placed in her Lockdown Property.

I have nothing further to report at this time.

Narrative

I, Deputy Tamara Tadlock/17029, am currently assigned to the El Paso County Sheriff's Office (EPSO), Detentions Division, Court Services. On Wednesday, January 13, 2021, I was on duty at the El Paso County Jail, located at 2739 E. Las Vegas St., Colorado Springs, CO 80906. I was dressed in the standard class B uniform and I was assigned to [REDACTED].

I was in [REDACTED] assisting with welfare checks. At approximately 1700 hours, I was conducting a welfare check and I saw Inmate Leticia Stauch/A0342156 lightly tapping her forehead on the window of her door. I asked Inmate Stauch how she was doing and why she was tapping her head on the door. She told me that she was hearing voices and asked if I could contact Mental Health so she could speak with someone about it. I did, and was told that if it was not emergent, as in Inmate Stauch was not currently hurting herself, they would be by in the next day or two to speak with her. I reported this to Inmate Stauch.

At approximately 1740 hours Inmate Stauch said the voices she was hearing were telling her to hurt herself. I relayed this to Deputy J. Poist/18081. I stayed near Inmate Stauch's door until another Deputy arrived in the ward. Since Inmate Stauch is a "two deputy" inmate, two deputies are required to open her door. Deputy S. Cofield/10006 and I placed full restraints (wrist restraints, belly belt, and leg restraints) and walked Inmate Stauch to Intake and Release. Deputies M. Coromina/19010 and H. DeLaurentis/16040 assisted me in changing Inmate Stauch's clothing from a jumpsuit to a smock.

Deputy Cofield and I walked Inmate Stauch back to [REDACTED] where she was moved from [REDACTED]

I have nothing further to report.

Narrative

Inmate [REDACTED] and Inmate Stauch lose hour out

On Wednesday January 22, 2021, I, Deputy S. Malinski (13111) assigned to floor security as [REDACTED] Deputy at the El Paso County Criminal Justice Center at 2739 East Las Vegas Street, Colorado Springs, CO 80906.

At approximately 1725 hours, I was conducting a 15-minute welfare check. Inmate [REDACTED] was on her hour out with other GP inmates. I was walking on the bottom tier and it seemed to me Inmate [REDACTED] was waiting for me to go upstairs so she could go near a cell door.

Inmate [REDACTED] was talking to [REDACTED] Inmate Laticia Stauch (A0342156), and [REDACTED] I make sure Inmates stay near the day room table, so they are not near the cell door. I tell Inmate [REDACTED] that each time she is out.

I called to [REDACTED] and asked Deputy J. Riley (18038) I asked if she could watch Inmate [REDACTED] on the camera system while I walked the top tier.

As I got part way down the top tier walkway, I could not see Inmate [REDACTED] at the table. I called down to Inmate [REDACTED] to get away from the cell doors. Inmate [REDACTED] walked away from the doors and I could see papers in her hand.

At this time Deputy Riley walked into the ward, she asked Inmate [REDACTED] what she put behind her back and told her to give it to her. Inmate [REDACTED] handed the papers to deputy Riley. The papers were approximately 5 crossword puzzle papers ripped from a book. Inmate Stauch received a crossword puzzle book from inmate mail the other day and currently has it in her cell.

Deputy Riley handed the papers to me, I put them in the trash as contraband. Inmate [REDACTED] asked me why would throw them in the trash, I said it is contraband. Inmate [REDACTED] got angry and started walking laps in the day room yelling to me, I don't recall everything she was yelling but it pertained to me needing to smoke something to calm me down, she said I need something to do or I will toilet talk etc. I asked Inmate [REDACTED] if she wanted to lock down, she said I don't give a shit if you lock me down. I then told Inmate [REDACTED] to go lock down. Inmate [REDACTED] walked up the stairs still yelling to me, but she did lock down.

For this behavior Inmate [REDACTED] stayed locked down and lost her time out for today, Inmate Stauch lost her hour out for tomorrow 1/23/20.

I have nothing further.

Alpha 2

On January 24, 2021 I, Deputy Katherine Draper, (EID #18084) assigned to [REDACTED] at the El Paso County Criminal Justice Center (CJC) located at 2739 East Las Vegas Street, Colorado Springs, El Paso County, Colorado 80906

At approximately 1800 hours while walking a 15-minute ward safety check Inmate Stauch, Letecia A0342156 stopped me and told me she is now acting as her own attorney and now they will have to provide her evidence to her case in the facility. I immediately told Inmate Stauch she is not to be talking to me about anything let alone her case. Inmate Stauch said she knew but she wants everyone to know this. Inmate Stauch then raises her voice saying something about the Cartel and I again told her to stop and I started talking over her explaining that I am not to talk to her and that includes listening to her talk about her case. She said she knows but she needed to tell someone. I told her I am not the one she needs to talk to and that it will stop. Inmate Stauch stopped talking about it.

At approximately 2200 hours Inmate [REDACTED] continuously pressed her emergency light. I answered her the first time she pressed it and she claimed to be in a ton of body pain and said she had written a bunch of kites to medical and no one is getting her medication. She stated that her body hurts so bad that she is looking for Tylenol. I called down to medical who confirmed that Inmate [REDACTED] has not send any kites about any issue let alone one for body pain. I told Inmate [REDACTED] this and she said that she did not send a kite she only spoke to a deputy. I explained to her that she needs to send a kite. Inmate [REDACTED] then says they will need to see her or send her to the hospital but one way or another they will see her. Inmate [REDACTED] is visibly upset.

At approximately 2030 hours Inmate [REDACTED] started screaming in her cell. Inmate [REDACTED] was pacing in her cell most of the shift. You could see Inmate [REDACTED] pacing faster as the shift went on. Inmate [REDACTED] would then scream out in her cell while punching at something in her cell. Inmate [REDACTED] continued this behavior for a bout an hour. She never hit herself or the wall or furniture. It seemed as if she was fighting someone, but no one was in her cell with her. Eventually Inmate [REDACTED] appeared to be sleeping on the top bunk.

Stauch negative behavior

On January 31, 2021, I, Deputy Ashley Pierce, EID #19077 was assigned as Ward Deputy for █ the El Paso County Jail located at 2739 E. Las Vegas Street, Colorado Springs, Colorado, 80906.

At approximately 0200 Hours, I was walking a formal welfare check of the ward when I witnessed Inmate Stauch, Leticia A#0342156, talking with her head in the toilet. This action is called toilet talking and an Inmate typically does this to communicate with other Inmates in a ward above or below theirs.

I told Inmate Stauch to flush her toilet and to give me the toilet paper tubes she was using. Inmate Stauch became upset and stated she would flush her toilet now but would be emptying the water back out as soon as I walked away. I told her if she did so I would be taking her unlock time away for the day. Inmate Stauch then asked me what would happen if she did it a third time and got caught. I told her I would then send her to █ and write her up for disobeying a lawful order. Inmate Stauch said "you can't do that because I am too high profile and no one can tell me what to do and get away with it." I told Inmate Stauch she has already been informed of the repercussions of her actions if she proceeded to toilet talk so it was up to her as how she wanted to continue the day.

Inmate Stauch did not toilet talk the remainder of my shift but continued to make comments of "you don't know how to do your job", "you'll be in my lawsuit", and "I am too high functioning for this place, I am not incompetent and you guys will be accommodating for my needs."

At approximately 0500 Hours, while serving breakfast, Inmate Stauch apologized to me for her behavior and stated she only acted this way because she is "too high functioning" and we "don't do anything to accommodate her specific needs with that issue."

This report is for informational purposes only.

I have nothing further to report at this time.

Inmate Stauch Toilet Talking

On Sunday, 02/07/2021, I, Deputy Amanda Schmutzler (19014), of the El Paso County Sheriff's Office (EPSO), was assigned to the Security Division, shift one, [REDACTED], within the El Paso County jail, located at 2739 E. Las Vegas St, Colorado Springs, county of El Paso, CO 80906.

At approximately 0218 hours I was walking a security check on the inmates within the ward. I walked to [REDACTED] that houses Inmate Leticia Stauch (A0342156). Inmate Stauch is known to "toilet talk" frequently. I saw that Inmate Stauch was stretching at her desk and I saw that her toilet bowl did not have any water within it.

I asked Inmate Stauch about her toilet bowl and she flushed her toilet and did not answer me. I told Inmate Stauch to quit talking in the toilet. Inmate Stauch said, "That's fine, take my hour." I informed her I would not be taking her hour.

At approximately 0233 hours I walked by Inmate Stauch's cell again and saw that the water had been drained from the toilet bowl. I confronted Inmate Stauch about it and she flushed the toilet again. Inmate Stauch said, "I'm going to keep doing it. I'm already on lock down. I'm going to keep talking to them. You can't keep me from doing it."

I informed Inmate Stauch that she would be written up for her behavior. Inmate Stauch stated again, "That's fine. I'm on lockdown in here anyway. I'm going to keep doing it."

Narrative

Inmate Stauch Continues Toilet Talking

On Sunday, 02/07/2021, I, Deputy Amanda Schmutzler (19014), of the El Paso County Sheriff's Office (EPSO), was assigned to the Security Division, shift one, [REDACTED], within the El Paso County jail, located at 2739 E. Las Vegas St, Colorado Springs, county of El Paso, CO 80906.

At approximately 0303 hours I was walking a security welfare check on the inmates within the ward. I came to [REDACTED] which houses Inmate Leticia Stauch (A0342156). When I looked into the cell I saw that the water had been drained from the toilet bowl. On my previous check at 0248 hours the water had still been in the bowl from our previous interaction regarding her toilet talking.

Please Reference report # 210001128.

I confronted Inmate Stauch and she flushed the toilet again. I told Inmate stauch to stop toilet talking. Inmate Stauch stated, "Just take my time. I'd rather you just take my time so I can spend it in the cell and keep talking. Writing me up doesn't do anything."

I stood up and began to walk to the ward door to talk to the [REDACTED] deputy and I heard a toilet flush from [REDACTED]. Based off the previous interactions with Inmate Stauch this seemed to me to be her trying to hide that she was still toilet talking.

I called [REDACTED] and talked to Deputy Rollins (19025). I told Deputy Rollins which cells in his ward were likely toilet talking to Inmate Stauch based off of the "Toilet Talking Cheat Sheet". I asked Deputy Rollins to check the cells and see which cell it was. Deputy Rollins never called me back regarding the cells potentially toilet talking.

At approximately 0318 hours I saw that the water had been drained from Inmate Stauch's toilet bowl again. I confronted Inmate Stauch and she ignored me. I again told Inmate Stauch to stop toilet talking. Inmate Stauch said, "I already told you, I'm not going to stop."

I went to the mod and asked for Deputy Cross (19042) to assist me in the ward to remove Inmate Stauch from her cell and take her to [REDACTED]. While walking to the cell door I called for an [REDACTED] transport out of the ward.

I opened Inmate Stauch's cell door and ordered her to stand and put her hands in front of her. Inmate Stauch became angry and said, "Why?" I informed Inmate Stauch that because she could not stop talking in the toilet she would be removed from the cell temporarily. Inmate Stauch attempted to argue and say that I had caught her the time previously because she had not had a chance to say goodnight to the male she was talking to.

I again ordered Inmate Stauch to put her hands in front of her. I applied the wrist restraints to Inmate Stauch's wrists and placed the "black box" onto the cuffs. I placed the chain around the black box and told Inmate Stauch to turn in a circle so I could place the chain around her waist.

Inmate Stauch did not move. I ordered Inmate Stauch again to turn in place and she said, "Figure it out." I gave Inmate Stauch a moment longer to comply with the order and she did not move. I reached out with my right hand and placed it on her left shoulder, gripping it firmly enough to move Inmate Stauch in a circle and continue placing the chain around her waist.

Inmate Stauch said, "There you go!"

Once the chain was secure I ordered Inmate Stauch to pick up her left foot. Inmate Stauch would not pick up her feet. I ordered her to pick up her foot again. Inmate Stauch did not move. I knelt down and began to place the leg restraints onto her left ankle. Inmate Stauch began to turn and step away from me. Deputy Heavener (13143) moved forward and Inmate Stauch began pressed against the cell wall. I did not see what Deputy Heavener did.

I finished applying leg restraints to Inmate Stauch and she was removed from the cell and taken to [REDACTED].

El Paso County Sheriff's Office

Incident Report # 210001129

I conducted a shakedown of Inmate Stauch's cell while she was in [REDACTED]. The search yielded four staples within religious reading material, a comb within her personal letters, and a "toilet talking tube" made out of cardboard. It should be known that due to the post orders within ward [REDACTED], no inmate within the ward is allowed to keep combs in their cell or be in possession of staples at any time.

Pictures were attached to this report.

Inmate Stauch was returned to her cell at approximately 0530 hours.

I am charging Inmate Stauch with the following:

Class II Rule 16, Resisting- Inmate Stauch was in violation of this rule when she refused to turn around for the restraints to be placed and again when she refused to lift her feet to be placed into leg irons.

Class II Rule 20, Disobeying A Lawful Order- Inmate Stauch was in violation of this rule when she continued talking into the toilet.

Class II Rule 22, Deviant Or Delinquent Behavior- Inmate Stauch was in violation of this rule when she engaged in the immoral behavior and continued to engage in behavior that is contrary to the safety and security of the facility.

Class II Rule 27, Unauthorized Possession of Contraband- Inmate Stauch was in violation of this rule when there was a comb within her cell as well as four staples.

A copy of this report and a disciplinary DB45 were sent to the Hearing Board Officer via e-mail.

I have nothing further at this time.

Inmate Stauch talks about her extradition

On 7 February, 2021, I, Deputy Michaela James, EID 17041 was assigned as [REDACTED] at the El Paso County Jail, which is located at 2739 East Las Vegas Street, Colorado Springs, Colorado 80906.

At approximately 1150 hours, I walked into [REDACTED] to inform the deputy she had an inmate scheduled for a webex visit. The inmate scheduled to go was identified as Stauch, Letecia, A0342156. Due to a previous incident with Inmate Stauch during her extradition, I do not interact with Inmate Stauch. Inmate Stauch is a 2 Dep/FRAD inmate meaning two deputies must escort her to her professional while she is in full restraints. Due to the previous incident, I assumed duties in [REDACTED] while the ward deputy and the [REDACTED] deputy walked her to her professional.

Approximately an hour later, I returned to [REDACTED] to allow the other two deputies to escort her back to the ward. Upon returning to the ward, the second deputy quickly stepped away to grab an item out of the mod. Inmate Stauch began speaking to me before I was able to leave the ward.

Inmate Stauch said, "Hey, I'm sorry for what I did before, I wasn't on my Ativan. I've been wanting to tell you that ever since but I never see you." The only interaction I have had with Inmate Stauch was during her extradition when she assaulted me. I did not speak to Inmate Stauch before she started the conversation and did not ask any questions.

Informational Inmate Stauch Toilet

On 2/20/2021, I, Deputy Rieke, Jannette EID 18123, was assigned to ██████████ at the Criminal Justice Center located at 2739 East Las Vegas Street, Colorado Springs, Colorado 80906.

At approximately 1500 hours I accepted my duties in the ward. Soon after, Inmate Stauch, Letecia A0342156 reported to me that her toilet was having issues. She continued to explain that a few days prior maintenance came into the ward and attempted to fix the issue. She said that after they left the toilet continued to leak. I eventually gave her and Inmate ██████████ cleaning supplies for their cell floor because both toilets in ██████████ began to leak.

At approximately 1700 hours as I conducted a check, I saw that Inmate Stauch's toilet appeared to be clogged and was filled with water. I waited for another deputy to be able to give her a plunger and supervise her using it. During this time, as she was plunging, the water appeared to be properly draining. She asked if she should flush the toilet and I instructed her just once and she would have to continue to plunge. She agreed. She plunged a few times and made the toilet overflow. I believe this was intentional. She became frustrated and said she was done with the plunger. I removed the plunger from her cell and the cell door was closed behind her. I then looked into ██████████ and it appeared that the floor was drying. Inmate ██████████ reported to me that she could now flush her toilet but it was slightly leaking from the bottom seal.

I informed Inmate Stauch that I would temporarily place her in cell, so that I could plunge the toilet myself, and get her cell floor cleaned up. She agreed. Approximately five minutes later she began to state that I was inhumane and that I was treating her badly. While she continued to yell at me through her cell door, I heard her toilet flush. For this reason, I decided to turn off her water until I could figure out what was going on with the toilet.

Multiple attempts were made to unclog the toilet, in ██████████ with a plunger. Inmate Stauch was housed to ██████████ was placed out of service. A work order was submitted for both ██████████. Sgt. Smith, EID 07016, and Inmate Classification Jarle Wood, C18059, were notified.

I had no further issues.

Inmate Stanberry loses hour out A2

On Monday, February 22, 2021, I, Deputy Holly Meyer (EID#18112), was assigned to [REDACTED] at the El Paso County Jail. Located at 2739 East Las Vegas Street, Colorado Springs, CO, 80906.

At approximately 2030 hours Inmate [REDACTED] was out in the day room on her hour out. She stated she needed to press charges against her family members and investigations to her to talk to the ward deputy. I told inmate [REDACTED] to use the crime tip hotline to report the crime. This answer was not sufficient for Inmate [REDACTED] and she then demanded to speak to a sergeant. I told her I would speak to a sergeant about it when I had the opportunity. This answer also upset Inmate [REDACTED] she glared at me for a few seconds then walked away.

I then asked Deputy C. Bradburry (EID# 19053) to stand by in my ward for the remaining time Inmate [REDACTED] was out as I thought Inmate [REDACTED] behavior would escalate.

It should be noted that Inmate [REDACTED] has a spithood alert in beacon.

At approximately 2040 hours Inmate [REDACTED] approached the deputy desk and asked, "Do you have my indigent package in your desk?" I told her I did not. She then asked me to check my desk for her indigent package. I again told her I did not have her indigent package. She then said, "Fuck you bitch!" and walked away. I told Inmate [REDACTED] to lockdown. She responded with, "Fuck you!" as she started walking up the stairs. She yelled back, "I'm pressing charges against all you fucking deputies!" She then walked up to [REDACTED] and flipped off Inmate [REDACTED] who was sitting on her bunk eating her snack and yelled at her, "Fuck you Mona Lisa!". Inmate [REDACTED] then walked over to [REDACTED] and stopped at the door and spit on the cell window at Inmate Letecia Stauch's (A0342156) face and called her a "Nigger lover." Inmate [REDACTED] then went to her cell and slammed the door with enough force that it failed to lock and swung back open. She then slammed it at least two more times before finally shutting the cell door.

She then started to scream in her cell, and call inmates and Deputies racial slurs, such as wetback, and nigger lover.

Inmate [REDACTED] was informed that she lost her hour out for tomorrow due to her behavior.

Narrative

Inmate Stauch odd behavior

On Monday, March 8, 2021, I, Deputy L. Shanahan (EID 19093) was assigned to ward █ at the El Paso County Jail, located at 2739 East Las Vegas Street, Colorado Springs, CO, 80906.

At approximately 1130, I was standing at the deputy desk looking around and I observed Inmate Letecia Stauch, (A0342156) standing at her cell door without any clothing on. She looked straight at me and before I could say anything she turned around and walked off. Inmate Stauch came back a few minutes later with her top on.

After a few fifteen-minute welfare checks, I observed Inmate Stauch standing in her cell crying. I stopped and asked her if she was ok. She stated "No, I'm not okay. They are making me choose between my son and stepson and I don't know what to do!" Because we have a no law enforcement contact order with Inmate Stauch, I did not ask her to explain or clarify what she was talking about. I only asked her if she needed to speak with mental health.

Inmate Stauch said she did not need to speak with mental health because they haven't done anything to help her in the past. She also said she does not trust them. Inmate Stauch then said "I just need Jesus and normally he is here with me, but today he isn't."

I again offered for Inmate Stauch to speak with mental health and she declined. I advised her to let me know if she changes her mind. I observed Inmate Stauch for the rest of my shift until 1500. She was pacing in her cell and writing on a yellow pad of paper. She was also occasionally crying.

This is for informational purposes only.

I have nothing further to report at this time.
