Notice to Governmental Officials of Invocation of
Constitutional Rights

I understand that I am currently suspected or accused of committing a crime. I am unambiguously and unequivocally asserting my right to an attorney. I want no further contact with the police or other law enforcement officials for the purpose of questioning me or investigating me for any type of criminal activity. I understand that it may be necessary to have medical or mental health staff contact me to ensure my safety and health. I also understand that it may be necessary to be contacted by an inmate classification officer. If contact does become necessary, I do not wish to be questioned concerning any suspected criminal activity.

I am asserting my right against self-incrimination and my right to silence. I wish to speak only to my attorney. I am invoking all of my rights under *Miranda v. Arizona*, 384 U.S. 436 (1966). I will not waive my constitutional rights. I request that governmental officials not even request my consent except through my attorney.
