El Paso County Sheriff's Office  
Detention Bureau  
REMOVAL OF SEGREGATION FORM

To: Inmate Services

Date: 3/28/2021

From: Stauch Letecia 00342156  
Last First Middle

I would like to have the following segregation(s) removed from my segregation list. I understand that the inmate(s) that I am segregated from must also fill out a "Removal of Segregation Form". If that inmate does not wish to fill out a "Removal of Segregation Form", I understand that the segregation(s) will remain in effect.

Each inmate's statement must clearly state the reason "why" the removal of segregation is being requested, and that all inmates involved can co-exist in the same ward. You must also explain what circumstances have changed to justify the removal of the segregation.

I also understand that the Inmate Services Office will review both inmate requests for removal of segregation and determine if the segregation(s) should be removed.

1. Name of Inmate(s) on list:  
[Redacted]

2. Brief, specific reason(s) why you are requesting the removal of segregation:  
We are not even sure why we are segs because [Redacted] has been my true friend for 1 year in [Redacted]. We always talked, in each other's vent, Bible Study together, etc. I think something got taken out of context when she said she would "kill". She was talking about my other personality and we were joking. I told her I needed her [Redacted] to get rid of it for me. I think someone overreacted on our conversation. She agrees. I've helped with everything while in [Redacted] and we are friends... most days the only person I ever talked to in [Redacted].
