

FOLD FRONT OVER

CREASE EDGES
REAL GOOD

TADA!

The secret of a well oiled
relationship is
communication and equal
standing.
I am not a dayworker on
your plantation, I am
invested in this
relationship as well.
I am asking you only one
thing:

But I don't want to
complain,
I want to offer a solution.

Please don't take this personal, it
only refers to your actions, or
should I say lack thereof.
Because you didn't care to inform
me I had to waste precious time.
We only live once my dear.
Let's make it worthwhile for the
both of us.

I am giving you this booklet
because you are a
HUGE ASS!

H!

*Let's make this work,
for the both of us.*
