REMOVAL OF SEGREGATION FORM

To: Inmate Services

Date: 3-24-2022

From: Stauch Letecia
Last First Middle

I would like to have the following segregation(s) removed from my segregation list. I understand that the inmate(s) that I am segregated from must also fill out a "Removal of Segregation Form". If that inmate does not wish to fill out a "Removal of Segregation Form", I understand that the segregation(s) will remain in effect. Both have completed form

Each inmate's statement must clearly state the reason "why" the removal of segregation is being requested, and that all inmates involved can co-exist in the same ward. You must also explain what circumstances have changed to justify the removal of the segregation. No issue ever existed

I also understand that the Inmate Services Office will review both inmate requests for removal of segregation and determine if the segregation(s) should be removed.

1. Name of inmate(s) to be removed from segregation list:
[Redacted]

2. Brief, specific reason(s) why you are requesting the removal of segregation:
There is no reason for this seg nor did we request it or cause any issues while housed together. She had an issue w/ the deputy and I was not involved in anyway. I had headphones on and she was regressed. This is ludicrous, discrimination, and false. No issue existed both of us want this removed. Report says flood security did this. You should worry about all the drug dealers here who aren't segged. Not this. It's frivolous.

There is no change of circumstances because this issue was created by someone delusional not us. We have never even had a disagreement and we were housed together for months so of course we can co-exist. If this was

Requests for changes in the format of this form should be routed through your Chain of Command. Update requests and specific problems with the template should be e-mailed to 'RO Smith'.

done by Dep. Tilet she is continuing to do everything she can to get her name involved w/ me + is discriminatens, lying, and making false reports. Please remove this.

^{Extra - because I am}
This is retaliation to [REDACTED] & an issue w/ her
progressing to the tower. It has nothing to do w/ me. I told
the dep. that I had headphones in and don't know what
transpired with her moving to Echo. ~~XXXXXXXXXX~~

Please stop inserting me in false reporting. Please stop
putting in false claims & segs. on people I was housed
with. If they have an issue w/ a dep. that does not
involve me. I obey rules & co-exist w/ everyone
especially [REDACTED] whom I was housed w/
for 3 plus months. Finally please do not ignore this
or deny it due to my case. It has nothing to do w/
this seg. & a false problem was created. I know that
you remove them for other inmates who actually had
issues. We DID NOT.

Madelyn has a girlfriend and I know you check her mail, call logs, etc. and can verify that. I also know that you do 30 minute logs on me. I do not break the rules and it's beyond discrimination to let a deputy discriminate based on her being a lesbian. I do not have anything to do with that and I am straight. This false reporting does not fall under the guidelines of your mission statement and the two words honesty + Integrity on every dep's uniform. There is absolutely no evidence. This is based on Dep. Tilet's own delusions and should not be tolerated. She is always trying to insert herself into any + everything involving me. She is listed as a witness from the DA's office and this would be supporting her lies about this seg. It is malicious and is being used to target me + Madelyn under false pretense. Your updated handbook mentions preponderance of evidence often and there is absolutely nothing there except a delusion by a deputy who is ~~sup~~ subpoenaed in my case. This is clearly obvious what is happening and I plan to use this against her credibility because the jail has no basis for this seg. Please remove this false reporting claim.

REMOVAL OF SEGREGATION FORM

To: Inmate Services

Date: 9-11-2022

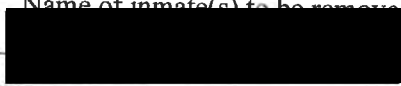

From: ~~Stauch~~ Stauch Letecia
Last First Middle

I would like to have the following segregation(s) removed from my segregation list. I understand that the inmate(s) that I am segregated from must also fill out a "Removal of Segregation Form". If that inmate does not wish to fill out a "Removal of Segregation Form", I understand that the segregation(s) will remain in effect.

Each inmate's statement must clearly state the reason "why" the removal of segregation is being requested, and that all inmates involved can co-exist in the same ward. You must also explain what circumstances have changed to justify the removal of the segregation.

I also understand that the Inmate Services Office will review both inmate requests for removal of segregation and determine if the segregation(s) should be removed.

1. Name of inmate(s) to be removed from segregation list:

2. Brief, specific reason(s) why you are requesting the removal of segregation:

We did not know we were segs until we both tried to attend church. We talk daily & don't have any issues. Please remove!

Inmate requested PC, however at this time her request has been denied. There have been no safety concerns documented or reported. Inmate is making the assumption there may be a concern because of possible media coverage. Inmate was informed to notify the ward deputy right away if there becomes a safety concern and her housing will be reevaluated. Inmate will remain in [REDACTED] at this time as a precaution, but that may change if there are no housing concerns once her trial starts. Inmate is currently a No Cellmate and Court Concern.
